| LOS ANGELES COUNTY HEALTH SERVICES: | <p>Los Angeles County Department of Health Services, under the guidance of Dr. Ghaly, assembled a multidisciplinary team of clinical, epidemiological, and statistical modeling experts led by Roger J. Lewis, MD, PhD, the Chair of Emergency Medicine at Harbor-UCLA Medical Center in Torrance and an accomplished statistician.</p> <p>Two-pronged approach: The modeling team was tasked with</p> <ul style="list-style-type: none"> • Taking available data and making the best possible predictions regarding the spread of COVID19 in Los Angeles County and the associated demand for hospital-based care including hospital beds, intensive care unit (ICU) beds, and ventilators. • Assessing the effectiveness of current physical distancing efforts in slowing the spread of COVID-19 and “flattening the curve.” <p>Los Angeles County COVID-19 Hospital Demand Modeling Projections</p> | |
| PUBLIC HEALTH RESOURCES: | <p>Health Office Orders: (Extended through May 15, 2020)</p> <p>A new Health Officer Order is being issued that extends the stipulation in the previous Health Officer Order through May 15, 2020. The Order requires essential businesses to provide a cloth face covering for all of their employees to wear while performing duties that involve contact with other employees and or the public and to post their physical distancing plans. The public is also required to wear a face covering to enter essential businesses. All public and private gatherings of any number of people occurring outside a single household or living unit remain prohibited. Beaches, trails and trailheads and non-essential businesses remain closed. It is critical that everyone continue to take these actions to slow the spread of COVID-19. The Order allows essential businesses to implement the new measures by April 15.</p> <ul style="list-style-type: none"> • Safer at Home Officer Order (04.10.20) • Home Isolation Health Officer Order (Revised 04.01.20) • Home Quarantine Health Officer Order (Revised 04.01.20) • Temporary Closure of Beaches and Trails Health Officer Order (03.27.20) <p>Safer at Home Frequently Asked Questions:</p> <p>English Spanish Traditional Chinese Simplified Chinese Korean Armenian Tagalog Arabic Farsi Cambodian Russian Japanese Vietnamese</p> <p>Additional Resources:</p> <p>Business Persons Exposed to COVID-19 Physical Distancing Guidance for Cloth Face Coverings Test Results</p> | |

| | <p>As of today, approximately 40,700 people in Los Angeles County have been tested for COVID-19.</p> <p>Additional things you can do to protect yourself, your family and your community are on the Public Health website. For more information, please visit: http://www.publichealth.lacounty.gov/media/Coronavirus/</p> | |
|---------------------------|--|------------------|

| PERSONS EXPERIENCING HOMELESSNESS | <p>The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA’s expertise is captured in the day-to-day work and allows LAHSA to play the central coordinating role across City and County agencies.</p> <p>Medical Sheltering:</p> <p>The County, with LAHSA’s seeks to provide 2,000 shelter beds where persons exhibiting COVID-19 symptoms can isolate safely. Medical sheltering sites will serve multiple populations, including persons experiencing homelessness. These sites include RVs provided by the state and hotels provided by the County. Physical Distancing in shelters continues to be a priority. LAHSA has</p> | | | | | | | | | | | | | | | | | | | | | | | | |

requested resources that include food, personnel, test kits, and a warehouse to store acquired items. This request is currently being addressed by both the State and the County.

Project Roomkey:

Los Angeles County, LAHSA and the City of Los Angeles have collectively allocated \$39.3 million in state emergency homeless funding for Project Roomkey. Project Roomkey expands the County's interim shelter system in a massive public health effort that aims to bring as many people as possible inside to protect their health and prevent the spread of COVID-19. Hotels and motels will provide interim housing for vulnerable persons experiencing homelessness including those over 65 years of age and those with compromised immunity or chronic disease. LAHSA is currently standing up staffing and operations for Project Roomkey. The safety of clients and the staff at each hotel site is a priority. In accordance with physical distancing guidelines, arrivals to the hotels are staggered to avoid long lines and large gatherings at the point of entry for each of the hotels. Most sites will take 2-4 days to reach capacity under this model.
