

Mann Rd. bridge replacement
On or after June 6

- Two-way detour
- One-way ramps
- Closure

This inset map shows the Mann Rd. bridge replacement project area. It includes a legend with three items: a green arrow for 'Two-way detour', a yellow arrow for 'One-way ramps', and a red line for 'Closure'. The map shows Mann Rd. running north-south, with a closure indicated by a red line. Detours are shown with green arrows: one going east on Thompson Rd. and another going west on High School Rd. and Mooreville Rd. Other roads shown include Kentucky Ave., Mann Rd., Mooreville Rd., High School Rd., and Thompson Rd. Highway shields for 67 and 465 are also present.

Local Road Closures

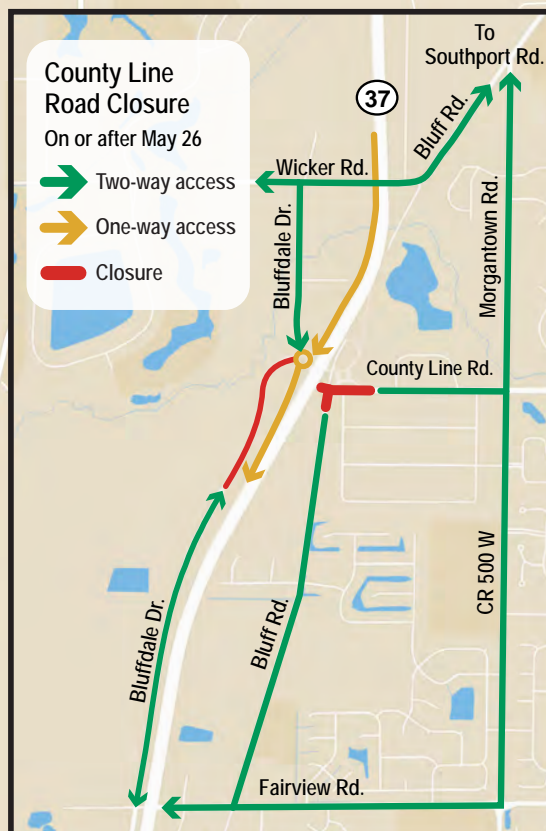

- Closed

This inset map shows local road closures. It includes a legend with one item: a red line for 'Closed'. The map shows a section of Belmont Ave. and Edgewood Ave. running north-south, with a closure indicated by a red line. Other roads shown include Concord St., Epler Ave., Kopetsky Dr., Banta Rd., and Southport Rd. Highway shields for 37 and 465 are also present.

County Line Road Closure
On or after May 26

- Two-way access
- One-way access
- Closure

This inset map shows the County Line Road Closure project area. It includes a legend with three items: a green arrow for 'Two-way access', a yellow arrow for 'One-way access', and a red line for 'Closure'. The map shows County Line Rd. running north-south, with a closure indicated by a red line. Detours are shown with green arrows: one going north on Bluff Rd. and another going south on Fairview Rd. Other roads shown include Wicker Rd., Bluffdale Dr., Bluff Rd., Morgantown Rd., CR 500 W, and Fairview Rd. Highway shields for 37 and 465 are also present.
