

Project Overview

Purpose

The Cook County Department of Transportation and Highways in partnership with IDOT, Lake County, and the villages of Buffalo Grove and Wheeling are embarking on a major roadway improvement project taking place on Lake Cook Road. The significance of this project is highlighted in Cook County's 2019-2024 Proposed Transportation Improvement Program, as a critical expansion project.

The purpose of the improvement project is to alleviate congestion and increase safety along this main east-west roadway. The project will widen this heavily traveled corridor, adding an additional lane in each direction and dedicated turn lanes at each intersection to improve traffic flow.

Vital roadway for an average

40,000 

vehicles per day between neighborhoods and commercial centers

Where is the project located?

The proposed improvements will begin at the intersection of Lake Cook Road and Raupp Boulevard and extend 1.5 miles east to Hastings Lane. Additional improvements will occur along Buffalo Grove Road, McHenry Road (IL Route 83), and Weiland Road as part of this project.

Cook County has secured

**\$22 million in federal grants
and \$6 million in funding**

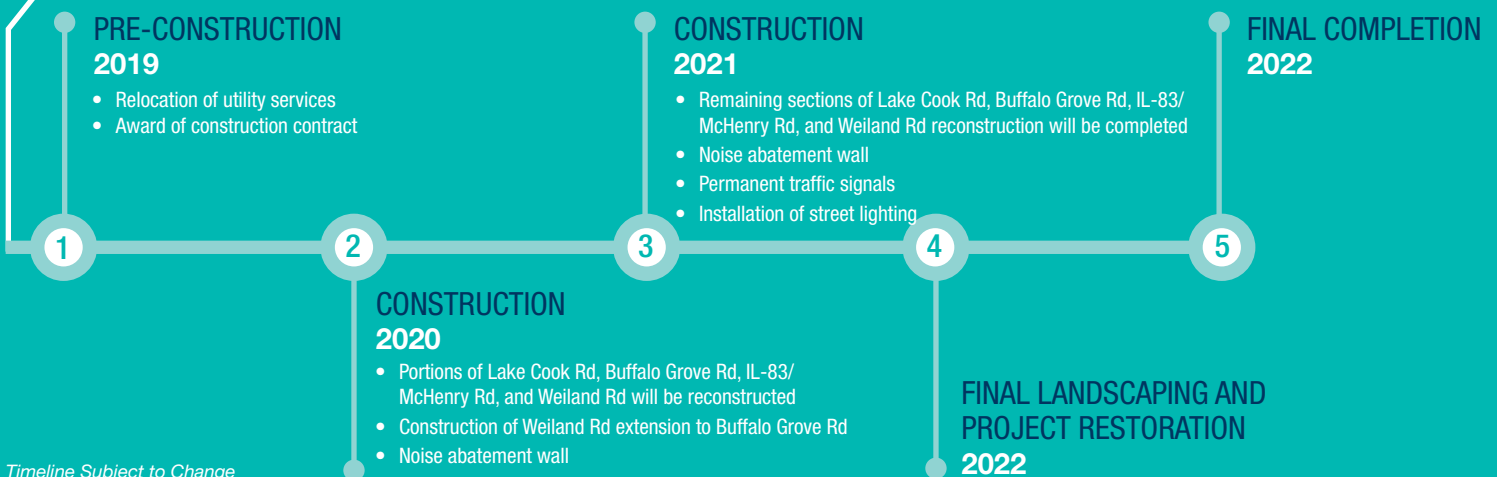

by partners to deliver this project

Traffic Impact

Throughout the duration of the project, various traffic staging will result in the reduction of travel lanes through the project site. Motorists are advised to drive carefully and expect delays or seek alternate routes in order to avoid construction.

Project Completion Timeline

Honorable Toni Preckwinkle
President, Cook County
Board of Commissioners

John Yonan, P.E., Superintendent
Department of Transportation & Highways

R.W.
DUNTEMAN CO.
Since 1927

Construction Chief Engineer - Holly A. Cichy, P.E.
Construction Area Supervising Engineer - Aaron Lebowitz, P.E.
Project Resident Engineer - Chris Pieper, P.E.

