NAME OF PROVIDER OF SUPPLIER WHITE HALL NURSING & REHAB CENTER		STREET ADDRESS, CITY, STATE, ZIP 620 WEST BRIDGEPORT WHITE HALL, IL 62092	
For information on the nursing home's plan to correct this deficiency, please contact the nursing home or the state survey agency.			
(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (EACH DEFICIENCY MUST BE PRECEDED BY FULL REGULATORY OR LSC IDENTIFYING INFORMATION)		
F 0880 Level of harm - Minimal harm or potential for actual harm Residents Affected - Some	Provide and implement an infection prevention and control program. Based on observation, interview, and record review, the facility failed to provide social distancing of at least 6 feet apart during the breakfast in the memory unit for 4 of 8 residents (R5, R6, R7 and R8) review for infection control in the sample of 8. Finding includes: 1. On 6/24/20 at 7:30AM, 34 residents were eating breakfast in the Facility Memory Care dining room, including R5, R6, R7 and R8. These residents were not able to socially distance 6 feet. Four residents were sat at table for 4, not allowing for adequate social distancing. At no time did staff encourage residents to social distance. At that time, V6, Registered Nurse (RN), was on the Memory Care unit and stated that the residents eat in the dining room because they cannot keep the residents in one place. V6 confirmed the residents on the Care unit eat in the dining room together. The Facility Memory Care Breakfast paper, dated 6/24/20, documents that 37 reside on the Memory Unit. The paper confirmed that 34 of 37 residents ate in the dining room for breakfast on 6/24/20. The Facility Policy Coronavirus (COVID-19), dated 5/29/20, documents that communal dining should be limited per Center for Disease Control (CDC) and State Department guidelines. CDC website, www.cdc.gov/coronavirus/2019-ncov/hcp/memory_care_guidance , dated 5/12/20, documents Limit the number of residents or space residents at least 6 feet apart as much as feasible when in a common area, and gently redirect residents who are ambulatory and are in close proximity to other residents or personnel.
