

VOLUNTEER OPPORTUNITIES WITH THE INFORMATION GROUP

Are you a Parent or Carer with a child or young person with special educational needs or disabilities and live in the East Riding?

We are looking for volunteers to work alongside the Local Authority, health and other service providers to ensure that information is accessible and clear

The Information Group are a friendly group of both parent/carers and professionals who meet for 2 hours every 4 weeks.

You do not have to commit to every meeting and we will support you to participate. Transport and childcare costs will be covered.

We currently meet online

INFORMATION GROUP

Make a difference

Help improve communication between the Local Authority, health services and parents and carers

Gain new skills

Build your confidence

Learn about how services work

Meet parent/carers, professionals and practitioners

If you are interested, or would like further information, please contact Ben or Claire
