

## Highway Safety Projects Near Kentucky Schools

<b>FY 2021 (\$11.59 million):</b>	
Barren Co., CS 1201, construct southbound right turn lane at Red Cross Elementary	\$230,000
Bath Co., US 60, construct right turn lane at Crossroads Elementary	\$350,000
Bell Co., US 25E, construct left turn lane at Bell County High School	\$175,000
Bourbon Co., US 460, design pedestrian bridge connecting Paris High School facilities	\$125,000
Bourbon Co., US 68X, improve safety at KY 1678 near Bourbon County Schools	\$200,000
Boyle County, KY 34, design sidewalk at Boyle County High School	\$35,000
Breathitt Co., KY 15, safety improvements at Marie Roberts-Caney Elementary	\$140,000
Caldwell Co., KY 91, design turn lanes at Caldwell County Schools	\$50,000
Calloway Co., KY 1550, construct turn lanes at Southwest Calloway Elementary	\$150,000
Campbell Co., US 27, improve safety at CS-7092 near Crossroads Elementary	\$80,000
Campbell Co., US 27, improve safety at KY 10 near Campbell County High School	\$80,000
Christian Co., KY 115, design turn lanes at Pembroke Elementary	\$75,000
Christian Co., KY 117, design turn lanes at South Christian Elementary	\$75,000
Crittenden Co., US 60 shoulder improvement construction near CCHS	\$700,000
Daviess Co., KY 298, repair KY 298 and at US 431 near So. Oaks Elementary	\$200,000
Fayette Co., KY 1972, install school flashers at Liberty Elementary	\$20,000
Fayette Co., US 27, install school flashers at Lexington Universal	\$20,000
Floyd Co., KY 114, extend turn lane and add J-Turn at Prestonsburg Elementary	\$200,000
Graves Co., KY 97, construct turn lanes at Sedalia Elementary	\$150,000
Greenup Co., KY 1, improve access at Argillite Elementary	\$245,000
Greenup Co., US 23, provide turn lanes at the Raceland Schools campus	\$285,000
Hopkins Co., KY 1581, design turn lanes at Pride Elementary	\$100,000
Hopkins Co., KY 254, design turn lanes at James Madison Middle School	\$100,000
Jefferson Co., KY 1934, improve safety at CR-1013F at Crums Lane Elementary	\$350,000
Jefferson Co., US 150, improve safety at KY 1020 at JCTCS	\$75,000
Jefferson Co., US 150, improve safety at US 31W near Salisbury School	\$175,000
Jefferson Co., US 60, install height detection warning system near U of L	\$150,000
Jessamine Co., KY 29, construct pedestrian facilities at West Jessamine High School	\$210,000
Jessamine Co., KY 39, construct pedestrian facilities at East Jessamine High School	\$200,000

