

KANSAS HOUSING RESOURCES CORPORATION

HOME-ARP Allocation Plan

Submitted to HUD as a Substantial Amendment to the
State of Kansas Approved 2021 Annual Action Plan

Acronyms Used

The following acronyms are used throughout this document and are listed below in the order they appear:

HOME-ARP: HOME American Rescue Plan Act	GED: General Equivalency Diploma
KHRC: Kansas Housing Resources Corporation	USDA: US Dept. of Agriculture
CoC: Continuum of Care	IDD: intellectual and developmental disability
HMIS: Homeless Management & Information System	ADA: Americans with Disabilities Act
QP: Qualifying Populations of the HOME-ARP program	MD: mentally disabled
PJ: a Participating Jurisdiction in the HOME Program (i.e., a recipient of HOME funds)	LIHTC: Low-Income Housing Tax Credit program
HUD: US Dept. of Housing & Urban Development	HQS: Housing Quality Standard
CHAS: Comprehensive Housing Affordability Strategy	SOAR: SSI/SSDI Outreach, Access, and Recovery program
ACS: American Community Survey	NFMH: nursing facilities for mental health
CE: Coordinated Entry system of a CoC	SMI: serious mental illness
KDADS: Kansas Department for Aging and Disabilities	CH: chronic homeless
KCASDV: Kansas Coalition Against Sexual and Domestic Violence	SPMI: severe and persistent mental illness
KLS: Kansas Legal Services	DV: domestic violence
PSH: permanent supportive housing	PIT: Point in Time count
LMI: low- and moderate-income	AMI: area median income
TBRA: tenant-based rental assistance	HOME: HOME Investment Partnerships Grant program
NCS: non-congregate shelter	ALICE: asset-limited, income-constrained but employed
MI: moderate income	HAMFI: HUD Area Median Family Income
TH: transitional housing	SSI: Supplemental Security Income
ESG: Emergency Solutions Grant	SSDI: Social Security Disability Insurance
RRH: rapid re-housing	CSH: Corporation for Supportive Housing
PHA: public housing authority	HIC: Housing Inventory Chart
HCV: Housing Choice Voucher Program	ESG-CV: Emergency Solutions Grant – Coronavirus program
FMR: fair market rent	RFP: Request for Proposals
RAD: Rental Assistance Demonstration program	

Consultation

Section 1: Describe the consultation process including methods used and dates of consultation

See Appendix A for all Stakeholder Consultation materials. Stakeholder comments received throughout these various sessions and individual meetings are summarized in the Feedback Chart in the next section and are referenced appropriately throughout the Needs Assessment & Gaps Analysis.

KHRC engaged in an extensive stakeholder consultation process over the course of seven months beginning in March 2022. The process began with KHRC inviting HOME-ARP program staff, the Balance of State CoC Coordinator, and the HMIS Coordinator to a 35-minute introductory presentation on the HOME-ARP program. A detailed PowerPoint presentation was provided with time for Q&A. Details of this session are included below.

KHRC INTRODUCTORY SESSIONS TO HOME-ARP PROGRAM		
Date	Method	Participants
March 7, 2022 10:00-11:00 am	GoToMeeting virtual session	KHRC HOME-ARP program staff Balance of State CoC Coordinator HMIS Coordinator

The first round of consultations, referred to as Listening Sessions, focused on identifying the QPs and their unmet housing and service needs. A brief PowerPoint presentation on the HOME-ARP program was presented followed by questions meant to engage participants in identifying unmet needs among the qualifying populations they served. Details of Round 1 are included in the chart below.

ROUND 1 LISTENING SESSIONS (STAKEHOLDER CONSULTATIONS)				
Date	Method	Participants Stakeholders	KHRC Staff/ Consultants	Category of Focus
March 28, 2022 10:30 am-12:00 pm	GoToMeeting virtual session	20	8	Continuums of Care serving Kansas (Metro CoCs plus Balance of State)
March 28, 2022 2:30 pm-4:00 pm	GoToMeeting virtual session	0	7	Continuums of Care serving Kansas (Metro CoCs plus Balance of State)
March 29, 2022 10:30 am-12:00 pm	GoToMeeting virtual session	23	7	Providers serving the homeless, victims of domestic violence, veterans' groups
March 29, 2022 2:30 pm-4:00 pm	GoToMeeting virtual session	13	8	Providers serving the homeless, victims of domestic violence, veterans' groups
March 30, 2022 10:30 am-12:00 pm	GoToMeeting virtual session	3	9	Public Housing Authorities
March 30, 2022 2:30 pm-4:00 pm	GoToMeeting virtual session	4	10	Public Housing Authorities
March 31, 2022 10:30 am-12:00 pm	GoToMeeting virtual session	14	7	Public agencies that address the needs of QPs
March 31, 2022 2:30 pm-4:00 pm	GoToMeeting virtual session	15	7	Public agencies that address the needs of QPs
April 4, 2022 10:30 am-12:00 pm	GoToMeeting virtual session	8	11	Organizations that address fair housing, civil rights and the needs of persons with disabilities

April 4, 2022 2:30 pm-4:00 pm	GoToMeeting virtual session	8	4	Organizations that address fair housing, civil rights, and the needs of persons with disabilities
----------------------------------	--------------------------------	---	---	---

As a State PJ, KHRC reached out to the five HOME PJs across Kansas to learn: (1) where they were in their individual HOME-ARP planning processes, (2) if they had begun planning on how to invest their HOME-ARP funds, (3) which eligible activities had been included in their Allocation Plans submitted to HUD, (4) what their capacity level was to carry out local HOME-ARP activities, (5) if there were local projects being planned that could potentially be combined with HOME-ARP funding, and (6) how best could KHRC assist each PJ through their HOME-ARP planning process. Details of the PJ sessions are summarized below.

HOME PJ CONSULTATIONS		
Date	Method	Participants
May 23, 2022 2:00-3:00 pm	GoToMeeting virtual session	Wichita, KS Lawrence, KS Topeka, KS
May 26, 2022 1:00-2:00 pm	GoToMeeting virtual session	Wyandotte County, KS Johnson County, KS

Round 2 Listening Sessions were scheduled in June 2022 for the purpose of providing a summary of (1) what KHRC heard during the Round 1 consultations and (2) what the Needs Assessment & Gaps Analysis revealed. The Needs Assessment & Gaps Analysis was based on HMIS, CoC, CHAS, American Community Survey, and other data sources identified during the planning process. Each session began with a detailed PowerPoint presentation summarizing key findings from the stakeholder consultation and data analysis. Participants were asked to comment on: (1) if feedback from the Round 1 sessions was accurately reflected, (2) if they knew of any additional reliable data sources that should be collected and analyzed to describe the unmet housing and service needs of the QPs, (3) which eligible activities under the HOME-ARP program would best address the unmet housing and service needs in their geographic area, and (4) if they could identify any organizational capacity needs for the eligible activities to be carried out in their geographic area. Details of Round 2 are included in the chart below.

ROUND 2 LISTENING SESSIONS (STAKEHOLDER CONSULTATIONS)				
Date	Method	Participants Stakeholders	KHRC Staff/ Consultants	Category of Focus
June 28, 2022 9:00 am-10:30 am	GoToMeeting virtual session	95	8	All organizations serving QPs
June 29, 2022 9:00 am-10:30 am	GoToMeeting virtual session	81	6	All organizations serving QPs

As the planning process continued, KHRC invited the Kansas Statewide Homeless Coalition, the Coordinated Entry System administrator for the Balance of State CoC, to a meeting to obtain a better understanding of what modifications might be needed should KHRC decide to use the CE system for referrals to HOME-ARP-funded activities. The details of this meeting are included below.

KANSAS STATEWIDE HOMELESS COALITION CONSULTATION		
Date	Method	Participant
August 2, 2022 10:00-11:00 am	GoToMeeting virtual session	Kansas Statewide Homeless Coalition

Following a review of the participant stakeholders and information collected during the Round 1 and Round 2 Listening Sessions, KHRC identified the need to seek additional participation from providers serving veterans, civil rights and fair housing advocacy organizations, and disability rights organizations. Details of these sessions are summarized below.

ADDITIONAL SERVICE PROVIDER CONSULTATION		
Date	Method	Participant
May 25, 2022 11:00 am-12:00 pm	Teams virtual session	Healthcare for Homeless Veterans Program
September 22, 2022 11:00 am-11:30 am	Teams virtual session	Kansas Department for Aging and Disabilities (KDADS)
September 26, 2022 4:00-5:00 pm	GoToMeeting virtual session	Kansas Coalition Against Sexual and Domestic Violence (KCSDV)
September 29, 2022 2:00-3:00 pm	Teams virtual session	Kansas Legal Services (KLS)
October 3, 2022 9:30-10:00 am	Zoom virtual session	Disability Rights Center of Kansas

KHRC conducted an online survey among stakeholders to assess the need for tenant-based rental assistance and non-congregate shelters across the state. A total of 18 responses were received with comments incorporated into the Needs Assessment & Gaps Analysis section.

Section 2: List the organizations consulted and summarize feedback received and results of upfront consultation with these entities.

See the Feedback Chart included below. A list of all invited stakeholders and a list of participating stakeholders are included in Appendix A.

Agency/Org. Consulted	Type of Agency/Org.	Method of Consultation	Feedback
<i>CoC Region 1</i>			
High Point Advocacy & Resource Center	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/31/22 Virtual Meeting	Released offenders and sexual offenders are hardest to house; not enough housing across the board—size, price, etc., there are wait lists at market-rate complexes; need funding and capacity to acquire/rehab vacant motels into PSH
<i>CoC Region 2</i>			
Catholic Charities of Southwest Kansas	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/28/22 Virtual Meeting	Need PSH and help to find affordable housing; very large landlords won't work with LMI tenants; tents who can pay cash to lease a unit bump out LMI who can't

Compass Behavioral Health	<i>Public Agency addressing needs of QPs: Homeless Service Provider, Needs of Persons with Disabilities</i>	03/28/22 Virtual Meeting	Need affordable housing, supportive services, capacity building, TBRA, NCS; stability among MI clients; people living in rural areas need to leave area for services; MI clients lose housing due to worsening condition; difficult when rental application is online, requires ID
Housing Opportunities, Inc.	Nonprofit Organization / Affordable Housing Provider	03/31/22 Virtual Meeting	Released offenders and state hospital patients cannot find anyone who will rent to them, so they revert to old habits, end up worse; can't house them due to tenant selection policy; need funding to add staff and increase capacity
CoC Region 3			
Consumer Credit Counseling Service (CCCS)	Public Agency / Community Assistance	03/31/22 Virtual Meeting	LMI renters, teens aging out of foster care could benefit from credit counseling
City of Salina, KS	Government Entity	03/31/22 Virtual Meeting	Funding needed for financial education programs
CoC Region 4			
McPherson Housing Coalition	Affordable Housing Provider	03/28/22 Virtual Meeting	Funding for NCS; affordable units for those exiting TH; history of evictions impedes housing search; struggle with using ESG for RRH; legal representation for evictees; affordable childcare; wait lists for PHA and HCV are 18-24 months
McPherson Housing Coalition	Affordable Housing Provider	03/29/22 Virtual Meeting	Need ES for families; takes too long to find affordable units for families; need affordable housing; small increase in pay can cause loss of benefits; need funding to finish tiny home project; need affordable housing across state
McPherson Housing Coalition	Affordable Housing Provider	03/30/22 Virtual Meeting	More supportive services are needed; need more TBRA
McPherson Housing Coalition	Affordable Housing Provider	03/31/22 Virtual Meeting	Lack of beds and rooms in NCS; lack of housing units generally; poorer quality units have higher utility costs; adequate vouchers to serve all
MidCap, Inc.	Public Agency / Community Assistance	03/31/22 Virtual Meeting	Need TH for clients exiting hospitals; need for assistance with benefits applications; need for affordable housing; need more capacity to develop housing; services lacking in many rural areas where housing might be more affordable; several counties in their service area without ES and limited motel/hotel vouchers
Interfaith Housing and Community Services	Nonprofit Organization / Affordable Housing Provider	03/31/22 Virtual Meeting	Need affordable housing for 18-21 persons based on school homeless data; lack of staff capacity to partner with other agencies to deliver services

