

***PROVIDING RESOURCES, OPPORTUNITY, AND MAXIMIZING  
INVESTMENTS IN STRIVING ENTREPRENEURS ACT***

**THE PROMISE ACT IS INSPIRED BY THE VOICES, STORIES,  
AND STRENGTH OF MINNESOTANS WHO ARE DEDICATED  
TO REBUILDING OUR CITIES AND COMMUNITIES.**

- Create a special panel to review cases and provide direct compensation to impacted individuals.
- Partner with cities and community organizations to create economic relief programs for impacted businesses and organizations.
- Give local units of government flexibility and tools to prevent gentrification.
- Direct the Minnesota Department of Commerce to assist business owners, and require insurance companies to notify the department of any rejected claims.
- Help with the rising cost of leases for eligible residential and commercial properties.
- Eliminate the sales tax on the purchase of construction materials used to rebuild damaged or destroyed properties.
- Provide property and sales tax cuts for eligible properties.
- Establish a *Metropolitan Area Redevelopment Corporation* to create a long-term plan for equity-driven redevelopment and transformation.
- A Civil Unrest Investigatory Commission will conduct a neutral investigation into the government's response to the unrest, with a public report due by December 15, 2020.
