

NC DADD 2021 Virtual

Special Education Symposium

Saturday * **May 1, 2021**

Keynote Interview

Dr. Temple Grandin
Colorado State University

The NC CEC/DADD leaders continue to work collaboratively with state and national leaders to advance the success of children with exceptionalities. We accomplish our mission through advocacy, standards, and professional development.

We invite all educators, parents and other key stakeholders involved in the education of children **with and without disabilities** to take advantage of this VERY low cost professional development experience in your OWN home.
