Personal Care and Basic Health

- For the **2020-21 school year only**, the 10 items listed on this chart are required for ECE grant and PSE funded children.
- These 10 items (or Skills, Knowledge and Behaviors; also known as SKBs) represent one from each of the 10 previously required Learning Progressions.
- These 10 items meet the comprehensive assessment requirement for Step Up to Quality (SUTQ) for the 2020-21 school year only.
- Data collection for the Early Learning Assessment can occur remotely through videoconferencing or through parent report over the phone, email, and sharing of video or audio recorded evidence.