Johnson Co., US 23, Extend turn lane and improve radius at Highlands Elementary	\$260,000
Kenton Co., KY 1072, improve sidewalks and pedestrian crossings near St. Agnes	\$154,000
Larue Co., US 31E, construct sidewalk and crosswalk at Larue County campus	\$100,000
Laurel Co., KY 1956, construct turn lanes at Colony Elementary	\$250,000
Lewis Co., KY 9, design use of old road bed/new entrance for Lewis County schools	\$30,000
Logan Co., KY 3240, construct ped facilities at W 9 <sup>th</sup> Street near Russellville campus	\$30,000
Madison Co., KY 388, install pedestrian flashing beacon at Madison Central High	\$20,000
Madison Co., US 25, improve safety at KY 1986 near Marshall Elem. and Caudill Middle	\$500,000
Marion Co., KY 84, improve shoulders near Marion County Middle School	\$550,000
Marion Co., US 68X, install turn lane at Glasscock Elementary	\$350,000
McCracken Co., US 60, design of traffic lane rework near Paducah Tilghman	\$375,000
McCreary Co., KY 92, construct left turn lane at McCreary County school campus	\$300,000
McLean Co., KY 136, design turn lanes at McLean County High School	\$100,000
Monroe Co., KY 163, construct northbound right turn lane at Joe Harrison Carter Elem.	\$150,000
Morgan Co., US 460, design right turn lane from KY 191 to Morgan County High School	\$250,000
Nelson Co., CS 1360, provide sidewalks and improve KY 245 at Bardstown Primary	\$563,000
Oldham Co., KY 1793, design turn lanes at 3 schools at North Oldham campus	\$130,000
Perry Co., CS-1192, pavement markings at HR Parkway near West Perry Elementary	\$20,000
Perry Co., KY 476, design safety improvements at Robinson Elementary School	\$210,000
Pike Co., US 119, design turn lane and J-Turn at Pike County Central campus	\$50,000
Powell Co., KY 2073, design right turn lane at Powell County High School	\$265,000
Powell Co., KY 213, Safety improvements at KY 11 near Powell County High School	\$50,000
Pulaski Co., KY 1575, design left turn lane at Pulaski County High School	\$75,000
Pulaski Co., KY 1577, design left turn lane at Southwestern High School	\$75,000
Pulaski Co., KY 39, design connector road at Northern Middle school	\$75,000
Taylor Co., US 68, safety upgrades at CS-1134 near Taylor County Middle School	\$65,000
Todd Co., KY 181, design improvements at KY 507 near North Todd Elementary	\$50,000
Todd Co., US 68X, design westbound turn lane at Todd County Middle School	\$100,000
Union Co., US 60, construct ditch repairs near Union County High School	\$70,000
Union Co., US 60, construct sidewalk between UCHS and Middle School	\$30,000
Various Counties Statewide, install "Buckle Up Phone Down" signs at High Schools	\$500,000
Various Counties statewide, upgrade existing Pedestrian Crosswalk Beacons	\$81,000
Various Counties statewide, upgrade existing School Flashing Lights (37 units)	\$362,000
Warren Co., KY 2158, provide dual left turn at KY 234 near Cumberland Trace Elem.	\$75,000

Warren Co., US 31W, design reduced crossing U-turn at Bristow Elementary	\$100,000
Warren Co., US 31W, provide sidewalks and ramp at KY 526 near Warren East campus	\$55,000
Webster Co., KY 1340, design turn lanes at Webster County Schools	\$200,000
Whitley Co., KY 727, design roundabout at crossroads near Corbin Primary School	\$25,000
<b>FY 2022 (\$11.54 million):</b>	
Boyle County, KY 34, construct sidewalk at Boyle County High School	\$500,000
Caldwell Co., KY 91, construct turn lanes at Caldwell County Schools	\$480,000
Christian Co., KY 115, construct turn lanes at Pembroke Elementary	\$425,000
Christian Co., KY 117, construct turn lanes at South Christian Elementary	\$525,000
Hopkins Co., KY 1581, construct turn lanes at Pride Elementary	\$1,200,000
Hopkins Co., KY 254, construct turn lanes at James Madison Middle School	\$800,000
Jefferson Co., CS-1021F, improve safety at Broadway and 24 <sup>th</sup> near Salisbury School	\$125,000
Lewis Co., KY 9, construct old road bed/new entrance for Lewis County schools	\$335,000
McLean Co., KY 136, construct turn lanes at McLean County High School	\$700,000
Oldham Co., KY 1793, construct turn lanes at 3 schools at North Oldham campus	\$1,680,000
Powell Co., KY 2073, construct right turn lane at Powell County High School	\$890,000
Pulaski Co., KY 1575, construct left turn lane at Pulaski County High School	\$335,000
Pulaski Co., KY 1577, construct left turn lane at Southwestern High School	\$450,000
Todd Co., KY 181, construct improvements at KY 507 near North Todd Elementary	\$325,000
Todd Co., US 68X, construct westbound turn lane at Todd County Middle School	\$850,000
Warren Co., US 31W, construct reduced crossing U-turn at Bristow Elementary	\$650,000
Webster Co., KY 1340, construct turn lanes at Webster County Schools	\$550,000
Whitley Co., KY 727, construct roundabout at crossroads near Corbin Primary School	\$725,000
