The East Carolina University Teacher Support Program (ECU TSP) is excited to announce the **‘Building Capacity for Interveners PLC’**. This training opportunity will be geared towards teachers, support staff, and administrators who currently work directly with learners with deaf blindness.

Cohort participants will complete select Open Hands, Open Access (OHOA) Deaf Blind Intervener online training modules to refine their work with supporting learners with deaf-blindness. ECU TSP will provide facilitator/mentor support to cohort members studying the OHOA modules throughout this school year.

The PLC training will begin on September 20, 2021. You are encouraged to share this information with others who may be interested in learning strategies for working with learners with deaf blindness. Please respond by September 10, 2021. Individuals interested in this free ‘Building Capacity for Interveners PLC’ should complete the survey available at:
