Please join us for an online public meeting to learn more about the **Newton Commuter Rail Stations Accessibility Improvements Project**. We're planning accessibility upgrades at **Auburndale, West Newton, and Newtonville Stations** in **Newton** on the **Worcester Line**. These stations are in disrepair and not accessible to people with disabilities. This work includes constructing fully accessible, high-level platforms at each station as well as accessible pathways to each platform.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers. Please pre-register for this meeting at the link. After registering, you will receive a confirmation email with information about joining the meeting. The presentation will be posted on the website ahead of the meeting and a recording of the meeting will be posted for those who are unable to attend. You can also email questions to NewtonCR@mbta.com.
