

## WSSU Intensive Chinese Language and Culture Program, Summer 2021

### Theme: Let's Go to China

Join us for an exciting 15-day intensive on-line program to learn Mandarin language and Chinese culture!

The WSSU STARTALK Intensive Chinese Summer Program provides national standards-based language and culture instruction, preparing the young generation with essential and critical language skills for an ever-changing world. Students will virtually explore three cities in China (Beijing, Chengdu and Fuzhou) to learn about language functions related to travel and food, and cultures about the geography, the local attractions, people and community, important holidays and cultural events of China.

A total of 40 students (30 high school and 10 college students) will be accepted into the tuition-free program. No prior Chinese language experience is necessary. The deadline to apply is April 15, 2021.