McPherson Housing Coalition	Affordable Housing Provider	04/04/22 Virtual Meeting	Landlords not wanting to rent based on race, disability; fair housing education needed; supportive services with affordable housing needed to stably house and case management to build plan to connect clients to services
CoC Region 5			
NEK-CAP	<i>Public Agency addressing needs of QPs: Homeless Service Provider, Needs of Persons with Disabilities</i>	03/28/22 Virtual Meeting	Need PSH for chronically homeless; need units that fit size of families and meet FMRs; FMRs too low to entice landlords to rent to LMI; need ES in rural areas; need easier access to mental health services without commitment to local mental health center; need service to cover the Medicaid gap once coverage period has ended; need sustainable employment; affordable childcare; missing benefits interview for work can result in loss of benefits; wait lists run 12-24 months
Manhattan Housing Authority	<i>Public Housing Authority, Needs of Persons with Disabilities</i>	03/28/22 Virtual Meeting	Housing-focused case management for homeless with co-occurring dependencies who want to achieve self-sufficiency and need RRH; need benefits specialist to track applicant status for clients; need support services to maintain stable housing lengthy wait lists for PHA and HCV with community housing stock that doesn't align with affordable workforce housing needs; need PSH
Manhattan Emergency Shelter, Inc.	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/28/22 Virtual Meeting	Hard time getting landlords to rent to anyone without employment or income
Manhattan Emergency Shelter, Inc.	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/29/22 Virtual Meeting	Case management for clients to remain housed
Manhattan Housing Authority	<i>Public Housing Authority, Needs of Persons with Disabilities</i>	03/29/22 Virtual Meeting	Financing to fund programs; need safe TH for veterans and non-veterans in recovery
Manhattan Emergency Shelter, Inc.	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/29/22 Virtual Meeting	HUD making it harder to fund TH; if providers don't have to enter clients in CE, they could spend funds faster and provide housing and services; need services for severe MI and/or drug addiction

Manhattan Housing Authority	<i>Public Housing Authority, Needs of Persons with Disabilities</i>	03/30/22 Virtual Meeting	Wants to add preference for homeless but not sure how to support them; no homeless or emergency vouchers; have PHA units but need supportive services and vouchers; wait list is two years for HCVs, at 98% utilization; only two PHAs in KS with preference for homeless; trying to project-base vouchers/maybe RAD two properties to preserve them; Family Self-Sufficiency could be re-instated; for-profit developers can't find land in Manhattan and approvals and zoning are lengthy processes
Manhattan Emergency Shelter, Inc.	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/30/22 Virtual Meeting	Many homeless are invisible; FMRs are difficult to work with once utility allowance is factored in; finding three-bedroom units is tough; homeless can't score high enough in CE to get housed
Manhattan Emergency Shelter, Inc.	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/31/22 Virtual Meeting	Operations cost of ES is challenging to continue; TBRA is appropriate even with little inventory because it can lower monthly housing costs—especially for survivors; difficult to get utilities turned on with arrears; lack of affordable housing; a directory of who has what type of housing would be helpful
North Central Flint Hills Area Agency on Aging	<i>General Organization addressing needs of aging and Persons with Disabilities</i>	03/31/22 Virtual Meeting	Need TH to create more stability between homelessness and permanent housing situation; criminal background, lack of GED are obstacles to getting housing
Homestead Affordable Housing	Nonprofit Organization / Affordable Housing Provider	03/31/22 Virtual Meeting	Seniors can't remain in units due to inaccessibility; under-staffed USDA office can't meet need; some Rural Development units went to tax sale and are no longer affordable units; KHRC should finance the acquisition of these units
North Central Flint Hills Area Agency on Aging	<i>General Organization addressing needs of aging and Persons with Disabilities</i>	04/04/22 Virtual Meeting	Need to build relationships with landlords to help tenants keep their housing and improve landlord participation; need adequately sized units for people in wheelchairs
CoC Region 6			
Douglas Co, KS	Government Entity	03/28/22 Virtual Meeting	Landlords unwilling to rent to KU students; need affordable units and PSH; lacking PSH for IDD and aging populations; intensive case management

Tenants to Homeowners (CHDO and housing provider)	Nonprofit Organization / Affordable Housing Provider	03/31/22 Virtual Meeting	Affordable rental management concept provides for sustained affordable housing development
Bert Nash Community Mental Health Center	<i>Public Agency / Needs of Persons with Disabilities</i>	04/04/22 Virtual Meeting	No source of income protection in Kansas; aging baby boomers with decreasing quality of life need affordable assisted living options but they're scarce; allow nonprofits to create own housing with supportive housing to control evictions; need capital to develop PSH; need more organizational capacity to step in with intensive case management; Risk Mitigation Fund for landlords works; ADA accessibility requirements not enforced; larger households difficult to house even with vouchers; HUD occupancy limits are a barrier; no enforcement of KS Tenant-Landlord Act, also needs updating
Senior Resource Center for Douglas County	<i>Public Agency addressing the needs of at-risk seniors and Persons with Disabilities</i>	04/01/22 email letter	Elderly residents at-risk for eviction due to rising rents, or loss of housing due to lack of accessible features or inability to live independently due to dementia. These individuals cannot afford assisted living/memory care units and there is a lack of Medicaid beds at senior living facilities; supportive housing would address this need.
CoC Region 7			
Family Promise of the Flint Hills	<i>Public Agency addressing needs of QPs: Homeless Service Provider</i>	03/29/22 Virtual Meeting	Inadequate staffing capacity to serve more families; need basic life skills education; small increase in pay can cause loss of benefits
CoC Region 8			
Catholic Charities in SE KS	<i>CoC</i>	03/31/22 Virtual Meeting	Tenant-caused damage is a challenge; need incentives for landlords to participate in HCV; some have a fear of inspections of their units; need more robust homeless prevention system across KS; local housing prices and rents exceed local pay scales and FMRs; inadequate incomes for rental applications; services such as legal, case management, resource navigation needed along with more affordable units
Wichita/Sedgwick CoC			
Intrust Bank, Wichita	Private Entity	03/29/22 Virtual Meeting	Need systems navigators

