

FWP proposal to be amended: Bird Dog Training by Non-Residents

Commissioner: Lesley Robinson, Commission Chair (Region 6 Commissioner)

Date Received by Commission: 01.17.2024

Proposed Amendment: I move the Commission adjust the starting date for bird dog training by nonresidents from Aug. 15 to Sept. 1.

Requested by FWP: Yes

Rationale and Background: FWP has heard public inputs describing observations of increased nonresident bird dog training effort for upland game birds. In response, FWP has proposed this amendment to solicit additional public input on this topic, including potential resource concerns the public might identify.
