

Effective Criminal Caseflow Management During and After the Pandemic

The Court Consulting Services Division and the Research Division of the National Center for State Courts (NCSC) will be providing its **free remote and virtual consulting service “The Doctor Is In”** from Mid- November to Mid- December! Principal Court Management Consultant Patti Tobias and Principal Research Consultant Brian Ostrom will be available to provide you or a team with up to 60 minutes of free consulting and professional advice. Our experts can meet with you to discuss any issues concerning **Effective Criminal Caseflow Management** that you and your court may be facing whether as a result of COVID-19 or beyond.

The topic areas include:

- Criminal Case Management Basics – Data Elements, Performance Measures and Data Presentation Strategies
- Timely Justice and What the Data Tells Us
- Improving Caseflow Management Practices, Policies and Procedures in the Courts and the Community addressing those with Mental Illness and Co-Occurring Disorders
- Reducing Criminal Case Backlogs
- How to Conduct a Self- Assessment of Your Criminal Caseflow Management Practices and Principles
- Learn the Elements of Effective Criminal Caseflow Management

Please contact Kent Kelly at kkelly@ncsc.org to schedule a session. Sessions are limited so we encourage you to sign up now. We look forward to hearing from you!
