

## Default Question Block

Preschool Colleagues,

The Office of Early Learning is working diligently to be more responsive in our communication with all preschool partners and to improve the quality of preschool data.

This survey serves these purposes.

1. To gather contact information for all LEA preschool contacts to ensure that we are sending the right information to the partners who need it (Title I Preschool, Preschool EC, NC Pre-K, CTE Preschool, Developmental Day, Teaching Strategies GOLD® administrator).
2. To determine the projected number of Teaching Strategies GOLD® portfolios that NC DPI will fund for the 2022-2023 school year.
3. To better understand the composition of preschool in each LEA.

Please work together with your LEA preschool colleagues to complete the survey ***by August 5, 2022.***

If you have any questions, please contact Dan Tetreault ([dan.tetreault@dpi.nc.gov](mailto:dan.tetreault@dpi.nc.gov)) or Dawn Meskil ([dawn.meskil@dpi.nc.gov](mailto:dawn.meskil@dpi.nc.gov)).
