Quick Facts

Participation

- A virtual group is one of several ways clinicians can participate in traditional MIPS.
- A virtual group is a combination of 2 or more TINs assigned to one or more solo practitioners and/or groups consisting of **10 or fewer clinicians** (including at least one MIPS eligible clinician).
- Virtual group eligibility for the 2023 performance year is based on data from the first 12-month segment (October 1, 2021 – September 30, 2022) of the MIPS Determination Period.
- For any solo practitioner or group that meets or exceeds at least 1 of the 3 low-volume threshold elements AND is included in a virtual group election, the virtual group election will serve as their election to opt-in to MIPS.
- We encourage solo practitioner and groups that are interested in participating as a virtual group to consider the questions in [Appendix A](#) **prior** to submitting an election.

Selecting Measures and Activities, and Collecting and Submitting Data

- A virtual group can choose from the same measures and activities and use the same submission types that are available to groups.
 - The 2022 performance year was the last year that the CMS Web Interface was an available collection and submission type for traditional MIPS.
- A virtual group will collect and report data for traditional MIPS at the virtual group level.
- Each virtual group must aggregate its data across the virtual group (all TINs within the virtual group) for each MIPS performance category that requires data submission.

Questions about participating in a virtual group?

Please reference the [2023 MIPS Performance Year Virtual Group Participation Overview Fact Sheet](#).

Did you know?

A virtual group can only report via [traditional MIPS](#). Virtual groups can't report via the [Alternative Payment Model \(APM\) Performance Pathway \(APP\)](#) or [MIPS Value Pathways \(MVPs\)](#) for the 2023 performance year.

Virtual Group Election Process

- The virtual group election period occurs from **Monday, October 3, 2022, to December 31, 2022**, and is a two-step process.
- To participate in traditional MIPS as a virtual group for the 2023 performance year, a virtual group election **must be made before the 2023 performance year starts**.
 - Therefore, a virtual group election must be made by **11:59 p.m. ET on December 31, 2022**.
 - After an election is made, a virtual group has until December 31, 2022, to **revise or retract** their virtual group election.
 - A virtual group election can't be revised or retracted once the performance year starts.
 - A virtual group must identify an official representative and establish a formal written agreement between each solo practitioner and/or group that composes the virtual group for a minimum of one performance year.
- An approved virtual group election will remain valid for the entire performance year, even if the virtual group's composition changes during the performance year.
 - If the virtual group experiences a **change** (i.e., clinicians (identified by their NPI) have left or joined a TIN within the virtual group) during the performance year, the virtual group's official representative must **notify** the [Quality Payment Program](#) of these changes by the end of the performance year.

Election Process

What Is the Election Process Like for Solo Practitioners and Groups Who Are Interested in Forming a Virtual Group?

- A virtual group election is a **two-step process** for solo practitioners and groups with 10 or fewer clinicians (including at least one MIPS eligible clinician) who want to form a virtual group. Virtual groups can submit an election during the election period from **October 3, 2022, to December 31, 2022, at 11:59 p.m. ET.**
- To participate in MIPS as a virtual group for the 2023 performance year, a virtual group election must be made before the start of the performance year, and the election can't be revised during the performance year.
- If a virtual group needs to **revise** their election or would like to **retract** their election, this must be done before the election period ends on **December 31, 2022, at 11:59 p.m. ET.**

Election Process

Where Should Solo Practitioners and Groups With 10 or Fewer Clinicians (With at Least One Being a MIPS Eligible Clinician) Interested in Joining or Forming a Virtual Group Start?

The following outlines the two-step process for joining or forming a virtual group.

STEP 1 (Optional)

- Check the **eligibility** for your TIN and determine if the TIN **meets the criteria** to join or form a virtual group.
- Although optional, we **strongly encourage** TINs interested in forming a virtual group to do this to determine if they **meet the criteria** to join or form a virtual group.

How Can Solo Practitioners and Groups Check Their Eligibility to Determine If They Meet the Virtual Group Criteria?

