20 (1) The secretary shall promulgate comprehensive administrative regulations for the

- 22 (a) Applications and examinations;
- 23 (b) Certification and selection of eligibles;
- 24 (c) Classification and compensation plans;
- 25 (d) Incentive programs;
- 26 (e) Lay-offs;
- 27 (f) Registers;

- 1 (g) Types of appointments;
- 2 (h) Attendance; hours of work; compensatory time; annual, court, military, sick,
3 voting, living organ donor, and special leaves of absence, provided that the
4 secretary shall not promulgate administrative regulations that would reduce
5 the rate at which employees may accumulate leave time below the rate
6 effective on December 10, 1985; and
- 7 (i) Employee evaluations.
- 8 (2) The secretary shall promulgate comprehensive administrative regulations for the
9 unclassified service.
- 10 (3) (a) Except as provided by KRS 18A.355, the secretary shall not promulgate
11 administrative regulations that would reduce an employee's salary; and
- 12 (b) As provided by KRS 18A.0751(4)(e), the secretary may submit a proposed
13 administrative regulation providing for an initial probationary period in excess
14 of six (6) months to the board for its approval.
- 15 (4) The secretary may promulgate administrative regulations to implement state
16 government's affirmative action plan under KRS 18A.138.
- 17 (5) (a) The administrative regulations shall comply with the provisions of this chapter
18 and KRS Chapter 13A, and shall have the force and effect of law after
19 compliance with the provisions of KRS Chapters 13A and 18A and the
20 procedures adopted thereunder;
- 21 (b) Administrative regulations promulgated by the secretary shall not expand or
22 restrict rights granted to, or duties imposed upon, employees and
23 administrative bodies by the provisions of this chapter; and
- 24 (c) No administrative body other than the Personnel Cabinet shall promulgate
25 administrative regulations governing the subject matters specified in this
26 section.
- 27 (6) Prior to filing an administrative regulation with the Legislative Research

1 Commission, the secretary shall submit the administrative regulation to the board
2 for review.

3 (a) The board shall review the administrative regulation proposed by the secretary
4 not less than twenty (20) days after its submission to it;

5 (b) Not less than five (5) days after its review, the board shall submit its
6 recommendations in writing to the secretary;

7 (c) The secretary shall review the recommendations of the board and may revise
8 the proposed administrative regulation if he deems it necessary; and

9 (d) After the secretary has completed the review provided for in this section, he
10 may file the proposed administrative regulation with the Legislative Research
11 Commission pursuant to the provisions of KRS Chapter 13A.

12 (7) The administrative regulations shall provide:

13 (a) For the preparation, maintenance, and revision of a position classification plan
14 for all positions in the classified service, based upon similarity of duties
15 performed and responsibilities assumed, so that the same qualifications may
16 reasonably be required for, and the same schedule of pay may be equitably
17 applied to, all positions in the same class. The secretary shall allocate the
18 position of every employee in the classified service to one (1) of the classes in
19 the plan. The secretary shall reallocate existing positions, after consultation
20 with appointing authorities, when it is determined that they are incorrectly
21 allocated, and there has been no substantial change in duties from those in
22 effect when such positions were last classified. The occupant of a position
23 being reallocated shall continue to serve in the reallocated position with no
24 reduction in salary;

25 (b) For a pay plan for all employees in the classified service, after consultation
26 with appointing authorities and the state budget director. The plan shall take
27 into account such factors as:

- 1 1. The relative levels of duties and responsibilities of various classes of
- 2 positions;
- 3 2. Rates paid for comparable positions elsewhere taking into consideration
- 4 the effect of seniority on such rates; and
- 5 3. The state's financial resources.

