Indiana Emergency Relief Fund

The arts add vibrancy and depth to Hoosiers' lives and are a significant factor in the health of Indiana's economy. The arts sector contributes \$8.4 billion to Indiana's economy, and Indiana's overall creative economy includes 160,000 jobs, over 87,000 of which are employees of arts organizations and businesses.* While the COVID-19 crisis threatens arts organizations and their associated jobs, programs, and services to patrons, the arts continue to be at the center of community life and economic recovery. Eligible organizations were awarded \$3,000.

The Indiana Arts Commission announces the Indiana Arts Emergency Relief Fund to support Indiana's arts organizations during the COVID-19 pandemic.

The Indiana Arts Emergency Relief Fund program is supported by the National Endowment for the Arts (NEA), the Indiana Arts Commission (IAC), and Arts Midwest with funding provided by the CARES Act.