- Determine if a TIN meets the TIN size criteria to join or form a virtual group for the 2023 performance year by signing in to your account on the [Quality Payment Program website](#). If you have any questions, please contact the Quality Payment Program Service Center at 1-866-288-8292, Monday through Friday, 8 a.m. – 8 p.m. ET or by e-mail at: QPP@cms.hhs.gov. To receive assistance more quickly, please consider calling during non-peak hours—before 10 a.m. and after 2 p.m. ET. Customers who are hearing impaired can dial 711 to be connected to a TRS Communications Assistant.
- Once you determine that a TIN meets the size criteria, you can move forward onto the second step of the election process that's **required** to join or form a virtual group.
- Please reference the [2023 MIPS Performance Year Virtual Group Participation Overview Fact Sheet](#) for information on participation criteria.

What Does the Second Step of the Virtual Group Election Process Involve?

STEP 2 (Required)

The second step of the virtual group election process is **required** for solo practitioners and groups with 10 or fewer clinicians (with at least one being a MIPS eligible clinician) who are interested in forming or joining a virtual group.

During the **second required step**, you'll:

- Prepare for an election (i.e., budget your resources for the virtual group).
- Identify your official representative.
- Establish a formal written agreement between each solo practitioner and/or group within the virtual group.
- Submit the virtual group election via e-mail at MIPSVirtualGroups@cms.hhs.gov.

Remember: The virtual group election period is from **October 3, 2022, to December 31, 2022, at 11:59 p.m. ET.**

What Does the Second Step of the Virtual Group Election Process Involve? (Continued)

STEP 2 (Required) (Continued)

The following components are part of the second required step of the election process:

Identify Official Representative

Identify Your Official Virtual Group Representative

The official virtual group representative will be responsible for submitting the virtual group's election and serving as the virtual group's point of contact.

Formal Agreement

Have a Formal Written Agreement

Each virtual group is required to have a formal written agreement between each solo practitioner and group that composes the virtual group before an election is submitted.

Note: Virtual groups don't need to submit their formal written agreement to CMS as part of a virtual group election, but virtual groups must acknowledge in their election that they've established a formal written agreement.

Submit Virtual Group Election

Submit the Virtual Group's Election by the Election Submission Deadline

Each virtual group's official representative is responsible for submitting the virtual group's election via e-mail to CMS at MIPS_VirtualGroups@cms.hhs.gov during the election period, which is from **October 3, 2022, to December 31, 2022**. (Please note the underscore "_" after MIPS in the e-mail address.)

IMPORTANT: The virtual group election period ends at 11:59 p.m. ET on December 31, 2022.

What Does the Second Step of the Virtual Group Election Process Involve? (Continued)

STEP 2 (Required) (Continued)

The following components are part of the second required step of the election process:

Virtual Group Election is Approved or Denied

CMS Determines Eligibility for Submitted Virtual Group Elections

CMS conducts eligibility determinations for each TIN within a virtual group election to determine which TINs meet the TIN size criteria and low-volume threshold.

Notify CMS of Virtual Group Updates

Notify CMS of Changes to Virtual Group Composition and/or Information

If an **NPI joins** or **leaves** the TIN, or a **change** is made to a TIN that impacts the agreement (i.e., a legal business name change), a virtual group must update the agreement, and a virtual group's official representative must notify the [Quality Payment Program](#) of these changes.

If these changes occurred during:

- **The Virtual Group Election Period:** Contact the [Quality Payment Program](#) to revise your election before the election period ends on December 31, 2022, at 11:59 p.m. ET.
- **The 2023 Performance Year:** Contact the [Quality Payment Program](#) to provide the changes before the submission period opens in January of 2024.

To learn more about notifying the Quality Payment Program of changes, please review the [next steps](#) section.

What Does the Second Step of the Virtual Group Election Process Involve? (Continued)

What Needs to Be Included in a Virtual Group Agreement?

A virtual group arrangement must be established in a **formal written agreement** between each solo practitioner and group that composes a virtual group.

- A virtual group agreement must include **the 9 required elements** listed in the virtual group checklist available in [Appendix B](#) for your reference.
- A virtual group agreement template is available in [Appendix C](#) for you to reference as a guide when establishing your agreement.

The parties that must form a virtual group agreement are the TINs that make up the virtual group. The written virtual group agreement must identify all clinicians who bill under the TIN of a group that's in the virtual group and the agreement applies for the performance year.

What Information Must Be Included in a Virtual Group Election?

