In October 2023, Ohio Governor Mike DeWine announced that 51 communities will receive more than $10.6 million in funding as part of the Community Development Block Grant Allocation Program. Individual awards are listed below.

Reporters with questions on the overall program should contact Ohio Department of Development Chief Communications Officer Sarah Wickham at 614-265-6889 or sarah.wickham@development.ohio.gov. For information on specific projects selected for funding, please contact local development staff in the communities receiving the awards.