Wichita CoC	<i>CoC</i>	03/31/22 Virtual Meeting	Homeless population not accessing ES—need navigators; housing diversion program needs funding for deposits for low-risk clients to keep them housed; elderly need housing—assisted living, etc.; can't fill open positions due to low salary, low quality applicants or no applicants
Breakthrough House, Inc.	Public Agency / Mental Health	04/04/22 Virtual Meeting	Landlords discriminate against past evictions, charge extra fees to IDD/MD; need more resources to support housing development and redevelopment; need to get businesses involved in assisting with homeless populations in communities
Lifeworx, Inc.	<i>Public Agency / Needs of Aging and Persons with Disabilities</i>	04/04/22 Virtual Meeting	Case managers needed to be educators on benefits and resources available to QPs
City of Wichita, KS	<i>CoC / HOME PJ</i>	05/23/22 Virtual Meeting	Permanent Supportive Housing is needed for transitioning off Section 8 assistance. Could use KHRC LIHTC or Housing Trust Fund resources to support a PSH project.
<i>Topeka/Shawnee County CoC</i>			
City of Topeka, KS	<i>CoC / HOME PJ</i>	05/23/22 Virtual Meeting	Need affordable rental housing. Could use KHRC LIHTC or Housing Trust Fund resources to support a PSH project.
<i>Overland Park/Shawnee/Johnson County CoC</i>			
Johnson County CoC	<i>CoC</i>	03/28/22 Virtual Meeting	Affordable housing is biggest need; difficult to utilize TBRA without inventory and long wait lists; lack of adequate capacity in service provider agencies; need adult ESH; need landlord engagement
Sunflower Health Plan	Public Agency / Health Care	03/31/22 Virtual Meeting	More staffing needed; need housing navigators to assist with housing applications
Sunflower Health Plan	Public Agency / Health Care	04/04/22 Virtual Meeting	Landlords discriminate against individuals with criminal backgrounds
<i>Kansas City/Wyandotte County CoC</i>			
Cross-Lines Community Outreach	<i>Homeless Service Provider</i>	03/29/22 Virtual Meeting	Lack of affordable housing and need for supportive services when exiting shelter; no ES in Wyandotte County; gap in navigating seniors thru system
Wyandotte Unified Govt.	Government Entity	03/31/22 Virtual Meeting	Need affordable housing; lots of substandard units can't pass HQS; in 2021 police interacted with 500 unique homeless cases

<i>Lawrence/Douglas County, KS CoC</i>			
City of Lawrence, KS	<i>CoC; HOME PJ</i>	05/23/22 Virtual Meeting	Non-congregate shelter is needed. Difficulty finding landlords who will rent to QPs so TBRA is difficult to use. Local social service organizations are at capacity; would need funding for supportive services.
<i>Statewide Entities/Agencies</i>			
Kansas Statewide Homeless Coalition	<i>Public Agency / Homeless Service Provider</i>	03/28/22 Virtual Meeting	Need PSH and help finding affordable housing; disconnect between housing providers and CoC providers; need housing supportive services, supportive employment, SOAR services—all outside of the mental health system; need Landlord Risk Mitigation Fund.
Kansas Coalition Against Sexual and Domestic Violence (KCSDV)	<i>Public Agency / Victim Services Provider</i>	03/29/22 Virtual Meeting	Lack of affordable housing for exiting shelter; no safety net while going through classes/programs; need expertise and support to build organizational capacity; lack of ES, affordable housing, transportation for survivors
KCV	<i>Public Agency / Veterans Services</i>	03/29/22 Virtual Meeting	No TH and very little ES for veterans
Kansas Coalition Against Sexual and Domestic Violence (KCSDV)	<i>Victim Services Provider</i>	03/29/22 Virtual Meeting	Lack of safe and affordable housing; gaps throughout the system—in getting connections made; increased funding doesn't always mean additional funds for staffing, which is needed to increase services provided by new funding; ES in northwest KS serves 17-county region, no transportation; congregate settings not always best, NCS are safer
KHRC	<i>BoS CoC / PJ</i>	03/29/22 Virtual Meeting	Hard to use ERAP to place homeless in housing due to poor credit, past record
DCCCCA Behavioral Health	<i>Public Agency serving needs of Persons with Disabilities</i>	03/29/22 Virtual Meeting	Need TH
KHRC	<i>BoS CoC / PJ</i>	03/29/22 Virtual Meeting	ESG program struggled to spend funding due to lack of service provider capacity
Be Able	Public Agency / Community Assistance	03/29/22 Virtual Meeting	Need collaboration among agencies
United Methodist Open Door	Public Agency / Community Assistance	03/31/22 Virtual Meeting	Challenging to keep housed for most vulnerable—need case managers; tenants causing damage to rental units is a problem

Kansas Statewide Homeless Coalition	<i>Homeless services Provider</i>	04/04/22 Virtual Meeting	Landlords discriminate against voucher holders, on the basis of race, against individuals with accents (phone inquiries); few affordable units statewide; if KDADS messaging system good for replicating, needs to be easier way to seek answer for clients; in Lawrence, landlords don't want to rent to HCVs
KS Dept of Children & Families	Public Agency	04/04/22 Virtual Meeting	Landlords do not want to rent to youth aging out of foster care based on assumption of lack of resources, challenging behavior, lack of employment, etc.; housing is most confusing of all services to provide—need navigators; need a good data-sharing place—would make a good capacity building activity; tenants need legal representation when evicted; need rent deposits; housing supply and voucher supply both inadequate
KHRC	<i>BoS CoC/PJ</i>	04/04/22 Virtual Meeting	Elderly and younger persons with disabilities not always a good mix in a single building
Kansas Dept. of Aging & Disabilities	Public Agency	04/18/22 Virtual Meeting	Need transitional housing for consumers who have been discharged from nursing facilities for mental health (NFMH), county jails, and state prisons. Some have been in care for so long that they may not have a prior residence. Tenant rental assistance also needed.
Healthcare for Homeless Veterans Program	<i>Public Agency/Veterans Services</i>	05/25/22 Virtual Meeting	Need PSH for SMI CH veterans. High demand for supportive services—case managers, homemakers, home health care to assist in keeping clients housed. TBRA also needed.

