

# OHES PTA FUNDRAISER

## HOOT'S HEROES

**Together We Can Achieve Anything**

Donations from our OHES families each year help fund numerous programs, activities, and materials for our school. In lieu of sending students home tasked with selling door-to-door or asking you to hit up friends and family, we are asking you to simply make a contribution through our Hoot's Heroes Fundraiser. This is the primary source of fundraising for the PTA and allows the PTA to provide a wide variety of programs and materials for students and teachers.

Thank You for Your Generous Support!