6 Amendments to the pay plan shall be made in the same manner. Each

7 employee shall be paid at one (1) of the rates set forth in the pay plan for the

8 class of position in which he is employed, provided that the full amount of the

9 annual increment provided for by the provisions of KRS 18A.355, and the full

10 amount of an increment due to a promotion, salary adjustment,

11 reclassification, or reallocation, shall be added to an employee's base salary or

12 wages;

13 (c) For open competitive examinations to test the relative fitness of applicants for

14 the respective positions. The examinations shall be announced publicly and

15 applications accepted at least ten (10) days prior to certification of a register,

16 and may be advertised through the press, radio, and other media. The secretary

17 shall continue to receive applications and examine candidates on a continuous

18 basis long enough to assure a sufficient number of eligibles to meet the needs

19 of the service. Except as provided by this chapter, he shall add the names of

20 successful candidates to existing eligible lists in accordance with their

21 respective ratings. The secretary shall be free to use any investigation of

22 education and experience and any test of capacity, knowledge, manual skill,

23 character, personal traits, or physical fitness, which in his judgment, serves the

24 need to discover the relative fitness of applicants;

25 (d) As provided by this chapter, for the establishment of eligible lists for

26 appointment, upon which lists shall be placed the names of successful

27 candidates in the order of their relative excellence in the respective

- 1 examinations. Except as provided by this chapter, an eligible's score shall
2 expire automatically one (1) year from the date of testing, unless the life of the
3 score is extended by action of the secretary for a period not to exceed one (1)
4 additional year. Except for those individuals exercising reemployment rights,
5 all eligibles may be removed from the register when a new examination is
6 established;
- 7 (e) For the rejection of candidates or eligibles who fail to comply with reasonable
8 requirements of the secretary in regard to such factors as age, physical
9 condition, training, and experience, or who have attempted any deception or
10 fraud in connection with an examination;
- 11 (f) Except as provided by this chapter, for the appointment of a person whose
12 score is included in the five (5) highest scores earned on the examination;
- 13 (g) For annual, sick, and special leaves of absence, with or without pay, or
14 reduced pay, after approval by the Governor as provided by KRS
15 18A.155(1)(d);
- 16 (h) For lay-offs, in accordance with the provisions of KRS 18A.113, 18A.1131,
17 and 18A.1132, by reasons of lack of work, abolishment of a position, a
18 material change in duties or organization, or a lack of funds;
- 19 (i) For the development and operation of programs to improve the work
20 effectiveness of employees in the state service, including training, whether in-
21 service or compensated educational leave, safety, health, welfare, counseling,
22 recreation, employee relations, and employee mobility without written
23 examination;
- 24 (j) For a uniform system of annual employee evaluation for classified employees,
25 with status, that shall be considered in determining eligibility for discretionary
26 salary advancements, promotions, and disciplinary actions. The administrative
27 regulations shall:

- 1 1. Require the secretary to determine the appropriate number of job
2 categories to be evaluated and a method for rating each category;
- 3 2. Provide for periodic informal reviews during the evaluation period
4 which shall be documented on the evaluation form and pertinent
5 comments by either the employee or supervisor may be included;
- 6 3. Establish a procedure for internal dispute resolution with respect to the
7 final evaluation rating;
- 8 4. Permit a classified employee, with status, who receives either of the two
9 (2) lowest possible evaluation ratings to appeal to the Personnel Board
10 for review after exhausting the internal dispute resolution procedure.
11 The final evaluation shall not include supervisor comments on ratings
12 other than the lowest two (2) ratings;
- 13 5. Require that an employee who receives the highest possible rating shall
14 receive the equivalent of two (2) workdays, not to exceed sixteen (16)
15 hours, credited to his or her annual leave balance. An employee who
16 receives the second highest possible rating shall receive the equivalent
17 of one (1) workday, not to exceed eight (8) hours, credited to his or her
18 annual leave balance; and
- 19 6. Require that an employee who receives the lowest possible evaluation
20 rating shall either be demoted to a position commensurate with the
21 employee's skills and abilities or be terminated; and
- 22 (k) For other administrative regulations not inconsistent with this chapter and
23 KRS Chapter 13A, as may be proper and necessary for its enforcement.
- 24 (8) For any individual hired or elected to office before January 1, 2015, and paid
25 through the Kentucky Human Resources Information System, the Personnel Cabinet
26 shall not require payroll payments to be made by direct deposit or require the
27 individual to use a Web-based program to access his or her salary statement.