Kansas Dept. for Aging and Disabilities	<i>Public Agency / Disability Rights, Fair Housing Rights, Civil Rights</i>	09/22/22 Virtual Meeting	Local PHAs determine eligibility for Emergency Housing Vouchers that provide housing for persons with disabilities, but KS is returning federal funding due to local restrictive eligibility requirements, against misdemeanors in some cases. Grant providers are denying housing/services if they believe that persons with mental illness do not meet the criteria as SPMI, resulting in denying housing assistance to potentially eligible applicants. Similar situation with persons with disabilities who are eligible for nursing facilities for mental health. Placing HCVs with state agencies rather than PHAs could result in more persons with disabilities who are eligible for housing assistance being provided the assistance. Persons exiting institutions need housing assistance and supportive services. Landlords need incentives to provide affordable rental housing. Many persons who are exiting institutions want to return to where their families are, but the inventory of rental can be substandard, unavailable, or unaffordable. Low/no-barrier housing is needed so people can get off the streets and stabilize in order to begin accessing supportive services.
Kansas Coalition Against Sexual and Domestic Violence	<i>Nonprofit Organization / Persons Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking</i>	09/26/22 Virtual Meeting	Landlords are reluctant to rent to DV victims presuming that could make the unit unsafe if the abuser shows up. Very little affordable housing inventory makes it difficult to find a safe location for the victim, especially in small towns. For this reason, flexible funding is needed to place them quickly in a safe location. Landlords assess fees against victims for damage caused to units by abusers. Some landlords become predatory and rent to victims, asking for sex in exchange for rent; victims fear retaliation if they refuse. Services needed include regional housing navigators, employment training, legal services, and financial planning.

Kansas Legal Services	<i>Nonprofit Law Firm / Fair Housing Rights, Civil Rights, Disability Rights</i>	09/29/22 Virtual Meeting	PHA and other applications are difficult for persons with disabilities to complete. Adding to this are issues related to very brief periods when waiting lists are open and being able to access the location to apply. Applications are available in English only, and online applications accepted but not paper applications. Reasons for eviction from public housing are frequently the result of a disability (mental illness, developmental disability). Landlords often deny a reasonable accommodation for emotional support animals. Discrimination against persons with chronic mental illness is common with landlords assuming problems based on stereotyped behavior. The eviction process is designed to get tenants out of their units fast, within three days of nonpayment of rent (Kansas is tied for 4 th shortest in US).
Disability Rights Center of Kansas	<i>Nonprofit Organization / Disability Rights</i>	10/03/22 Virtual Meeting	There is an inadequate supply of affordable and accessible rental housing for persons exiting institutions, with poor rental histories, and without case managers. Complaints frequently involve landlords denying a reasonable accommodation or modification, and being refused a unit because the landlord fears/assumes the person's behavior will interfere other tenants. The process for applying for subsidized housing is onerous—gathering required vital documents that may not be available for persons who were institutionalized, brief periods when waiting lists are open, getting to the location to apply, applications available in English only, and online applications accepted but not paper applications.

Public Participation

[To be completed following the 15-day public comment period and public hearing.]

See Appendix B for evidence of Public Participation conducted for the plan.

Section 1: Describe the public participation process, including information about and the dates of the public comment period and public hearing(s) held during the development of the plan.

- *Date(s) of public notice: 10/13/2022*
- *Public comment period: start date - 11/1/2022 end date - 11/16/2022*
- *Date(s) of public hearing: 11/1/2022*

Describe the public participation process:

Enter narrative response here.

Section 2: Describe efforts to broaden public participation.

Enter narrative response here.

Section 3: Summarize the comments and recommendations received through the public participation process either in writing, or orally at a public hearing.

Enter narrative response here.

Section 4: Summarize any comments or recommendations not accepted and state the reasons why.

Enter narrative response here.

Homeless Needs Assessment and Gap Analysis

This section presents the results of the homeless needs and gaps analysis, drawing on statewide HMIS data, Point-In-Time (PIT) count information, and public federal data sources. Where appropriate, this information is contextualized with feedback from stakeholders within the Kansas homeless service system.

Section 1: Housing Inventory

Like many states, there is a shortage of emergency and transitional housing options in Kansas. Across the state, 20% of homeless service clients remain in the system for six months or longer. Longer lengths of stay may increase the need for beds, as there is less turnover, which prevents new clients from being able to use those resources. The length of stay varies across the state, with nearly 38% of clients in Wyandotte County remaining for longer than six months, followed closely by Johnson County, where 31% of clients stay for longer than six months. The bed shortage is primarily among families experiencing homelessness. Again, both Wyandotte and Johnson Counties have the largest average household size among people experiencing homelessness, likely indicating a higher proportion of family units in the homeless service system.

The non-entitlement areas of Kansas are represented within homeless data acquired from the Balance of State which also includes the Lawrence participating jurisdiction.

Table 1: Optional Homeless Needs and Gaps Analysis Table*

Homeless													
	Current Inventory					Homeless Population				Gap Analysis			
	Family		Adults Only		Vets	Family HH (at least 1 child)	# of Adults (w/o child)	Vets	Victims of DV	Family		Adults Only	
	# of Beds	# of Units	# of Beds	# of Units	# of Beds					# of Beds	# of Units	# of Beds	# of Units
Emergency Shelter	660	189	824	#	48	73	753	171	276				
Safe Haven	0	0	15	#	15								
Transitional Housing	424	143	308	#	0								
Permanent Supportive Housing	409	135	846	#	469								
Other Permanent Housing													
Sheltered Homeless						479	1039	188	331				
Unsheltered Homeless*						16	308	23	43				
<i>Current Gap**</i>										#	28	0	#

Data Sources: 1. Point in Time Count (PIT); 2. Continuum of Care Housing Inventory Count (HIC); 3. Consultation

* In 2021, HUD gave communities the option to cancel or modify the unsheltered survey portion of their counts based on the potential risk of COVID-19 transmission associated with conducting an in-person survey. Therefore, unsheltered homelessness data was taken from 2020 Point-in-Time Counts.

GAP ANALYSIS: **Family Household Gap = (#of Emergency Shelter Units + Safe Haven Units + Transitional Housing Units + Permanent Supportive Housing Units) - (Sheltered Family Households + Unsheltered Family Households) **Adults Only Gap** = (#of Emergency Shelter Beds+ Safe Haven Beds+ Transitional Housing Beds+ Permanent Supportive Housing Beds) - (Sheltered Adult HH w/o child + Unsheltered Adult HH w/o child). *Positive integers indicate a gap in homelessness housing resources based on the level of need, while a 0 indicates no identified gap based on the available data.*

Kansas also has a need for affordable housing. The shortage of units for households at or below 30% AMI increases housing insecurity and rent pressure on low-income households. Sedgwick, Johnson, and Wyandotte Counties have the highest *number* of total renters below 30% AMI with housing problems. Wyandotte, Thomas, and Ellis Counties have the largest *proportion* of renters below 30% AMI with housing problems (see the appendices for additional data, including Homeless and Non-Homeless Housing Needs and Gap Inventory tables for each HOME Participating Jurisdiction). All but two counties in Kansas (Lane and Sherman) have more than 20% of households living as asset-limited, income-constrained, but employed (ALICE).

