

Federal COVID Stimulus Funds Can Be Used for ATIA 2022 Professional Development

If you work in a school district, you can use your district's COVID funding toward registration fees to attend ATIA 2022.

Federal Stimulus Funds directly state they can be used for Professional Development that support your student's learning.

[ATIA 2022](#) is the perfect place to learn about the latest advancements in assistive technology and gain new knowledge through peers and leaders in the field. Registration is now open for [ATIA 2022](#).

[Explore which registration option works for you](#) - whether it's in person in Orlando, as a team, or virtually. We hope to see you this January 26-29! Check with your institution to learn how you can use COVID funds to support your professional development.

Register for ATIA 2022
