“It was a lot of fun shopping for \$100-150 worth of presents; it lasted about 1-2 hours. Then we headed over to the building where the birthday party was being held to finish the set up and help celebrate. The amount of donations for pizza, cake, drinks and snacks was impressive. After the party ended, everyone went into another room and we all wrapped presents in groups of 5-7 people and boxed them up a specific way, with gift wrap and drawings on the boxes. The wrapping session took the longest and lasted about 3 hours. Overall the event was a lot of fun and I would do it again.” –

Adrianna Soucy

A SOLDIER'S CHILD BIRTHDAY FOUNDATION

“Today was a total success! We got to share about the Teen Council and what we do, even though it was tiring, I had a lot of fun. Actually some of the organizers were coming up to us saying we are a huge help and that they loved having us there. Definitely would love to do another event with them.” – Annan Noonan

10 of our Teen Council Members joined with A Soldier's Project to help with their A Soldier's Child Birthday Event in Orchard Park, NY. The teens spent their day shopping, gift wrapping and packing gifts for the January Birthday recipients.

“The event was super fun they gave us each 2-4 kids to shop for and interview paper to know what the kid would like. We had to spend at least \$100 on each kid we had and then we all checked out and loaded the toys in a big truck. Then there was a birthday party for two kids and then everyone went into a warehouse and wrapped all the presents we bought” – Emily Yargeau

From Heather's Desk:

Olympia The Snowwoman

Fun Fact #1 - Olympia was made by the folks of Bethel, Maine, and named after Maine senator Olympia Snowe. The snowman or to be more precise the snow woman was 122 feet, one inch high and broke the Guinness world record for the largest snowman. Olympia was built in a little over a month to build, she is dressed in a 100 foot scarf, has 27 foot evergreen trees for arms, and eyelashes made from old skis.

Fun Fact #2 - The Coldest New York Temperature was recorded on February 18th 1979 in Old Forge, NY at **-52 Degrees!!**

Volunteer and Military Child of the Quarter

Blythe Taylor is one of our current Teen Council(TC) members. She joined the Teen Council in the Fall of 2013, as a civilian. Blythe accompanied another TC member to a Yellow Ribbon event in the fall of 2013 and enjoyed being around and helping the Military Kids and Families so much that she joined TC. Since then Blythe has volunteered over 35 hours with the Child and Youth Program and Family Programs. Blythe is 17 years old, and in her junior year at West Seneca West Senior. Blythe takes dance classes and is a member of the Spanish Club through her school. Along with her volunteering with Teen Council, she also volunteers her time with 10 Lives Club, an organization that's mission is "to promote, further and enhance all cat life." Blythe has one younger brother Bryce. Blythe said to us "I have met many cool people, I have learned a lot and helped a lot of people. It is so much fun! I love the Teen Council and all that it has taught me and shown me."

Lexi Coons is 18 years old and a Senior at Voorheesville High School. She has been volunteering with the Child and Youth Program for over a year at Yellow Ribbon Events in the Capital District. We were introduced to Lexi at Yellow Ribbon when her step father was preparing to deploy with the 27th BCT. Lexi plays softball and volunteers her time with Everybody Counts(EBC) and Bus Stop Club. EBC is a Hippotherapy Outpatient Clinic for children with special needs, and the Bus Stop Club is a support group for children who have siblings with special needs. Lexi has two younger siblings Nathan and Rebekah. Lexi says "I love to work with children, and animals."

Volunteer Organization of the Quarter

This month we wanted to take a moment to recognize Therapy Dogs International (TDI). We invite TDI to come into any of our Youth Program functions (camp, Yellow Ribbon or Workshops) while programming is going on. The Children love having the furry friends around and tend to be calmer and focus better on projects.

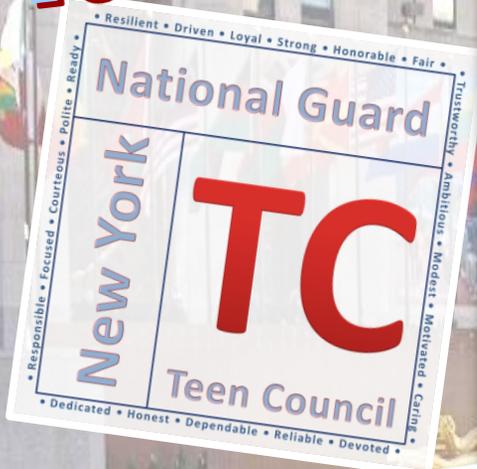

Therapy Dogs International was founded by Elaine Smith back in 1976. Elaine's vision was to bring a little sunshine to those who were in hospitals, nursing homes and other institutions. She recognized the bond between people and dogs and what role that bond played in one's emotional well-being and health.

Studies have shown that a person holding or petting an animal will cause a lowering of blood pressure, the release of strain and tension, and can draw out a person from loneliness and depression. We use Therapy Dogs in small or large group settings. Ages 5 and older

The Military Mentoring Initiative

Big Brothers Big Sisters is committed to serving our nation's military personnel and their families.

We recognize that the stresses of everyday military life lead to service men and woman searching for additional support for their children. We believe our mentoring program can help. In fact, we know that any family could benefit from their child getting to spend a few hours a week trying new things, getting more individual attention, and experiencing life through different perspectives.