Table 2: Optional Non-Homeless Housing Needs and Gaps Inventory

Non-Homeless			
	Current Inventory	Level of Need	Gap Analysis
Total Rental Units	385,676 (1)		
Rental Units Affordable to HH at 30% AMI (At-Risk of Homelessness)	43,018 (1)	79,010 (2)	
Rental Units Affordable to HH at 50% AMI (Other Populations)	195,380 (1)	66,290 (2)	
0%-30% AMI Renter HH w/ 1 or more housing problems (At-Risk of Homelessness)		60,840 (2)	
30%-50% AMI Renter HH w/ 1 or more housing problems (Other Populations)		50,300 (2)	
Current Gaps			96,832

Data Sources: 1. American Community Survey ([ACS](#)); 2. Comprehensive Housing Affordability Strategy ([CHAS](#)) 3. National Low Income Housing Coalition

(See Appendix C for regionally based Housing Needs and Gaps Inventory tables.)

Section 2: Size and Demographic Composition of Qualifying Populations

To analyze the size and demographic composition of qualifying populations, all CoCs provided HMIS data from calendar year 2021. This was supplemented with data from a 2020 report on dating violence, sexual assault, and stalking services throughout Kansas. The results for each qualifying population are described below.

1. Homeless as defined in 24 CFR 91.5

Based on 2021 HMIS data from all CoCs within PJ boundaries, there are 17,196 people experiencing homelessness from an estimated 12,068 households. The demographics of these individuals are listed below. Within Kansas, people who identify as Black are more than three times likely, and people who identify as American Indian or Alaska Native are nearly six times more likely, to experience homelessness than white residents.

Table 3: Demographics of People Experiencing Homelessness

	Statewide Total	Balance of State CoC	Wichita CoC	Kansas City CoC (Kansas Geography only)	Johnson CoC	Topeka CoC
Male	50%	51%	39%	53%	46%	57%
Female	49%	49%	61%	46%	53%	43%
Transgender or Gender Non-Conforming	<1%	<1%	0%	<1%	<1%	<1%
White	63%	75%	57%	45%	64%	62%
Black/African American	28%	15%	33%	50%	26%	30%
Multiracial	5%	6%	6%	3%	8%	4%
American Indian or Alaskan Native	3%	3%	3%	1%	<1%	3%
Asian, Native Hawaiian, or Other Pacific Islander	<1%	1%	2%	<1%	2%	<1%
Hispanic/Latino	12%	12%	12%	13%	9%	13%
Under 18	23%	24%	20%	32%	34%	21%
18-24	8%	8%	10%	7%	13%	5%
18-24 Unaccompanied Youth	4%	4%	8%	3%	9%	0%
25-54	49%	54%	50%	42%	44%	46%
55 and over	23%	14%	20%	19%	9%	28%
Veteran	8%	Missing	11%	16%	7%	4%

Disabling Condition	42%	57%	35%	39%	39%	31%
Percent Staying in System Longer than 6 months	20%	28%	15%	38%	31%	10%
Percent of all People Experiencing Homelessness in State		29%	28%	9%	3%	31%

Additionally, of the 2,449 people counted as meeting HUD's definition of homeless during the 2020 Point in Time count, the following demographics were identified:

- 20% were unsheltered, and
- 16% were chronically homeless.

Based on 2022 Point in Time count data from the Kansas Balance of State, which includes all non-entitlement communities and the Lawrence PJ, the regional breakdown of people experiencing homelessness is as follows:

- Region 1 - North West Kansas (Non-Entitlement): 2%
- Region 2 - South West Kansas (Non-Entitlement): 7%
- Region 3 - North Central Kansas (Non-Entitlement): 17%
- Region 4 - South Central Kansas (Non-Entitlement): 15%
- Region 5 - Northeast Kansas (Non-Entitlement): 11%
- Region 6 - Douglas County (Lawrence PJ): 25%

- Region 7 - East Central Kansas (Non-Entitlement): 6%
- Region 8 - Southeast Kansas (Non-Entitlement): 17%

2. *At Risk of Homelessness as defined in 24 CFR 91.5*

According to [CHAS](#) data, in Kansas, 79,010 renter households (21% of all renter households) and 41,170 owner households (5.5% of all owner households) satisfy the at risk of homelessness definition of having an annual income below 30% of the HAMFI for the area in which they resided. Additionally, 86,995 renter households and 57,400 owner households experienced at least one of four severe housing problems as defined by CHAS. CHAS defines severe housing problems as: 1) a housing unit lacks complete kitchen facilities; 2) a housing unit lacks complete plumbing facilities; 3) a household is overcrowded; and 4) a household is cost burdened. A household is identified as having a housing problem if they have any one or more of these four problems. (See Appendix D for a complete list of housing problems by county.)

Based on 2021 HMIS data, 1,409 individuals moved to temporary housing accommodations. Exiting to a temporary destination may indicate greater risk of returning to the homeless system. There are considerable regional differences in the proportion of exits to temporary destinations, displayed in the table below. Of these individuals, the demographic information was as follows:

- 60% Male, 40% Female, less than 1% Transgender or Gender Non-Binary
- 63% White, 28% Black/African American, 5% Mixed Race, 3% American Indian, Alaska Native, or Indigenous, less than 1% Asian and Native Hawaiian or Other Pacific Islander, and
- 11% Hispanic/Latin(o)(a)(x)

Table 4: Exits to Temporary Destinations by CoC

	Percent of Homeless Service Clients Exiting to Temporary Destination
Statewide	16%
Balance of State CoC	11%
Wichita CoC	27%
Kansas City CoC (Kansas Geography only)	12%
Johnson CoC	21%
Topeka CoC	2%

3. *Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined by HUD in the Notice*

In state fiscal year 2020 (SFY20), the Kansas Coalition Against Sexual and Domestic Violence served 21,070 survivors. This included 2,525 individuals in shelter and 196 individuals in transitional housing. The demographic composition of the 19,815 new survivors served in SFY20 are as follows:

Table 5: Demographics of New Survivors Served in SFY20

	Percent
Male	13%
Women	87%
White	60%
Black/African American	14%
American Indian or Alaskan Native	1%
Asian, Native Hawaiian, or Other Pacific Islander	1%
Other Race or Unknown	9%
Hispanic/Latino	14%
Under 18	15%
18-24	15%
25-40	43%
41-59	22%
60 and over	4%

Information on survivors of domestic violence was also requested from local CoCs. The data provided had high rates of missing information but identified 1,978 people experiencing homelessness who had experienced domestic violence and 612 individuals who were currently fleeing domestic violence.

