7 Steps to Developing your School's Educational Equity Strategic Action Plan /Creating an Educational Equity Definition

The purpose of this webinar is to provide K-12 teachers and school administrators with a 7-step framework for designing and implementing a strategic action plan for educational equity within their school or district. During the workshop, participants will acquire a 7-step framework for implementing educational equity, with high-level strategies and reflective questions. This workshop is ideal for educators and school admins who are new to the work of strategic thinking/strategic planning for educational equity, and who may need support with designing and implementing a school-wide or district-wide strategy for educational equity.
