II. PUBLIC HEARINGS 1 - 5**1. Hearing on the Modification of the Diamond Bar Golf Course**

Hearing on the modification of the Diamond Bar Golf Course (4) by the San Gabriel Valley Council of Governments and the Los Angeles County Metropolitan Transportation Authority and find that the compensation offer of \$28,250,000, in exchange for 9.13 acres of park land is sufficient compensation to allow the County to acquire park land of comparable characteristics and of substantially equal size located in an area to serve generally the same persons as the original park land, plus the costs of developing the substitute park land, including acquiring substitute facilities of the same type and number, in compliance with Public Resources Code Section 5405; find that the 9.13 acres of the Diamond Bar Golf Course are not required for County use, and is exempt surplus land, as defined in Government Code Section 54221(f)(1)(D), in that it is surplus land that a local agency is transferring to another local, State or Federal agency for the agency's use; and determine that the recommended actions are within the scope of the impacts analyzed in the Mitigated Negative Declaration previously adopted by the Board on November 10, 2020 for the Diamond Bar Golf Course Renovation Project. **(Department of Parks and Recreation) 4-VOTES (21-3977)**

All persons wishing to testify were sworn in by the Executive Officer of the Board. Opportunity was given for interested persons to address the Board. Eric Preven addressed the Board. Correspondence was received.

After discussion, on motion of Supervisor Hahn, seconded by Supervisor Kuehl, the Board closed the public hearing and took the following actions:

- 1. Made a determination that the recommended actions are within the scope of the impacts analyzed in the Mitigated Negative Declaration previously adopted by the Board on November 10, 2020 for the Diamond Bar Golf Course Renovation Project;**
- 2. Made a finding that the compensation offer of \$28,250,000, in exchange for 9.13 acres of park land, is sufficient compensation to allow the County to acquire park land of comparable characteristics and of substantially equal size located in an area to serve generally the same persons as the original park land, plus the costs of developing the substitute park land, including acquiring substitute facilities of the same type and number, in compliance with Public Resources Code Section 5405;**

3. Made a finding that the 9.13 acres of the Diamond Bar Golf Course are not required for County use;
4. Made a finding that the transfer of the 9.13 acres of the Diamond Bar Golf Course is exempt surplus land, as defined in Government Code Section 54221(f)(1)(D), in that it is surplus land that a local agency is transferring to another local, State, or Federal agency for the agency's use;
5. Made a finding that a notice of intent to transfer the 9.13 acres was published on October 1, 2021 in the San Gabriel Valley Newspaper at least one week in advance of this action, pursuant to Government Code Section 6061;
6. Authorized the Director of Parks and Recreation to execute a purchase and sale agreement with the Los Angeles County Metropolitan Transportation Authority and/or San Gabriel Valley Council of Governments to transfer 9.13 acres of Diamond Bar Golf Course in exchange for \$28,250,000;
7. Authorized the Director of Parks and Recreation to post notices conspicuously at the exterior boundaries and entrances of Diamond Bar Golf Course in compliance with Public Resources Code Section 5406;
8. Authorized the Director of Parks and Recreation and the Chief Executive Officer to execute any other documents necessary to complete the transfer of real property, and any amendments;
9. Authorized the Director of Parks and Recreation to negotiate and execute:
 - a. The sale of a Footing Easements with Los Angeles County Metropolitan Transportation Authority and/or San Gabriel Valley Council of Governments;
 - b. Temporary Construction Licenses necessary for the Freeway Project for a period of up to seven years; and
 - c. Any other ancillary documentation or amendments, which are necessary to effectuate the Freeway Project;

10. Authorized the Director of Parks and Recreation to take all further actions necessary and appropriate to implement the terms and conditions of the various easements and licenses; and
11. Authorized the Director of Parks and Recreation to deposit proceeds from sale of the land, Footing Easements, and the temporary construction license into the Department of Parks and Recreation's Park Improvement Special Fund (CB1) to be used for future park land acquisitions and improvements.

