

Spring 2020 Pretest Workshops

The Indiana Department of Education (IDOE) provides Pretest Workshop trainings to help support schools in preparing for successful test administration. IDOE's Spring 2020 Pretest Workshop will prepare CTCs with information and resources needed to support appropriate administration of ILEARN, ISTEP+ Grade 10, I AM, IREAD-3, and WIDA ACCESS.

All Corporation Test Coordinators (CTCs) are required to attend one online or in-person Spring 2020 Pretest Workshop training. Pretest workshops are optional for School Test Coordinators and other personnel. Please note that registration is required for all sessions. Registration is approved on a first-come first-served basis with CTCs having priority. Individuals may only register for one session.
