Title: USAID Partner Survey:

Operating in the COVID-19 Environment.

Type of Review: Emergency.

Purpose

In response to COVID-19, USAID's top priority is to protect the safety, health, and security of our global workforce—including our Implementing Partners, in order to ensure that we can

continue our life-saving mission across the world, and support partner countries in their response to COVID-19.

The purpose of this survey is to help USAID's COVID-19 Task Force to get an expansive view of our programs and the challenges being faced by our implementing partners. With this information, USAID hopes to identify opportunities to support implementing partners, programs, and partner countries during COVID-19.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

May 5, 2020.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by June 10, 2020 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the

following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Food Safety and Inspection Service

Title: Voluntary Destruction of Imported Meat, Poultry, and Egg Products.

OMB Control Number: 0583-New.

Summary of Collection: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, *et seq.*). These statutes mandate that FSIS protect the public by verifying that meat, poultry, and egg products are safe, wholesome, unadulterated, and properly labeled and packaged.

Imported meat, poultry, and egg products that do not comply with U.S. requirements are not allowed to enter U.S. commerce and are identified as "U.S. Refused Entry" product. Inspection Program Personnel (IPP) are required to verify that U.S. refused entry product is stored and segregated from other product at an official import inspection establishment until final disposition occurs, or permission to move the shipment is granted by a FSIS Office of Field Operations (OFO) District Office (DO).

Need and Use of the Information: FSIS IPP will use the information during the observation of the product destruction to verify that the product being destroyed is the same product that was refused entry and that the product is controlled by the import establishment until destruction is completed. The Importer/Broker/Agent will complete FSIS Form 9840-4, Voluntary Destruction of Imported Meat (Including Siluriformes), Poultry, and
