NOTES

- Data Source Ages: CDC's Tiberius System.
 - On July 19th, Tiberius introduced new functionality that allows data to be updated and deleted as duplicates or incomplete data are identified and corrected. Therefore, the data on this report may fluctuate as the data in Tiberius is updated or deleted.
 - On Sept 13th, Transition to data for all Kentuckians vaccinated vs vaccinations in Kentucky & change in periodicity parameters, resulted in decreased Unknowns and a one-time increase in Unique Persons Vaccinated / Unique Kentuckians Vaccinated. Unknown counts are included in the All ages, 12 and older & 18 and older
- Data Source Gender, Race, Ethnicity: Kentucky Immunization Registry (KYIR).
 - Data may vary from federal sources due to delays, methodology & de-duplication differences
- All Data is based on unique patients vaccinated and reflects first dose recipients
- Population Source All Tables: 2019 CDC Wonder Population (for any Age data reported on or after Sept 13th).