The Big Brothers Big Sisters Military Mentoring program matches children (age 9-16) of military families with safe, screened, trusted mentors in one-to-one relationships that have the potential to last for many years.

We carefully match adult mentors and youth mentees in long-term friendships based on family and volunteer preference, similar interests and values, and match compatibility. We partner with families to identify the right Big for their child.

Our mentors are a diverse group of fun, incredible, dedicated volunteers. They resemble brothers, aunts, uncles, grandfathers, trusted neighbors. Their role is to be an unconditional friend and role model once a week, encouraging and supporting a child in reaching their potential and enjoying new experiences together.

Couldn't every child use one more Mentor in their life?

You recognize the potential of your child better than anyone!

OUR ORGANIZATION

United Through Reading®, the nation's first nonprofit to promote the read aloud experience for separated military families, offers deployed parents the opportunity to be video-recorded reading storybooks to their children which creates positive emotional connections and cultivates a love of reading.

OUR SERVICE TO MILITARY FAMILIES

- Helps ease the stress of separation
- Helps build family resiliency
- Helps make homecomings easier
- Helps cultivate a love of reading

This powerful program is available to deployed military units DoD-wide, hosted at select USO locations, and has served over one million beneficiaries since 1989.

HOW TO PARTICIPATE

1. The deployed service member reads a book aloud while being recorded and sends the video home to the child.
2. The child at home watches the video and follows along with the book, if available.
3. While the child watches the video, the caregiver captures the child's reaction and relates it back to the service member.
4. The service member receives the feedback and is encouraged to record again.

HOW TO GET STARTED

Once Command Leadership agrees to offer United Through Reading, a National Program Manager will provide ongoing training and support throughout the deployment.

UNITED THROUGH READING PROVIDES:

- **Command Brief**
- **Active Duty Coordinator Training**
- **Homefront Coordinator Training**
- **Free Starter Kit:**
 - 25 children's books for your permanent onsite library
 - 100 DVDs in vinyl sleeves
 - 100 DVD mailers
- **Recognition for Command volunteers**

COMMAND PROVIDES:

- **Identification of:** Command Liaison, Active Duty Coordinator and Homefront Coordinator
- **Participation updates to National Program Manager**
- **Video Equipment:** DVD camcorder/tripod, lavalier microphone
- **Commands may provide or make available for purchase:** Additional DVDs, padded mailers, DVD jewel cases
- **Additional children's books** for onsite library (through donations)

Deployment Support Website

The National Center for Telehealth & Technology designs, develops, and deploys state-of-the-art tools to aid in addressing the psychological health of service members, veterans, and their families.

T2 is dedicated to establishing best practices, promoting quality standards, and combating the stigma often associated with seeking psychological health services. The core team of psychologists, engineers, web designers, database developers, and project managers build applications for web and mobile platforms, and specialized domains such as clinical telehealth and virtual worlds. Mindful of the importance of demonstrating outcomes, T2 projects are subject to rigorous program evaluation protocols.

NATIONAL CENTER FOR TELEHEALTH & TECHNOLOGY

Since 2001, an estimated two million children have experienced a parent's deployment to Iraq or Afghanistan. An often overlooked consequence of deployment is the anxiety kids feel before, during, and after the parent's absence. MilitaryKidsConnect.org is a website specifically designed to enhance the resilience of military children of all ages throughout the deployment cycle.

Military families: A national priority.

On January 24, 2011, President Obama released the final report of Presidential Study Directive-9 (PSD-9), *Strengthening Our Military Families: Meeting America's Commitment*, which enlisted the support of his Cabinet Secretaries and other agency heads to define new ways to improve support for military families.

The report detailed key strategic priorities to be addressed, the first one being: Enhance the well-being and psychological health of the military family.

As the Defense Department's primary agency for applying innovative technology to issues of psychological health and traumatic brain injury, the National Center for Telehealth & technology (T2) developed MilitaryKidsConnect.org to directly address that priority by providing empirically-based content developed by psychologists to improve child and family readiness.

Support that speaks their language.

MilitaryKidsConnect.org features customized content for three age groups: children, tweens, and teens. Users visit an age-appropriate homepage where they find interactive maps; a personal scrapbook application; age-appropriate games; videos of military kids describing how they cope with deployment; instructional vignettes; a virtual personal space where kids navigate using a customizable avatar; and a moderated social networking message board (parent approval required for registration).

Together, these features create a safe, secure, and comfortable place for young people to play, gather, share, and learn how to handle the pressures of being a military kid.

While MilitaryKidsConnect.org is a place for kids to connect online, we don't kid around when it comes to online safety and privacy. MilitaryKidsConnect.org strictly adheres to COPPA, the Children's Online Privacy Protection Act, regarding parental consent and the use and disclosure of personally identifiable information.

Helping parents, caregivers, and teachers to help kids.

MilitaryKidsConnect.org also provides content for parents and educators of military kids. Adults can find information about the site's safeguards and parental controls, site content, and ways adults can use its content to encourage positive conversations about deployment. The parent section also includes information on common, age-specific behavioral responses to deployment, as well as methods of coping with them.