1 (9) To the extent that Sections 3 and 5 of this Act, KRS 16.010 to 16.199, and
2 administrative regulations promulgated by the commissioner of the Department of
3 Kentucky State Police under authority granted in KRS Chapter 16 conflict with this
4 section or any administrative regulation promulgated by the secretary pursuant to
5 authority granted in this section, the provisions of KRS Chapter 16 shall prevail.

6 ➔Section 8. KRS 61.565 is amended to read as follows:

7 (1) (a) Each employer participating in the State Police Retirement System as
8 provided for in KRS 16.505 to 16.652 and the Kentucky Employees
9 Retirement System as provided for in KRS 61.510 to 61.705 shall contribute
10 annually to the respective retirement system an amount determined by the
11 actuarial valuation completed in accordance with KRS 61.670 and as specified
12 by this section. Employer contributions for each respective retirement system
13 shall be equal to the sum of the "normal cost contribution" and the "actuarially
14 accrued liability contribution."

15 (b) For purposes of this section, the normal cost contribution shall be computed as
16 a percentage of pay and shall be an annual amount that is sufficient when
17 combined with employee contributions to fund benefits earned during the year
18 in the respective system. The amount shall be:

- 19 1. Paid as a percentage of creditable compensation reported for each
20 employee participating in the system and accruing benefits; and
- 21 2. The same percentage of pay for all employees who are participating in
22 the same retirement system, except that separate percentage rates shall
23 be developed in each system for those employers whose employees are
24 participating in hazardous duty retirement coverage as provided by KRS
25 61.592.

26 (c) For purposes of this section, the actuarially accrued liability contribution for
27 all employers, except for contributions paid by nonhazardous employers in the

1 Kentucky Employees Retirement System on or after July 1, 2021, shall be:

- 2 1. Computed by amortizing the total unfunded actuarially accrued liability
3 of each system over a closed period of thirty (30) years beginning with
4 the 2019 actuarial valuation using the level percentage of payroll
5 amortization method, except that any increase or decrease in the
6 unfunded actuarially accrued liability occurring after the completion of
7 the 2019 actuarial valuation shall be amortized over a closed period of
8 twenty (20) years beginning with the actuarial valuation in which the
9 increase or decrease in the unfunded actuarially accrued liability is
10 recognized. An increase or decrease in the unfunded actuarially accrued
11 liability may result from, but not be limited to, legislative changes to
12 benefits, changes in actuarial methods or assumptions, or actuarial gains
13 or losses;
 - 14 2. Paid as a percentage of payroll on the creditable compensation reported
15 for each employee participating in the system and accruing benefits; and
 - 16 3. The same percentage of pay for all employees who are participating in
17 the same retirement system, except that separate percentage rates shall
18 be developed in each system for those employers whose employees are
19 participating in hazardous duty retirement coverage as provided by KRS
20 61.592.
- 21 (d) 1. For purposes of this section, the actuarially accrued liability contribution
22 for nonhazardous employers in the Kentucky Employees Retirement
23 System on or after July 1, 2021:
- 24 a. Shall be an annual dollar amount that is sufficient to amortize the
25 total unfunded actuarially accrued liability of the system over a
26 closed period of thirty (30) years beginning with the 2019 actuarial
27 valuation using the level percentage of payroll amortization

1 method, except that any increase or decrease in the unfunded
2 actuarially accrued liability occurring after the completion of the
3 2019 actuarial valuation shall be amortized over a closed period of
4 twenty (20) years beginning with the actuarial valuation in which
5 the increase or decrease in the unfunded actuarially accrued
6 liability is recognized. An increase or decrease in the unfunded
7 actuarially accrued liability may result from but not be limited to
8 legislative changes to benefits, changes in actuarial methods or
9 assumptions, or actuarial gains or losses;