Said motion was duly carried by the following vote:

Ayes: 5 - Supervisor Mitchell, Supervisor Kuehl, Supervisor Hahn, Supervisor Barger and Supervisor Solis

8. Increase Support for Undocumented Individuals and Immigrants Experiencing Homelessness

Recommendation as submitted by Supervisor Solis: Instruct the Executive Director of the Los Angeles Homeless Services Authority, in collaboration with the Executive Director of the Office of Immigrant Affairs within the Department of Consumer and Business Affairs, the Directors of Public Social Services, Health Services and Mental Health, the Interim Director of the Homeless Initiative, Chief Executive Office, and community and faith-based organizations that work with immigrants and undocumented individuals experiencing homelessness, to develop a plan to be issued in 90 days that will include policy recommendations to improve outreach and services to undocumented individuals experiencing homelessness including the following components:

Assessing the scope of the population of immigrants and undocumented people experiencing homelessness and how the homeless services system is currently serving this population;

Identifying gaps in homelessness prevention and homeless services that are accessible to undocumented people experiencing homelessness; and

Recommendations to better serve this population including, but not limited to the following:

Improving outreach to undocumented people experiencing homelessness, considering hours when outreach may be more effective, including the development of outreach materials for immigrants and service providers that describe the support services available to noncitizens and the immigration status restrictions, if any;

Improving bilingual and culturally competent services through partnerships with community-based organizations, interpreters and a multilingual workforce, also considering how to improve access to services in indigenous languages;

Reducing barriers to service access, including expansion of outreach to non-traditional homeless service connection points, including faith-based organizations, community clinics and other local institutions trusted within the undocumented community;

Trainings for the frontline workforce on how to effectively serve undocumented people experiencing homelessness by applying the immigrant equity lens to consider immigration status, cultural and language access concerns;

Strengthening linkages between the homeless services system and immigration legal services;

Improving access to housing resources for immigrants experiencing homelessness; and

State and Federal advocacy recommendations. (21-4020)

9. Permanent Support for Families Affected by Los Angeles County Sheriff's Department: Identifying Sustainable Funding for and Streamlining the Family Assistance Program

Recommendation as submitted by Supervisor Solis: Instruct the Inspector General, Executive Director of the Sheriff's Civilian Oversight Commission and the Director of Public Health through the Office of Violence Prevention (OVP), in consultation with other relevant County Departments, to develop an implementation plan, budget and timeline for a permanent Family Assistance Program (FAP), and report back to the Board in writing in 90 days including, but not limited to, the following:

A program design and implementation plan that involves the OVP, per the recommendations of the Inspector General, as the County Department to lead the FAP;

An annual budget that includes program funding, family support reimbursements, and a plan for issuing payments for services, including estimated costs for OVP administration, staffing and operational expenses, and recommendations on how the County could contract and partner with community-based service providers and organizations to implement direct service elements of the program including mental health first aid, grief counseling, system navigation and burial services; and

A tracking system to gather and synthesize data on the total number of families impacted by a death involving the Sheriff's Department and the FAP's provision of services, broken down as follows:

The number of families who have received assistance;

The number of families who have requested assistance, but requests were denied;

The total number of families that had an advocate present for next-of-kin notification;

The total number of families requesting financial assistance for burial costs;

The total number of families who received financial assistance for burial costs;

The average length of time from request for financial assistance to reimbursement;

Other relevant data to track the impact and outcomes of the program; and

In addition, instruct the Director of Mental Health to provide all data related to the usage of FAP to the Office of Inspector General, the Civilian Oversight Commission, OVP and those identified above, within 21 days;

A plan for processing and making payment on the requests for financial assistance for burial costs of all families eligible to receive it, and should, among other things ensure that payments are made to these families no later than 45 days after the request is made; a description of what funding, if any, is needed to ensure that administrative needs are met to ensure that payments are made to families within the 45-day timeline; and additional support and assistance, through the help of an FAP Peer Advocate or otherwise, should be provided to families to help them navigate the process of requesting funding in a timely manner;

Instruct the Executive Director of the Sheriff's Civilian Oversight Commission, Inspector General, OVP and other relevant County Departments, to engage with the community and community stakeholders for input on improving the FAP and include recommendations and suggestions in the implementation plan and the report back to the Board; and

Direct the Chief Executive Officer, in consultation with the Inspector General, Executive Director of the Sheriff Civilian Oversight Commission, and the OVP, to report back to the Board in writing in 90 days, identifying a sustainable, long-term funding source, such as Assembly Bill 109, Care First Community Investment and Net County Cost, to continue the FAP, once the new implementation plan is developed and approved by the Board, in addition, identify \$100,000 dollars in bridge funding and a temporary administrator of the funds to continue the program for affected families until the report back and a sustainable, long-term source of funding is identified in 45 days. (21-4026)