Data on victims of human trafficking was not available. The Kansas Human Trafficking Advisory Board has recently convened a Data Collection Subcommittee due to the lack of data being an on-going issue in the state.

4. Other populations requiring services or housing assistance to prevent homelessness and other populations at greatest risk of housing instability, as defined by HUD in the Notice

Veterans: According to HMIS data, there are an estimated 912 homeless veterans. The demographic information was as follows:

- 12% Female, 88% Male
- 62% White, 32% Black, African American, or African, 2.32% American Indian, Alaska Native or Indigenous, less than 1% Native Hawaiian or Pacific Islander, less than 1% Asian or Asian American, and 6.4% Hispanic/Latin(o)(x)(a)
- 62% of veterans in the homeless service system had a disabling condition

Severely Mentally Ill: According to the 2021 PIT count, Kansas estimates that approximately 257 individuals with severe mental illness are in emergency shelters and 103 are in transitional housing.

Disability Populations: According to HMIS data, there are an estimated 5,793 homeless individuals with disabling conditions. The demographic information of this subpopulation is as follows:

- 45% Female, 54% Male, less than 1% Transgender or nonbinary
- 69% White, 24% Black, African American, or African, 8% Hispanic/Latin(a)(o)(x), 4% Multiracial, 2.6% American Indian, less than 1% Asian or Asian American, less than 1% Native Hawaiian or Pacific Islander
- 7% of those with a disabling condition were children

Persons receiving, or who have been deemed eligible to receive, Supplemental Security Income (SSI) or Supplemental Security Disability Insurance (SSDI) include persons who are at least age 65 or blind or disabled, have limited income and limited resources (asset limit is \$2,000). In 2019 in Kansas, there were 47,365 persons who were receiving SSI payments equivalent to \$841/month. These individuals are vulnerable to homelessness.

Most SSI recipients use their small SSI income to pay monthly bills, making it very difficult to find a safe and affordable rental unit. If an SSI recipient rents a residence for \$500/month and if SSI is their sole income source, this would leave a balance of less than \$350/month to pay utilities, groceries, transportation, phone, clothing, and other necessities.

Due to the asset limit of \$2,000, SSI recipients rarely have an adequate financial safety net for unexpected expenses. Public agencies and nonprofit service organizations that support SSI recipients become their financial safety net but require funding to maintain that level of assistance.

Other qualifying populations include a subset of the 86,995 households with at least one of the following severe housing burdens: incomplete kitchen facilities, incomplete plumbing facilities, more than 1.5 persons per room, or cost burden greater than 50%. No data is available at this time on the number of households who are both extremely low income and experience any one of the seven additional risk factors identified in the HOME-ARP Implementation Notice.

Section 3: Current Resources Available to Assist Qualifying Populations

According to [Center on Budget and Policy Priorities](#), Kansas was awarded 13,648 housing vouchers, and 11,000 households were served with the tenant-based Section 8 housing choice vouchers. However, 147,000 low-income Kansas renters still pay more than half their income for housing, and 10,216 households in Kansas live in Section 8 project-based housing. [HUD's Public Housing Dashboard](#) shows the household distributions for rental housing assistance programs as follows:

- 19 households use Section 236 or Multi-Family Subsidized Housing
- 718 use Section 202 affordable housing for elderly persons
- 301 use Section 811 affordable housing for disabled persons

Since its first allocation of National Housing Trust Fund funds in 2017, KHRC invested its NHTF funds to create 92 rental units affordable to persons and households at 0-30% AMI with another 52 units under development. KHRC anticipates receiving an allocation of at least \$3 million annually from NHTF.

Section 4: Describe the Unmet Housing and Service Needs of Qualifying Populations:

The wait times for households to receive their first housing voucher in Kansas remains long – individuals must wait an average of 22 months across the state struggling to find affordable housing before receiving Housing Choice Vouchers from their local housing authority. According to the [Center on Budget and Policy Priorities](#), the average wait time for households using vouchers at the Kansas City, KS Housing Authority is 59 months. There are currently 7,519 households receiving a voucher in Kansas City. The average wait time in the Johnson County Housing Authority is 15 months for 1,436 households receiving vouchers, 20 months for 1,030 households in the Topeka Housing Authority, and 39 months for 2,678

households in the Wichita Housing Authority. The National Low Income Housing Coalition identified a shortage of 50,860 rental homes that are affordable and available for extremely low-income renters in Kansas. It identified 90,030 renter households in the state that are extremely low income, and 68% of these households were severely cost burdened.

[The Kansas Statewide Housing Needs Assessment of 2021](#) identified that in many regions the lack of housing at the higher and lower ends means that households are competing for the same units—those typically most attainable to middle-income households. There is a gap in all regions of Kansas, but most prominently in metropolitan areas. The following section describes the unmet needs of each of the qualifying populations, drawing on data from local reports, HMIS, and feedback from stakeholders.

1. Homeless as defined in 24 CFR 91.5

According to 2021 HMIS data, there are an estimated 12,068 households experiencing homelessness in Kansas. As of 2021, according to the HIC report, Kansas currently has 1,255 year-round permanent supportive housing beds, most of which are estimated to be occupied. Kansas also has 2,598 emergency shelter, transitional housing, and safe haven beds. This includes 1,705 year-round emergency shelter beds. This results in the following unmet needs:

Table 6: Unmet Housing Need for Homeless Individuals and Families

Population	Unmet Need
Adults with a disabling condition: 5,386	At least 4,131 supportive housing beds
Households with children: 2,841	2,254 family shelter beds and 2,660 family rapid rehousing units
Other households: 3,841	3,642 rapid rehousing units

Of those who entered the homeless service system in 2021, approximately 43% of people did not exit into permanent housing situations. 13% of people experiencing homelessness exited into homeless situations and 16% exited to temporary housing situations. This indicates a need for more affordable housing resources to be able to engage clients in services and move into housing.