- 10 b. Shall be prorated to each individual nonhazardous employer in the
11 Kentucky Employees Retirement System by multiplying the annual
12 dollar amount of the actuarially accrued liability contribution for
13 the system as determined by subdivision a. of this subparagraph by
14 the individual employer's percentage of the system's total
15 actuarially accrued liability as of the June 30, 2019, actuarial
16 valuation which shall be determined solely by the system's
17 consulting actuary and assigned to each employer based upon the
18 last participating employer of the member or retiree as of June 30,
19 2019. The individual employer's percentage of the system's total
20 actuarially accrued liability as of the June 30, 2019, actuarial
21 valuation shall be used to determine the individual employer's
22 prorated dollar amount of the system's actuarially accrued liability
23 contribution in all future fiscal years of the amortization period or
24 periods, except that the employer's percentage shall be adjusted to
25 reflect any employer who voluntarily or involuntarily ceases
26 participation as provided by KRS 61.522 and except as provided
27 by subparagraphs 4. and 5. of this paragraph. For purposes of this

1 subdivision, all executive branch departments, program cabinets
2 and their respective departments, and administrative bodies
3 enumerated in KRS 12.020, and any other executive branch
4 agencies administratively attached to a department, program
5 cabinet, or administrative body enumerated in KRS 12.020, shall
6 be considered a single individual employer and only one (1) value
7 shall be computed for these executive branch employers. For
8 purposes of this subdivision, all employers of the legislative
9 branch, including the Legislative Research Commission and the
10 General Assembly that covers legislators and staff who participate
11 in the Kentucky Employees Retirement System, shall be
12 considered a single individual employer and only one (1) value
13 shall be computed for these employers. For purposes of this
14 subdivision, all employers of the judicial branch, including the
15 Administrative Office of the Courts, the Judicial Form Retirement
16 System, and all master commissioners, shall be considered a single
17 individual employer and only one (1) value shall be computed for
18 these employers;

19 c. Shall be payable by an individual employer in equal monthly dollar
20 installments during the fiscal year in accordance with the reporting
21 requirements specified by KRS 61.675 so that the individual
22 employer pays its full prorated dollar amount of the actuarially
23 accrued liability contribution as determined by subdivision b. of
24 this subparagraph; and

25 d. Notwithstanding subdivision b. of this subparagraph for those
26 individual participating employers who are local and district health
27 departments governed by KRS Chapter 212, community mental

1 health centers, and employers whose employees are not subject to
2 KRS 18A.005 to 18A.200, who received or were eligible to
3 receive a distribution of general fund appropriations in the 2018-
4 2020 biennial executive branch budget to assist in paying
5 retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5);
6 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169,
7 Part I, G., 9., (2), shall not, once the initial dollar amounts are
8 established in accordance with this paragraph, be adjusted in terms
9 of dollars paid by the individual employer, except that adjustments
10 shall be made by the system upon completion of an actuarial
11 investigation as provided by KRS 61.670, so long as at least four
12 (4) years have passed since the last adjustment to the actuarially
13 accrued liability contribution for these employers. The provisions
14 of this subdivision shall not be interpreted to mean that employers
15 described by this subdivision may continue paying the dollar value
16 of contributions or employer contribution rates established or paid
17 by the employer in budget periods occurring prior to July 1, 2021.

18 2. Individual employers, solely for purposes of collecting employer
19 contributions from various fund sources during the fiscal year, may
20 convert the actuarially accrued liability contribution established by this
21 paragraph to a percentage of pay and may adjust the percent of pay
22 during the fiscal year in order to pay the required dollar value of
23 actuarially accrued liability contribution required by this paragraph. No
24 provision of this subparagraph shall be construed to reduce an individual
25 employer's actuarially accrued liability contribution as otherwise
26 provided by this paragraph.

27 3. The provisions of this paragraph shall not apply to those employers who

1 cease participation as provided by KRS 61.522.

