Give your rubbish a new life this Christmas

Please remember to recycle over the festive period.
You'll be surprised what can be transformed into something new!

For each Christmas tree recycled, Veolia will be donating money to a local charity

Cards, paper and cardboard

Put your blue bag out on the same day as your purple lidded bin or recycling boxes.

Too much cardboard?

Flatten it, cut or tear it into pieces that would fit into the blue bag, then secure it under your blue bag for collection.

Try to make sure cardboard / paper remains dry. Extra blue bags are available.

Please don't include any cards or wrapping paper with glitter, plastic and mechanical tunes – thank you!

Christmas trees

Put your natural Christmas tree in or next to your garden waste bin.

If your Christmas tree is over 5 feet tall cut into sections to fit into your garden waste bin.

In the event of disruption to waste collections

If we are unable to collect your waste – e.g. due to severe bad weather, please:

Leave your refuse bin out. If we can't get to you on your scheduled collection day, we'll collect it as soon as we can when it is safe to do so.

Take your garden waste bin back in and put it out on your next scheduled garden waste collection day.

Leave your purple lidded bin, recycling boxes and blue bags out (as long as they don't present a trip hazard). We'll collect them as soon as we can when it is safe to do so.

Household batteries

Please place in clear plastic bag and put out on recycling day next to your blue bag, purple lidded bin or recycling box.

Cartons can be recycled at Household Recycling Centres
