RE: **No-Cost Extension-2016-2021 NCSIP Project**

This letter is to inform you that the US Department of Education (USED) has granted a No-Cost Extension (NCE) for the 2016-2021 State Personnel Development Grant. A No-Cost Extension (NCE) is an extension of the period of performance beyond the end date of the initial award. As long as activities are aligned with the 2016-2021 Grant application and implementation plan continue, no adjustments to budget or plan approval is required.

The initial period of performance and availability was October 1, 2016, through September 30, 2021. The extension period granted is October 1, 2021, through September 30, 2022. Funds must be encumbered by September 30, 2022 and expended/liquidated by December 30, 2022. There will be no automatic year end reversions (September 30, 2022) as in previous years. All funds received for the grant are available as indicated above.

We are aware that discrepancies with current balances for some Public-School Units (PSU), resulted in reversions previously this year. Those affected PSUs will have funds reconciled, as appropriate and should appear as available in PRC 82.

Questions regarding any of this information should be directed to Matt Hoskins (Matt.Hoskins@dpi.nc.gov) or Amanda Byrd (Amanda.Byrd@dpi.nc.gov).