2 4. In the event an individual Kentucky Employees Retirement System
3 nonhazardous employer who is required to pay an actuarially accrued
4 liability contribution as provided by this paragraph and as calculated
5 from the 2019 actuarial valuation or subsequent valuations, merges with
6 another employer or entity, forms a new or separate employer or entity,
7 or splits or separates operations into multiple employers or entities, the
8 system shall, except for those employers or entities who pay the costs to
9 cease participation as provided by KRS 61.522, have full authority to
10 assign a portion or all of the total actuarially accrued liability
11 contribution to the merged, new, split, or separate employers or entities,
12 regardless of whether or not the merged, new, split, or separate
13 employers or entities participate in the system. In the case of a district
14 health department established pursuant to KRS Chapter 212, which
15 ceases to operate or which has a county or counties that withdraw from
16 the district health department, the systems shall assign the total
17 actuarially accrued liability contribution based upon the proportion of
18 taxable property of each county as certified by the Department for Public
19 Health in the Cabinet for Health and Family Services in accordance with
20 KRS 212.132. The system shall establish by administrative regulations
21 the process of assigning actuarially accrued liability contributions as
22 authorized by this subparagraph.

23 5. a. An employer who is not in the executive, legislative, or judicial
24 branch of Kentucky state government as enumerated in
25 subparagraph 1.b. of this paragraph may on or before July 1, 2021,
26 appeal to the board regarding any current or former employees or
27 retirees the employer believes should not be used to determine the

1 employer's percentage of the system's total actuarially accrued
2 liability. The only appeals that shall be submitted by the employer
3 or considered by the board shall be potential errors where the last
4 participating employer is in dispute, situations where employees of
5 the employer were hired through a contract between the executive
6 branch and the employer for the employee to provide services to
7 the executive branch, or situations where a community mental
8 health center was contracted to provide services at a facility
9 previously operated by the executive branch. The employer shall
10 submit the information required by the board to verify potential
11 errors or contract employees with employers.

12 b. The board shall review and issue a final determination regarding
13 any appeals by December 31, 2021. In situations where the board
14 determines the last participating employer was incorrect and
15 should be assigned to another employer, the system shall, effective
16 for employer contributions payable on or after July 1, 2022, assign
17 the cost to the executive branch until such time ownership of the
18 liability can be determined and assigned to the correct employer. In
19 situations where the board determines certain employees of
20 employers were hired through a contract between the executive
21 branch and the employer for an employee or employees to provide
22 services to the executive branch, those liabilities shall, effective for
23 employer contributions payable on or after July 1, 2022, be
24 assigned to the executive branch. In situations where the board
25 determines the community mental health center was contracted to
26 provide services at a facility previously operated by the executive
27 branch, the liabilities for employees providing services at that

1 facility shall be assigned to the executive branch.

2 c. No appeal shall be submitted by the employer or considered by the
3 board regarding the assumptions or methodology used by the
4 actuary to determine a particular employer's percentage of the
5 system's total actuarially accrued liability or the use of the last
6 participating employer to assign liabilities to an employer, except
7 as otherwise provided by this subparagraph.

8 d. The board shall within thirty (30) days following the final
9 determinations submit to the Public Pension Oversight Board the
10 list of appeals that were approved, the number of employees
11 involved, and any costs that will be transferred to the executive
12 branch effective July 1, 2022.

13 (e) The employer contributions computed under this section shall be determined
14 using:

- 15 1. The entry age normal cost funding method;
- 16 2. An asset smoothing method that smooths investment gains and losses
17 over a five (5) year period; and
- 18 3. Other funding methods and assumptions established by the board in
19 accordance with KRS 61.670.

20 (2) (a) Except as limited by subsection (1)(d)1.d. of this section as it relates to the
21 Kentucky Employees Retirement System, normal cost contribution rates and
22 the actuarially accrued liability contribution shall be determined by the board
23 on the basis of the annual actuarial valuation last preceding the July 1 of a new
24 biennium.

25 (b) The board shall not have the authority to amend contribution rates as of July 1
26 of the second year of the biennium for the Kentucky Employees Retirement
27 System and the State Police Retirement System.

1 (3) (a) The system shall advise each employer prior to July 1 of any change in the
2 employer contribution rate.