10. Los Angeles County Shelter Crisis Declaration

Recommendation as submitted by Supervisor Solis: Find that pursuant to Government Code Section 8698 et seq., a significant number of persons within the County are without the ability to obtain shelter, which has resulted in a threat to those persons' health and safety, and adopt a resolution declaring that the shelter crisis previously declared to exist within the County remains in effect for an additional year, during the period from November 2, 2021 through November 1, 2022; authorize the Chief Executive Officer to designate County public facilities for use as homeless shelters during the period of the declared shelter crisis; find that as a result of the Board's shelter-crisis declaration, pursuant to Government Code Section 8698.1, any State or local regulatory statute, regulation or ordinance prescribing standards of housing, health or safety, are hereby suspended for qualifying County public facilities serving as homeless shelters to the extent that strict compliance therewith would prevent, hinder or delay the County's efforts to mitigate the effects of the shelter crisis, and as previously authorized by the Board, the Chief Executive Officer has enacted alternative minimal health and safety standards pursuant to Government Code Section 8698.1(b) for qualifying facilities to be operative during the housing emergency; find that, pursuant to Government Code Section 8698.4, provisions of any housing, health, habitability,

planning and zoning or safety standards, procedures or laws, are hereby suspended for County homeless shelters insofar as the County has adopted the emergency housing provisions of the Los Angeles County Building Code (LACBC), consistent with ensuring minimal public health and safety and the requirements of Government Code Section 8698.4; instruct the Chief Executive Officer to take all appropriate steps to ensure compliance with the provisions of Government Code Section 8698.4 including, but not limited to, ensuring compliance with minimal public health and safety standards, filing a copy of the County's emergency housing provisions of the LACBC with the Department of Housing and Community Development (HCD) upon adoption of an ordinance subject to Government Code Section 8698.4, developing a plan (as described in Government Code Section 8698.4) to address the shelter crisis on or before July 1, 2022, filing an annual report by January 1 of each year to the Senate Committee on Housing and the Assembly Committee on HCD, and take any other actions consistent with and/or necessary for the implementation of the shelter crisis declaration and foregoing actions; and find that the proposed actions are either not subject to, or are exempt from the California Environmental Quality Act. (21-4023)

11. Rebuilding a County Workforce That Can Respond to the County's Complex Healthcare Needs

Revised recommendation as submitted by Supervisor Mitchell: Instruct the Directors of Public Health, Mental Health and Health Services, in coordination with the Director of Personnel and the Chief Executive Officer, to:

Report back to the Board in writing in 60 days on the number of budgeted vacant and funded vacant positions currently existing in each health Department, the number of filled positions in which employees are unable to fulfill critical job functions because of long-term leave or other factors and the impact that these vacancies are having on access to clinical, preventive and environmental health care and services and employee caseloads, including details on the impact that vacancies are having on access or appointment wait times for new and existing patients/clients and any budgeted vacancies that cannot currently be filled due to funding restrictions or other factors; and

Report back to the Board in writing in 90 days on a short-term and long-term health care workforce development plan that includes:

A recruitment and hiring plan for budgeted vacant positions, with special attention on those vacancies and hires that are in line with the Board's priorities and the relevant Departments' strategic plans;

Identification of the specific funding or administrative obstacles inhibiting the Departments' ability to fill already budgeted positions and recommendations to address those obstacles;

Recommendations to streamline and incentivize the County's hiring process, particularly with respect to critical vacancies, to better enable more expeditious and successful hires; and

Career paths for new candidates to enter the County's healthcare workforce, including opportunities to work with community colleges, adult schools, academic and training partners and industry partners to train and hire staff that reflects the diversity and lived experience of the clients and patients the County serves; and

Direct the Chief Executive Officer, through the Legislative Affairs and Intergovernmental Relations Division, to work with California Governor Gavin Newsom, the California Legislature and the State Department of Health and Human Services to pursue legislative and other strategies to address the healthcare workforce shortage. (21-4022)

This item was taken up with Item No. 20.

