

Physical therapy has helped me, and I can help others.

The Department of Health's Board of Physical Therapy is looking for a member of the public – patients like you – to serve on the board.

We are looking for your input to help other Washingtonians get safe, quality physical therapy.

Your advice can help determine:

- Rules and standards for care
- Education and examinations for a provider's license
- Other important topics

You'll participate in six board meetings per year. Join us if you are not or have not been a member of any other licensing board, a licensee of any health occupation board, and are not an employee of any health facility.

Please submit your application to the Governor online:
governor.wa.gov/boards-commissions/apply-serve
