Stronger Together

SAN DIEGO, CA • 11 MARCH 2021 • 1000 PST

Stream the 2021 State of the Coast Guard address LIVE or recorded on <https://www.uscg.mil/AlwaysReady> and on Facebook at @USCoastGuard

The theme of this year's SOTCG is "Stronger Together". Join us from locations around the world for the SOTCG 2021. We may be physically distant but we are all part of the Coast Guard Community. Whether you are responsibly gathered with your coworkers or working remotely we hope you join the conversation. Host or attend a watch party or "watch from home" party. Units can host follow-on All-Hands virtually or in-person with appropriate precautions. Encourage viewers to post real-time photos and feedback from their engagement to the **Vice Commandant's Twitter account, @VComdtUSCG**, using **#CoastGuard2021** or **#StrongerTogether**