12. Providing Critical Assistance for Dominguez Channel Public Nuisance and Health Emergency Events

Revised recommendation as submitted by Supervisors Mitchell and Hahn: Acting as the County Flood Control District, find that the proposed actions are not a project or are exempt from the California Environmental Quality Act; and authorize and instruct the Director of Public Works to do the following:

Establish and implement a simplified and culturally and linguistically appropriate relief program to provide temporary aid to residents who are impacted by the Dominguez Channel Nuisance Event that provides impacted residents with the option of receiving reimbursement for the purchase of HEPA filters or filtration units or equivalent filtration units with activated charcoal (carbon) for HVAC systems and indoor air filters recommended by the Department of Public Health (DPH) with a reasonable limit per eligible household, or for renting a hotel room with a limit per eligible household of \$182 per day, plus a limit of \$66 per day for each person currently residing full time in the household for incidental expenses including, but not limited to, meals, with the program to be retroactively effective as of October 4, 2021;

Establish a means to timely deliver the necessary relief to persons for whom a reimbursement-based program will not suffice because of limited mobility, economic hardship, or other significant barriers; including the purchase and distribution of filters, filtration units or hotel rooms vouchers, by the Department of Public Works directly or through agreements with other agencies or organizations, with the program to be retroactively effective as of October 4, 2021;

In consultation with County Counsel, set program requirements to implement a reimbursement application process, set deadlines for submittal of applications and receipts, and extend or conclude the program as appropriate based on odor event impacts;

Enter into contracts, as needed, with a third-party administrator to administer the above programs, or coordinate with, and rely on, the Chief Executive Officer to enter into, utilize or amend contracts, as needed, with a third-party administrator to administer the above programs, and authorize the Chief Executive Officer to take such actions, as applicable;

Enter into cooperative agreements with affected cities to reimburse those cities for the purchase of HEPA filters, filtration units or other equipment for distribution to their residents consistent with the program requirements for

reimbursement established by the Director Public Works;

In consultation with the Chief Executive Officer, identify funding for the above program(s) and options to seek reimbursement from State and Federal funding sources; and

Report back to the Board in writing within 30 days on the status of the relief program(s), including the number of submitted reimbursement applications for equipment and relocation assistance, number of approvals and denials, and a breakdown on the average waiting time before reimbursement is received; and

In collaboration with the Fire Chief, continue to investigate this odor incident and report back to the Board in writing on a semi-monthly basis, on the cause, corrective action plan and any measures that can be implemented to prevent this type of incident from reoccurring; and

Instruct the Director of Public Health, in partnership with the Director of Public Works, to proactively provide relevant health information, information on the County's claims reimbursement process, technical assistance, and service referrals to particularly vulnerable communities, including homebound persons and non-English speaking communities, through both digital and non-digital methods of communication; and track the frequency and types of health symptoms being reported by affected residents, and coordinate with the Director of the South Coast Air Quality Management District and the Fire Chief to ensure adequate community air monitoring is being conducted to meet health assessment needs to protect residents, workers and students in the surrounding area. (21-4028)

18. Safely Reducing the Jail Population by Expanding the Community-Based System of Care for Cisgender Women, Two Spirit, Lesbian, Gay, Bisexual, Questioning, and Transgender, Gender Non-conforming and/or Intersex (2S-LGBQ+TGI) Individuals

Recommendation as submitted by Supervisors Kuehl and Mitchell: Instruct the Director of the Jail Closure Implementation Team (JCIT) to report back to the Board in 90 days and every 90 days thereafter, with updates on the status of the following directives:

In collaboration with the Director of Alternatives to Incarceration and the Director of the Office of Diversion and Re-Entry, work with the Gender Responsive Advisory Committee (GRAC) through the Director of Gender Responsive Services, to prioritize and implement those GRAC report recommendations that further the JCIT's mandate to decrease the jail population and close Men's Central Jail (MCJ) without a replacement and the County's mission to expand the community-based system of care for 2S-LGBQ+TGI people, including those individuals housed at Century Regional Detention Facility (CRDF) and in the K6G units at County facilities;

Develop a scope of work for a consultant from an academic research institution to complete an updated CRDF population study utilizing a racial equity lens, in addition, this analysis should also include the individuals housed in the K6G units in order to refine and update the prioritization

referred to above, as needed, according to the needs of those currently being held at CRDF and K6G units; and

Work with the Sheriff, through the Director of Gender Responsive Services and other relevant stakeholders, including the Director of Health Services, through its Director of Correctional Health Services, including and engaging people who are currently incarcerated, through the use of round table conversations, to prioritize and implement those recommendations from the GRAC report that promote gender-responsive, trauma-informed services and programming for individuals at CRDF and in K6G units who do not immediately qualify for release. 20. Enhancing Recruitment and Retention for Mental Health Field Positions

Recommendation as submitted by Supervisors Hahn and Barger: Instruct the Director of Mental Health and the Chief Executive Officer, in consultation with the Director of Personnel, to explore options to improve recruitment and retention of field-based mental health positions, and report back to the Board in 45 days with their analysis of each option's feasibility, such as the following:

