October 2021 Prioritized List

- 1) On October 27, 2021, two corrections were made to line titles:
 - a. Reverted deletion (in red): Line 168 COMPLICATED HERNIAS; **UNCOMPLICATED INGUINAL HERNIA IN CHILDREN AGE 18 AND UNDER**; PERSISTENT HYDROCELE.
 - b. Reverted deletion (in red): Line 524 UNCOMPLICATED HERNIA AND VENTRAL HERNIA (OTHER THAN **INGUINAL HERNIA IN CHILDREN AGE 18 AND UNDER OR** DIAPHRAGMATIC HERNIA)

These line title clarifications were based on a biennial review change regarding inguinal and femoral hernia coverage and will appear on the 1/1/2022 Prioritized List.