3 (b) *Costs for the benefits provided under subsection (2)(b)2. of Section 2 of this*
4 *Act and Section 3 of this Act shall be included in the employer contribution*
5 *rate payable to the State Police Retirement System but shall be reported as a*
6 *separate line item in the actuarial valuation for purposes of Section 3 of this*
7 *Act and in any correspondence to the Department of Kentucky State Police,*
8 *the state budget director, and the Legislative Research Commission*
9 *regarding employer costs for the State Police Retirement System.*

10 (c) Based on the employer contribution rate, each employer shall include in the
11 budget sufficient funds to pay the employer contributions as determined by the
12 board under this section.

13 (4) All employers, including the General Assembly, shall pay the full actuarially
14 required contributions, as prescribed by this section, to the Kentucky Employees
15 Retirement System and the State Police Retirement System in fiscal years occurring
16 on or after July 1, 2020, *except as authorized for the program established by*
17 *subsection (2)(b)2. of Section 2 of this Act and Section 3 of this Act.*

18 ➔Section 9. KRS 61.592 is amended to read as follows:

19 (1) (a) "Hazardous position" for employees participating in the Kentucky Employees
20 Retirement System means:

21 1. Any position whose principal duties involve active law enforcement,
22 including the positions of probation and parole officer and
23 Commonwealth detective, active fire suppression or prevention, or other
24 positions, including but not limited to pilots of the Transportation
25 Cabinet and paramedics and emergency medical technicians, with duties
26 that require frequent exposure to a high degree of danger or peril and
27 also require a high degree of physical conditioning;

- 1 2. Positions in the Department of Corrections in state correctional
2 institutions and the Kentucky Correctional Psychiatric Center with
3 duties that regularly and routinely require face-to-face contact with
4 inmates; and
- 5 3. Positions of employees who elect coverage under KRS 196.167(3)(b)2.
6 and who continue to provide educational services and support to inmates
7 as a Department of Corrections employee.
- 8 (b) The effective date of participation under hazardous duty coverage for
9 positions in the Department of Alcoholic Beverage Control shall be April 1,
10 1998. The employer and employee contributions shall be paid by the employer
11 and forwarded to the retirement system for the period not previously reported.
- 12 (2) Each employer may request of the board hazardous duty coverage for those
13 positions as defined in subsection (1) of this section. Upon request, each employer
14 shall certify to the system, in the manner prescribed by the board, the names of all
15 employees working in a hazardous position as defined in subsection (1) of this
16 section for which coverage is requested. The certification of the employer shall bear
17 the approval of the agent or agency responsible for the budget of the department or
18 county indicating that the required employer contributions have been provided for
19 in the budget of the employing department or county. The system shall determine
20 whether the employees whose names have been certified by the employer are
21 working in positions meeting the definition of a hazardous position as provided by
22 subsection (1) of this section. This process shall not be required for employees who
23 elect coverage under KRS 196.167(3)(b)2.
- 24 (3) (a) An employee who elects coverage under KRS 196.167(3)(b)2., and an
25 employee participating in the Kentucky Employees Retirement System who is
26 determined by the system to be working in a hazardous position in accordance
27 with subsection (2) of this section, shall contribute, for each pay period for

1 which he or she receives compensation, eight percent (8%) of his or her
2 creditable compensation.

3 (b) Each employer shall pay employer contributions based on the creditable
4 compensation of the employees determined by the system to be working in a
5 hazardous position at the employer contribution rate as determined by the
6 board. The rate shall be determined by actuarial methods consistent with the
7 provisions of KRS 61.565.

8 (c) If the employer participated in the system prior to electing hazardous duty
9 coverage, the employer may pay to the system the cost of converting the
10 nonhazardous service to hazardous service from the date of participation to
11 the date the payment is made, or the employer may establish a payment
12 schedule for payment of the cost of the hazardous service above that which
13 would be funded within the existing employer contribution rate. The employer
14 may extend the payment schedule to a maximum of thirty (30) years.
15 Payments made by the employer under this subsection shall be deposited to
16 the retirement allowance account of the proper retirement system and these
17 funds shall not be considered accumulated contributions of the individual
18 members. If the employer elects not to make the additional payment, the
19 employee may pay the cost of converting the service and provide payment for
20 the cost as provided by KRS 61.552(9). Payments made by the employee