Reclassifying positions and/or developing new classifications for mental health professionals and paraprofessionals (e.g. peer specialists) on Psychiatric Mobile Response Teams (PMRT), Mental Evaluation Teams (MET), Homeless Outreach and Mobile Engagement (HOME) teams and Full Service Partnership (FSP) teams;

Relaxing the background check requirements for individuals applying for peer specialist positions, recognizing that peers serve an important role on the path to treatment and recovery and that past criminal records should not prevent them from filling these roles;

Evaluating the Department of Mental Health's current efforts to reactivate the loan forgiveness program to address the shortage of psychiatrists willing to work in field-based positions in the public sector; and

Considering other financial incentives for positions on PMRT, MET, HOME and FSP teams to enhance recruitment, such as signing bonuses and hazard pay; and

Instruct the Director of Mental Health and the Chief Executive Officer report back to the Board in 60 days on best practices, including priority access to dedicated wellbeing resources for self-care, in other government departments who have successfully enhanced recruitment and retention strategies for mental health and behavioral health providers that the County could pursue; the possibility of contracting with community-based organizations to provide field-based services; and additional capacity, programmatic, or legislative barriers that limit or impede the County's ability to develop and expand mental health field-based programs and staff. 43-A. MacLaren Community Park Project - Adopt Mitigated Negative Declaration

Recommendation as submitted by Supervisor Solis: Consider the Mitigated Negative Declaration (MND) for the MacLaren Community Park Project, Capital Project No. 69953 (Project) located in the City of El Monte, together with any comments received during the public review process, find that the MND reflects the independent judgement and analysis of the Board and adopt the mitigation monitoring plan, finding that it is adequately designed to ensure compliance with the mitigation measures during Project implementation; find on the basis of the whole record before the Board that there is no substantial evidence the Project may have a significant effect on the environment, and adopt the MND; approve the Project, as revised; find that the portion of the MacLaren property proposed to be leased to the City of El Monte (City) for use by the City as a public park is exempt surplus land and therefore not subject to the requirements for the disposition of surplus land pursuant to the California Surplus Land Act; by unanimous vote, authorize the Chief Executive Officer to negotiate and execute a gratis long-term ground lease, with renewal options, with the City for the portion of the MacLaren site where the new park will be located, with the agreement of the City that it establish, operate and maintain a public park on the property; and authorize the Chief Executive Officer to negotiate and execute any ancillary documents and exhibits for transfer of the property to the City for public park purposes. **5-VOTES** (21-4068)

43-E. Pursue an Agreement with the Los Angeles County Metropolitan Transportation Authority (Metro) to Provide Mental Health Crisis Response

Revised recommendation as submitted by Supervisors Hahn and Solis: Instruct the Director of Mental Health, in coordination with County Counsel, to work with Metro in negotiating an agreement stipulating the responsibilities of the Department of Mental Health (DMH) and Metro in the execution and operation of co-response teams/psychiatric response team services, with the scope of work to be developed in partnership with and/or reviewed by Metro's Public Safety Advisory Committee; and authorize the Director of Mental Health to take the following actions:

Execute an agreement with Metro for a three-year term, with a six-year extension option, if necessary, fully funded by Metro; execute future amendments to the agreement to revise the language, including updates to reflect Federal, State and County regulatory and/or policy changes; revise the annual funding amount; add, delete, modify or replace the service exhibits and/or statements of work; and terminate the agreement with Metro in accordance with the termination provisions;

Accept funds from Metro upon execution of the agreement;

Explore the feasibility of using contracted providers/legal entities to operate additional psychiatric mobile response teams to meet the service needs of this agreement; solicit and execute, or amend, existing contracts for the provision of operation of co-response teams/psychiatric response team services in amounts not to exceed funding received from Metro for these services;

In coordination with the Chief Executive Officer, hire the necessary staff to develop and deploy a number of co-response teams/psychiatric response teams Countywide to provide the services as directed by the agreement with Metro; approve interim ordinance authority, pursuant to Section 6.06.020 of the County Code, for DMH to recruit and hire for the number of positions agreed upon in the agreement with Metro, subject to allocation by the Chief Executive Office's Classification and Compensation Division; and

Report back to the Board in 120 days on the status of the agreement, and in every Alternative Crisis Response quarterly report after the agreement is finalized on the hiring, operations and performance outcomes. (21-4065)