Improvement Project Benefits

Improve Traffic Flow

Decrease Congestion

Traffic Signal
Improvements

Bicycle and Pedestrian
Sidewalk Improvements

Improve Air Quality due to
Reduced Vehicle Emissions

Increase Safety with
LED Street Lighting

New Storm
Water System

Beautification with
New Landscaping

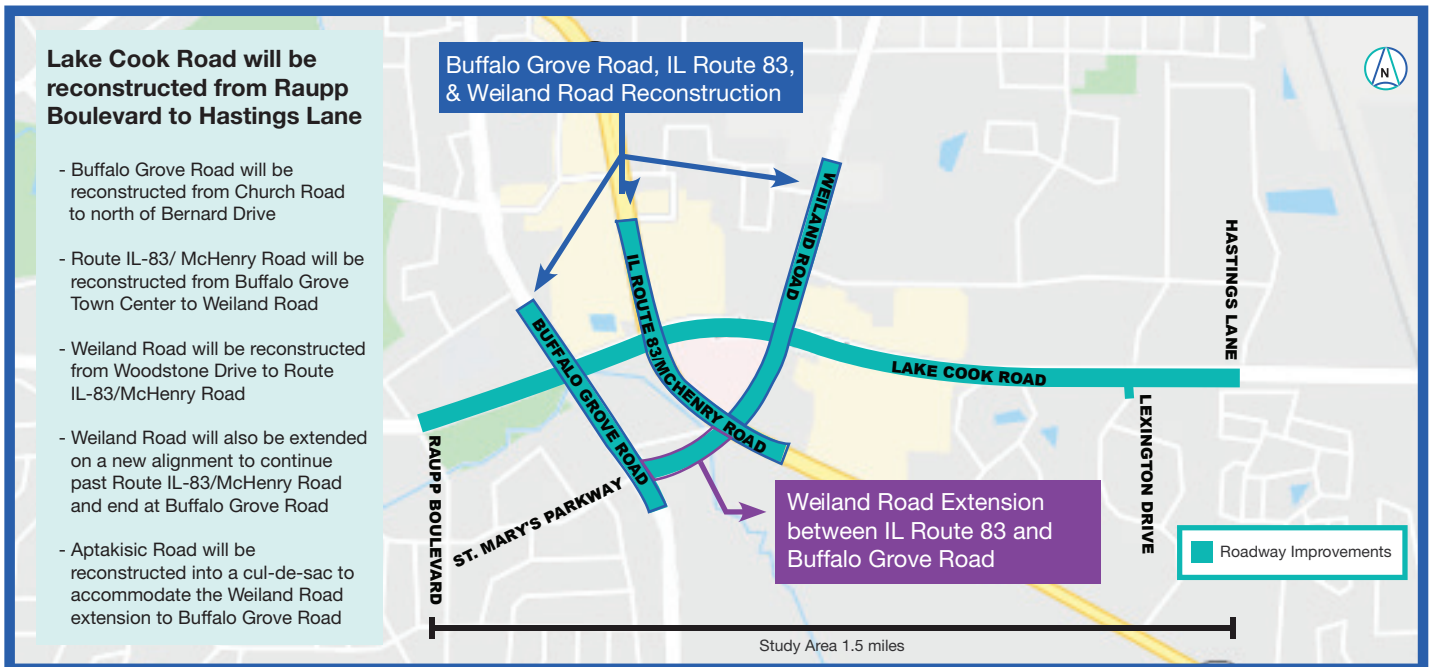

ADA* Compliant Crosswalks
at all Intersections

*Americans with Disabilities Act

Project Location Map

Lake Cook Road marks the border of two of Illinois' most populous counties - Lake and Cook - and expands across two villages - Buffalo Grove and Wheeling.