A sample election is available in [Appendix D](#) for you to reference when establishing your election.

- The virtual group election **must include** the following:

	<ul style="list-style-type: none"> • Identification of the <u>official virtual group representative</u>. <ul style="list-style-type: none"> — Provide the representative's name, TIN/practice affiliation, and contact information.
	<ul style="list-style-type: none"> • Identification and information on each TIN and NPI associated with the virtual group. <ul style="list-style-type: none"> — Provide the TIN and legal business name, as recorded in the Provider Enrollment, Chain, and Ownership System (PECOS), for each TIN. <ul style="list-style-type: none"> ○ For a TIN that's the Social Security Number (SSN) of a clinician, only include the last 6 digits of the SSN when you're submitting an election. • Include the name and NPI of the clinicians associated with each TIN.
	<ul style="list-style-type: none"> • Acknowledge that a <u>formal written agreement</u> has been established between each solo practitioner and group that composes a virtual group. <ul style="list-style-type: none"> — Note: Formal written agreements don't need to be submitted to CMS as part of the group election.

Next Steps

How Does a Virtual Group Update the Virtual Group Information Included in Their Election if Something Has Changed During the Election Period?

If there are any changes to the information that was included in your election, such as an **NPI joins or leaves the TIN** or a **change is made to a TIN that impacts the agreement** (i.e., a legal business name change), your virtual group's official representative must contact the Quality Payment Program by phone at 1-866-288-8292, Monday through Friday, 8 a.m. – 8 p.m. ET*, or by e-mail at: QPP@cms.hhs.gov regarding these changes in order to revise your election before the election period ends on December 31, 2022, at 11:59 p.m. ET.

A virtual group can **revise or retract** their election until the end of the election period on December 31, 2022, at 11:59 p.m. ET. After the election period closes, your group **can't** revise or retract your election and your election will remain valid for the entire performance year.

What Does a Virtual Group Do if Something Has Changed with Their Virtual Group After the Election Period Closes?

If there are any changes to your virtual group during the 2023 performance year (January 1, 2023, to December 31, 2023), such as an **NPI joins or leaves the TIN**, or a **change is made to a TIN that impacts the agreement** (i.e., a legal business name change), your virtual group's official representative must contact the [Quality Payment Program](#) to provide the changes before the **submission period opens** in January of 2024.

Note: An approved virtual group election will remain valid for the entire performance year, even if the virtual group's composition changes during the performance year.

For example, if a TIN within a virtual group has 10 NPIs at the start of the performance year, but an NPI joins the TIN during the performance year, such TIN would continue to be part of the virtual group even though it has 11 NPIs associated with the TIN. While the clinician composition of TINs that are part of a virtual group may change following an election, virtual groups can't add or remove TINs from the virtual group during the performance year.

To notify us of updates to your virtual group election, contact the Quality Payment Program at 1-866-288-8292, Monday through Friday, 8 a.m. – 8 p.m. ET* or via e-mail at QPP@cms.hhs.gov.

*To receive assistance more quickly, please consider calling during non-peak hours—before 10 a.m. and after 2 p.m. ET. Customers who are hearing impaired can dial 711 to be connected to a TRS Communications Assistant.

How Does CMS Evaluate a Virtual Group Election for the 2023 Performance Year?

After we receive a virtual group election via e-mail, we carefully review the virtual group election along with claims data from the first 12-month segment (October 1, 2021 – September 30, 2022) of the MIPS Determination Period to determine the eligibility of TINs identified in the virtual group election for the 2023 performance year.

Eligibility determinations are made to identify solo practitioners who exceed at least 1 of the 3 low-volume threshold criteria and groups that meet the TIN size and exceed at least 1 of the 3 low-volume threshold criteria.

How Are Virtual Groups Notified if Their Virtual Group Election Was Approved?

After we review a virtual group's election and determine that the virtual group meets the virtual group eligibility criteria, the virtual group is **approved** to participate in the 2023 MIPS performance year as an official virtual group.

We'll **notify** the virtual group's official representative by email of their official virtual group status and issue a unique virtual group identifier (Virtual Group ID – for example, X00037), which is a representation of the following:

NOTE: An approved virtual group election will remain valid for the entire performance year, even if the virtual group's composition changes during the performance year.

