FREE VIRTUAL SUMMER LAB SESSIONS 2021

The Biogen Community Lab and Lemelson-MIT Group invite you to participate in:

Biogen-MIT Biotech in Action: Virtual Summer Lab

This two-week long virtual program will provide students with the opportunity to expand their knowledge and skills in STEM, while getting a real inside view of what it is like to work for a biotech company. Students will use virtual labs, online learning and conferencing software, and real-time conversations with employees of both Biogen and MIT to learn all about biotechnology and invention with a focus on Alzheimer's disease.

Open to all high school students currently in 9th - 12th grade. Priority will be given to students from low-income households and groups historically underrepresented in science.

VIRTUAL SESSIONS:

Session 1: June 21st – July 2nd

Session 2: July 12th – July 23rd

Session 3: July 26th – August 6th

Session 4: August 9th – August 20th

Each session meets daily from 9 A.M. to 1 P.M. EST

COST IS FREE!

Materials will be provided by Biogen and Lemelson-MIT.
