Signal Upgrades

Signal Upgrades: Increase safety and reliability with modernized signals

- ✓ **This Week** | Work is currently on hold until further notice due to prioritization of other work and MBTA Right-of-Way access constraints

Codman Yard Expansion and Improvements

[Codman Yard Expansion and Improvements](#): Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews continued installing permanent sewer and water systems to the Resident Engineer trailers. Crews excavated for upcoming ductbank placement
- **Lookahead** | Crews will excavate trenches for traction power ductbanks that will be installed under the new storage tracks. The ductbanks provide a protected pathway for buried electrical cables from the substation to the third rail
