## Two-Day Unsheltered Homelessness Forum

Join the City of Tucson Housing and Community Development Department and Tucson Pima Collaboration to End Homelessness for a two-day community strategy session to guide our shared efforts to address unsheltered homelessness in Tucson and throughout Pima County.

This two-day session will include community updates on local data, initiatives, and efforts to address homelessness followed by a series of smaller group meetings to develop specific action plans and identify resource and capacity needs related to unsheltered homelessness in the Tucson area.
