F 0943 Level of harm - Minimal harm or potential for actual harm Residents Affected - Few	Give their staff education on dementia care, and what abuse, neglect, and exploitation are; and how to report abuse, neglect, and exploitation. Based on employee file review, staff interviews, and policy review for dietary employees the facility failed to ensure all staff were compliant with the mandatory reporter dependent adult abuse training within 6 months of the hire date for 2 of 13 staff members reviewed. Findings include: Record review of Staff A, Dietary Aide, employee file, documented a hire date of 10/10/19. The file lacked a certificate of completion for the mandatory reporter dependent adult abuse training. Record review of Staff B, Dietary Aide, employee file, documented a hire date of 5/29/19. The file lacked a certificate of completion for the mandatory reporter dependent adult abuse training. Review of Staff A and Staff B's training for online in-services lacked completion of a 2-hour course for mandatory reporter dependent adult abuse training. An interview with Staff B on 6/30/20 at 12:15 PM, revealed she needed to get training completed. During an interview with the Dietary Manger on 7/1/20 at 9:12 AM, she confirmed two of her staff were not up-to-date on the requirement to complete the training within the 6 months of hire. The facility provided 11 of 13 dietary staff Mandatory Reporter Dependent Adult Abuse certificates to the surveyor on 7/1/20. Review of the facilities policy titled, Employment Condition - Employee Education Requirements, with a date of 2/18/20 approved, documented employees of long term care will be required to complete a two-hour Mandatory Reporter Training of Dependent Adult Abuse from the Department of Human Services. Starting July 1, 2019, the new requirements will be that a person will have to complete within the first 6 months of their employment.
