OPEN SESSION:

1. Opening of Public Meeting – Carl Christensen, Chair - DISCUSSION/ACTION.

1.1. Call to Order

1.2. Introductions

2. Rules Hearing – Continuing Education Rule – Carl Christensen, Chair.

The board currently has emergency rules in place to allow nursing home administrators to use pandemic-related education, training, and experience toward continuing education requirements. The board is now working to adopt permanent rules to allow this. A CR-102 notifying the public of the language the board intends to adopt was filed with the Code Reviser's Office 4/21/21. The Board will determine whether to adopt this language based on this rules hearing.

3. Emergency Rules – Continuing Education – Carl Christensen, Chair. *The board will discuss filing an additional emergency rule. The emergency rules currently in place expire on June 10, 2021. The permanent rules are unlikely to be in place by that time. Therefore, to continue the implementation of these rules uninterrupted, a new emergency rule needs to be in place by that time.*

4. Meeting Adjournment.
