

VIRTUAL EXPLORING ENERGY PROGRAM

IPAA/PESA ENERGY EDUCATION CENTER

Energy Industry Tours and Video Presentations FOR HIGH SCHOOL STUDENTS

The energy industry wants to provide helpful content to students and teachers throughout the school year. Therefore, we have compiled a series of **videos** from energy companies that can be accessed from home or school. These are available to any high school teacher with students interested in **STEM** and/or the **energy industry**.

► **FOR TEACHERS** Fill out and submit the **Teacher Incentive Form** to apply. The first 50 teachers who apply and agree to assign 100 students to watch 5 videos will receive a **\$75 Amazon gift card**.

Careers that interest students:

engineering
landman
geologist
supply chain management
business
business development
chemist
rig worker
environmental and regulatory specialist
leadership
cybersecurity
data analytics
IT specialist
technician roles

► **FOR STUDENTS VIDEO and/or ESSAY CONTEST** (choose one or both!)

- **Submit a video** (max 1 minute) or **essay** (300-500 words) describing what you learned from **watching the 5 energy videos** and how you can apply what you learned to help you through high school and beyond.
- Include the following information in your submission: name, school, grade level, and school district (if applicable).
- Submission type: preferred video format is .mp4; essay format is Word document.
- Be sure to have **good lighting** when recording your video.
- **Be creative!** The top 3 submissions for each contest will be awarded a **\$300 Amazon gift card**.
- Send submissions to Sarah Hewitt, shewitt@ipaa.org along with the **student entry form**. Entry form **must** be submitted, or it will not be judged.
- Title your email: **'IPAA/PESA Exploring Energy Contest: Your Name'**.
- Submissions due by May 21, 2021.
