L-0970: All-Hazards Position Specific Supply Unit Leader Course

Course Description: This course helps participants establish the essential core competencies required for performing the duties of the Supply Unit Leader (SPUL) in an all-hazards incident. By requiring participants to bring jurisdiction-specific information to the instruction, the course provides a realistic, hands-on approach to mastering the skills of an SPUL organized by the fundamental steps of the ordering process. Participants identify information required for ordering, as well as complete required forms and documentation related to ordering, and anticipate ordering and supply needs for the incident. In addition to the ordering process, the course discusses mobilization, setting up and managing the Supply Unit, and demobilization.
