State Conservation Commission Meeting April 12

MANHATTAN, Kansas — The State Conservation Commission will hold its regular meeting on Monday, April 12, 2021, at 9:00 a.m. at the Kansas Department of Agriculture office in Manhattan. To meet social distancing requirements, the in-person meeting at the KDA office is limited to the SCC commissioners and KDA staff. An online meeting option is available for conservation partners and is open to the public.

The SCC consists of five elected commissioners; two ex officio members representing the Kansas State University Agriculture Experiment Station and Cooperative Extension Service; and two appointed members representing KDA and the U.S. Department of Agriculture, Natural Resources Conservation Service.

The KDA Division of Conservation consults with the SCC to protect and enhance Kansas' natural resources through the development, implementation and maintenance of policies, guidelines and programs designed to assist local governments and individuals in conserving the state's renewable resources.

To request a copy of the agenda or directions on how to participate in the online meeting, please contact the KDA–DOC at 785-564-6620 or kda.doc@ks.gov.
