Eligible Areas

Block Group Specific Projects [2]

Projects with Community-Wide Benefit [3]

Dutchess County Department of Plannning & Development
Census Data 2011-2015 ACS
July 2019

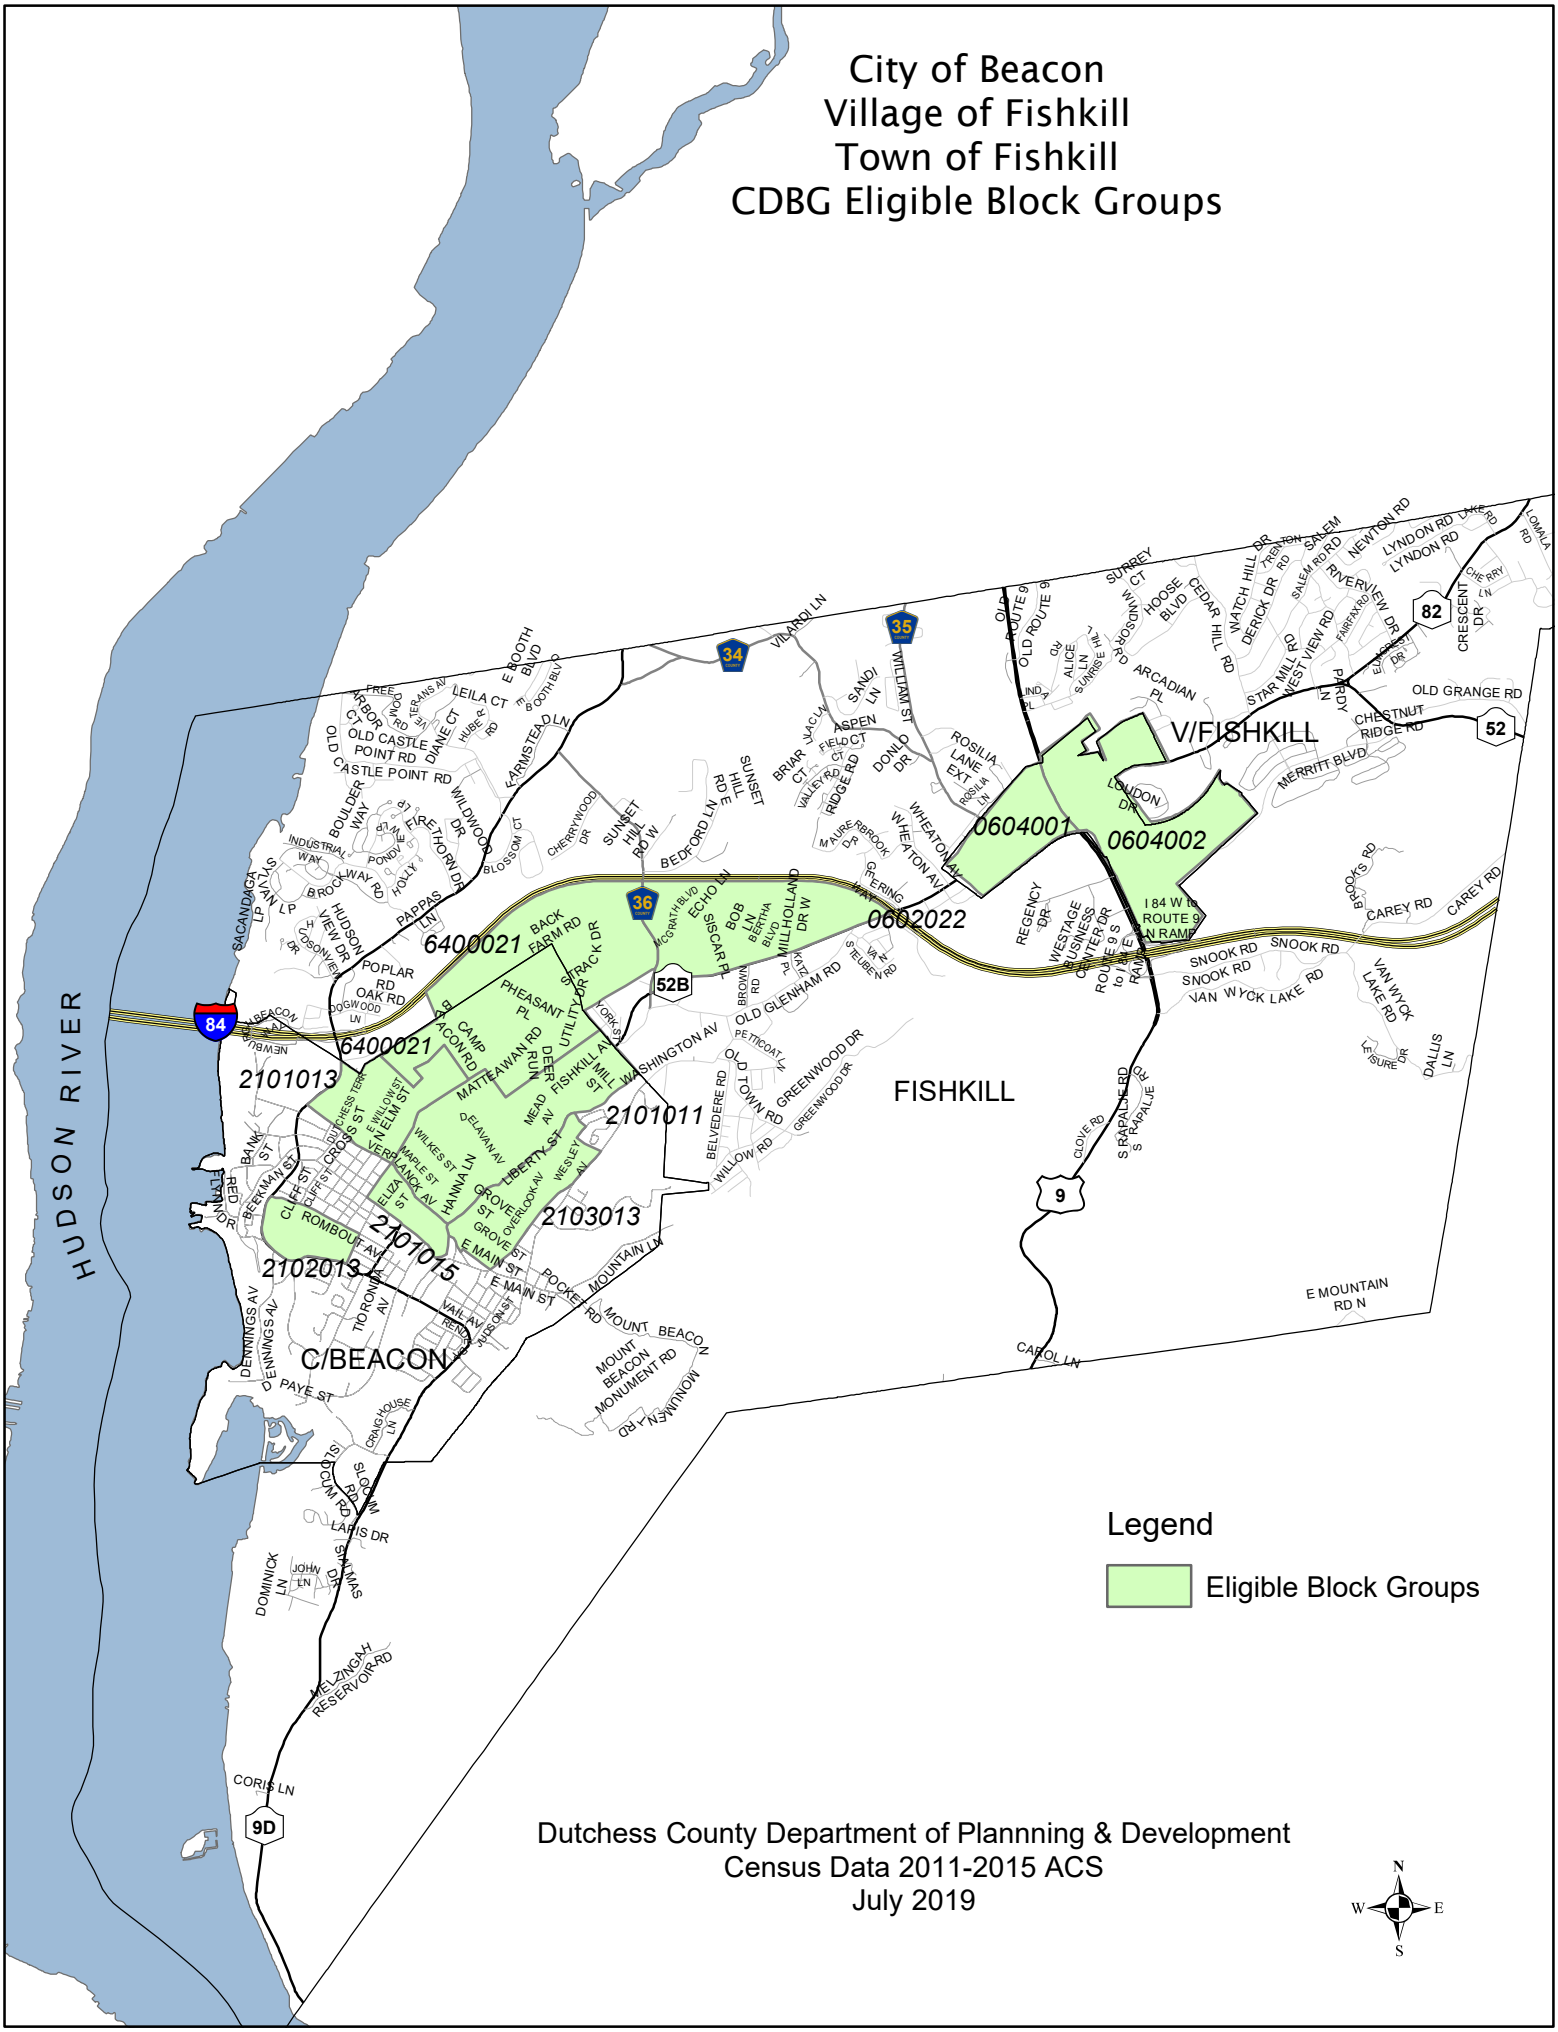

1 - In addition to being in an eligible area, projects may qualify if they primarily serve people HUD presumes are low and moderate income.

2 - Project must be located in AND primarily benefit the block group in which it is located.

3 - Projects that benefit the entire municipality are eligible, and may not need to be located in an eligible block group.
