

Be Ready to Help Your Local Community

Your time and talent can make a real difference in people's lives. Learn how you can join our mission so you can answer the call when your community needs it most

My task is to try to help clients by encouraging them to discuss their recovery plans, providing resource information and offering comfort as best I can over the phone.

From small home fires to multi-state natural disasters, Red Cross volunteers go wherever they're needed so that people can have access to clean water, safe shelter, and hot meals when they need them most.

Never has this been more noticeable than this past year when the Red Cross provided more nights of emergency shelter than any point on record due to an unprecedented wildfire season in conjunction with the economic fallout from the pandemic. It's through the efforts of ordinary people that we can do these extraordinary things. Volunteers carry out 90% of the humanitarian work of the Red Cross, so this vital work of is only possible because of people like you.

This Volunteer Fair is ideal for community members who are new to Red Cross to learn more about who we are, what we do, and how you can join our mission in preventing and alleviating human suffering in the face of emergencies.