Virtual groups using a third party intermediary (i.e., Qualified Registries, Qualified Clinical Data Registries (QCDRs), and/or electronic health records (EHRs)) to submit their performance data must provide their Virtual Group ID to the third party intermediary.

- The third party intermediary will include the Virtual Group ID alone (for example, X00037) in the file submissions.
- Virtual groups that choose to administer the CAHPS for MIPS Survey must register and provide their Virtual Group ID (for example, X00037) during registration.
- The 2022 performance year was the last year that the CMS Web Interface was an available collection and submission type under traditional MIPS.

Appendix A: Forming a Virtual Group – Prep Questions

Did you know?

A virtual group can only report via [traditional MIPS](#). Virtual groups **can't** report via the [Alternative Payment Model \(APM\) Performance Pathway \(APP\)](#) or [MIPS Value Pathways \(MVPs\)](#) for the 2023 performance year.

Solo practitioners and groups interested in forming a virtual group are encouraged to **consider the following items** prior to submitting a virtual group election.

- How would the virtual group meet the requirements for each performance category?
- Are there operational elements that the virtual group would need to address to meet the reporting requirements for each performance category?
- Which measures and activities would the virtual group report?
- How would the virtual group collect and aggregate its data across the TINs within the virtual group?
- Which submission type(s) would the virtual group use?
- What health information technology is used by each TIN within the virtual group?
- What would be the resources and needs of the virtual group?
- How would the virtual group identify and share best practices used by TINs within the virtual group?
- What processes, workflows, and other tools would need to be established for the virtual group to prepare for reporting?
- How would each TIN within the virtual group share decision-making responsibility?
- Has the virtual group considered the development of a strategic plan and timeline?
- Has the virtual group determined if, how, and when TINs within the virtual group would be able to view quality data and/or data pertaining to the other 3 performance categories (in which case such permissibility could be established as a provision under the virtual group agreement)?

Appendix B: Virtual Group Agreement Checklist

CMS created a [Virtual Group Agreement Template](#) to serve as a template that could be used by virtual groups. Virtual groups can add elements to the agreement that would meet the needs of the virtual group.

The following are the required elements of a formal written agreement between each solo practitioner and group that composes a virtual group:

- Identifies the parties to the agreement by the name of the party, TIN, and NPI, and includes as parties to the agreement only the groups and solo practitioners that compose the virtual group.
- Requires that each TIN within a virtual group notify all NPIs associated with the TIN of their participation in MIPS as a virtual group.
- Is executed on behalf of each party by an individual who is authorized to bind the party.
- Expressly requires each member of the virtual group (and each NPI under each TIN in the virtual group) to participate in MIPS as a virtual group and comply with the requirements of MIPS and all other applicable laws and regulations (including, but not limited to, federal criminal law, False Claims Act, anti-kickback statute, civil monetary penalties law, the Health Insurance Portability and Accountability Act of 1996, and physician self-referral law).
- Sets forth the NPI's rights and obligations in, and representation by, the virtual group, including without limitation, the reporting requirements and how participation in MIPS as a virtual group affects the ability of the NPI to participate in MIPS outside of the virtual group.
- Describes how the opportunity to receive payment adjustments will encourage each member of the virtual group (and each NPI under each TIN in the virtual group) to adhere to quality assurance and improvement.
- Requires each party in the agreement to update its Medicare enrollment information, including the addition and deletion of NPIs billing through its TIN, on a timely basis in accordance with Medicare program requirements and to notify the virtual group representative of any such changes within 30 days after the change.
- Is for a term of at least one performance year as specified in the formal written agreement.
- Requires completion of a close-out process upon termination or expiration of the agreement that requires each party to the virtual group agreement to furnish, in accordance with applicable privacy and security laws, all data necessary in order for the virtual group to aggregate its data across the virtual group.

Appendix C: Virtual Group Agreement Template

The virtual group agreement is valid for at least one performance year.

Requires completion of a close-out process upon termination or expiration of the agreement.

Identifies parties that are subject to the agreement by name of party, TIN, and NPI.

NOTE: Each TIN within a virtual group must notify all NPIs associated with that TIN of their participation in MIPS as a virtual group.
