

Memorandum

CITY OF DALLAS

DATE June 16, 2023

TO Honorable Mayor and Members of the City Council

SUBJECT **2023 Community Survey Results**

Budget and Management Services (BMS) partnered with ETC Institute for the 2023 Community Survey, which ran April through May. The purpose of the survey is to assess resident perceptions of Dallas and understand community priorities regarding City services.

We are pleased to present the findings of the 2023 Community Survey. Notably, Dallas rates above the national average for large U.S. cities in 11 of 13 areas in 'Major Categories of City Services.' The survey results also highlight areas for improvement which will help inform our preparation of the next biennial budget.

ETC Institute will present survey findings and results at your June 21 City Council meeting and budget workshop. ETC Institute has conducted research for more major U.S. cities than any other firm. Other clients include San Antonio, Las Vegas, Houston, and Washington, D.C.

Attached is the briefing with the results. Previous survey data is available on the [Financial Transparency website](#). If you have any questions, please contact me or Janette Weedon, Director of Budget and Management Services.
