## LEARNING

Would you like to become a budding entrepreneur? Want to own a business? Come along to Explore Learning's **FREE** virtual life-skills maths AND English themed workshops for Bradford children!

These workshops allow children to build on work-life skills such as budgeting, calculating change, business revenue and even paying the bills! With our maths skills at the ready, we will add, subtract, divide, and multiply to become successful business people- of all ages!

For **ages 6-7, join us on Saturday 29<sup>th</sup> May at 10am!** We will develop understanding of handling money and calculating change from a given amount. What food will you buy at Explore's restaurant?

For **ages 8-9, join us Friday 4<sup>th</sup> June at 10am!** We will budget for a day trip! We've got to think about a lot when we go to the zoo- activities, lunch, and don't forget the all-important gift shop.

For **ages 10-11, join us Saturday 29<sup>th</sup> May at 12pm!** We will focus on the money in our pockets! Will you spend or will you save? We will work on maths proof and working systematically to solve these real-life maths problems!

For **ages 12-13, join us on Tuesday 1<sup>st</sup> June at 12pm!** We will develop understanding of bills along with credit and debit. What card will you choose? Let's calculate and compare our spending. Be careful not to become over-drawn!

For **ages 13-15, join us on Tuesday 1<sup>st</sup> June at 1pm!** We will delve into the life of a budding entrepreneur. Look at revenue, expenditure, and profit to find break-even points. Try your hand at plotting data on line graphs for real business costs. Will they succeed?

We are very excited for you to be joining us on our entrepreneurship journey! Visit <https://www.eventbrite.co.uk/e/explore-learning-free-half-term-real-life-entrepreneur-virtual-workshops-tickets-153122677049> to book your places now!
