

# THE PEOPLE'S MAPS COMMISSION

Join the Commissioners for a virtual conversation with the following speakers.  
Public testimony will also be given.

**Thursday, Jan. 28th**  
**5:30pm-8:30pm**

**KATIE FAHEY**  
Founder/Executive Director  
The People

Fahey leads The People in its mission to empower individuals to get involved in the political process. Previously, Katie was the Executive Director of Voters Not Politicians, where she led over 14,000 volunteers across Michigan to pass a ballot proposal with 61% of the vote that made political gerrymandering illegal.

**MICHAEL LI**  
Senior Counsel  
The Brennan Center's Democracy Program

Li serves as senior counsel for the Brennan Center's Democracy Program, where his work focuses on redistricting, voting rights, and elections. Prior to joining the Brennan Center, Li practiced law at Baker Botts L.L.P. in Dallas for ten years.

In addition to his election law work, Li previously served as executive director of Be One Texas, a donor alliance that oversaw strategic and targeted investments in nonprofit organizations working to increase voter participation and engagement in historically disadvantaged African American and Hispanic communities in Texas.

## Working together to create fair, impartial maps.