2. At Risk of Homelessness as defined in 24 CFR 91.5

Data from Week 44 of the [US Census Bureau Household Pulse Survey](#):

- An estimated 74,923 persons in Kansas were behind on their housing payments from March 30-April 11
- 32,782 persons had no confidence in their ability to pay for housing in May 2022, and
- 18,207 persons thought they were somewhat or very likely to leave their homes due to eviction or foreclosure.

According to the stakeholder survey conducted by KHRC on the need for tenant-based rental assistance, there is a need for TBRA. Half the respondents said there was an adequate number of rental units as well as landlords willing to accept rental assistance in their area. Of the 18 respondents, five had no current waiting lists of applicants; ten had no unused vouchers. Twelve respondents said TBRA targeting Qualifying Populations would help them to meet their housing goals while 14 replied that such an initiative would enable them to better manage their waiting lists for vouchers. Notably, 12 respondents

revealed that additional TBRA targeted for Qualifying Populations would be manageable with their current administrative structure.

The margin of error due to small sample sizes makes it difficult to measure the extent to which certain demographics in Kansas are housing-challenged.

In addition, national data suggests that:

- Households identifying as Black and African American are nearly four times as likely, and Hispanic persons of any race are three times as likely, as white non-Hispanic households to be behind on their housing payments
- Low-income households earning less than \$25,000 annually are five times as likely as moderate-income households earning \$75,000 or more to be behind on their housing payments.

This suggests that low-income, and especially extremely low-income households and persons identifying as members of racial and ethnic minorities, are the most likely to have a disproportionate need for housing assistance due to the COVID-19 pandemic. This data suggests a need for additional affordable housing resources and eviction prevention resources. Feedback from stakeholders indicated a need for additional eviction mediation investments.

3. Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined by HUD in the Notice

According to the Kansas Coalition Against Sexual and Domestic Violence, in SFY20 there were 2,006 total unmet requests for shelter by individuals fleeing domestic violence or survivors of domestic violence, sexual assault, or stalking due to lack of shelter capacity. Kansas currently has 422 emergency shelter beds for survivors. Additionally, there are only 18 rapid rehousing units for survivors, despite 612 individuals identified in HMIS who were currently fleeing domestic violence.

4. Other populations requiring services or housing assistance to prevent homelessness and other populations at greatest risk of housing instability as defined by HUD in the Notice

Three continuums (BoS, Johnson County, and Wichita) provided data on individuals who were both chronically homeless and had a disabling condition, the criteria for permanent supportive housing. In these communities, there are 443 people who likely qualify as they meet both factors. In other continuums, there are an additional 998 individuals with a disabling condition and lengths of stays longer than six months who may soon qualify.

As estimated by the [Corporation for Supportive Housing](#) (CSH), pre-pandemic Kansas was in need of 9,701 supportive housing units. This includes individuals who are incarcerated and have behavioral health needs, individuals in nursing homes, developmental centers, psychiatric hospitals, and residential treatment facilities, as well as families and youth involved in the child welfare system due to lack of safe and affordable housing. Of these households, there were 845 families (including child welfare families and homeless families) who were in need of supportive housing, and 303 individuals and families were chronically homeless. The specific services needed include housing navigation and counseling, landlord liaison, daily living skills, eviction prevention, connection to benefits, vocational supports, medical and behavioral health care, family reunification, and other supports necessary to assist a person in maintaining housing safely. Feedback from stakeholders indicated a need for additional mental health resources,

medical support for people with disabilities, and childcare assistance for families. An overwhelming majority – 68% of renters in extremely low-income households – experience severe cost burden in Kansas.

Section 5: Identify Gaps Within the Shelter, Housing Inventory, and Service System:

Of Kansas's 105 counties, only 21 currently host emergency shelters (Allen, Barton, Butler, Crawford, Douglas, Ellis, Finney, Ford, Harvey, Johnson, Lawrence, Leavenworth, Lyon, Montgomery, Reno, Riley, Saline, Seward, Topeka, Wichita, and Wyandotte). According to Housing Inventory Chart (HIC) data from 2021, only Cherokee, Harvey, Shawnee, Wichita, Douglas, Leavenworth, Riley, Wyandotte, Johnson, and Saline counties currently have permanent supportive housing facilities. The greatest gap that Kansas currently faces in housing inventory is permanent supportive housing. A full housing inventory by county is provided in Appendix C.

The nearly 9% unsheltered homeless rate signifies the gap in safe and welcoming emergency shelter beds across the state. In addition to this, the number of unhoused people is likely much higher – in rural areas, unhoused individuals will seek shelter in the woods, abandoned farm buildings, or “couch-surf”, indicating a “hidden homeless population” not captured by PIT counts that perpetuates a cycle of scarcity. Indeed, according to state [Continuum of Care data](#), in the state of Kansas 943 people in rural areas (Balance of State) are homeless on any given night.

KHRC is aware that many of the current shelters operating do not have separate (non-congregate) sleeping quarters for individuals and families to feel safe and secure during a housing crisis. Others still may avoid shelters because of severe mental health issues that make it difficult to live with groups of people. As of 2020, non-congregate shelters are offered in Ford County-Dodge City, Johnson County-Gardner, Leavenworth County-Lansing, Lyon County-Emporia, Saline County-Salina, Seward County-Liberal, and Wyandotte County-Kansas City.

The pandemic has posed a unique challenge to Kansas PJs' ability to effectively shelter the homeless population. Unsheltered homelessness is on the rise across the nation, and in Kansas. According to the [National Alliance to End Homelessness](#), the total unsheltered population in Kansas in 2020 was 482 individuals, a 71% increase from 2016 to 2020. In 2021, the unsheltered PIT count in Kansas was canceled due to the risk of COVID-19 transmission associated with conducting an in-person survey. Thus, an accurate estimate of unsheltered persons in the state is exceedingly difficult to establish. There are several factors that contribute to unsheltered homelessness – mainly shelter capacity, lack of low-barrier access to services, resource knowledge, and affordable housing stock.

Finally, street outreach that had been funded through the Emergency Solutions Grant-Coronavirus (ESG-CV) source expired in September of 2022. This will create a critical gap in identifying and connecting people who experience homelessness with rental assistance funds that will remain available through 2025.

Section 6: Additional Characteristics Associated with Instability and Risk of Homelessness

The [Kansas Statewide Housing Needs Assessment of 2021](#) identified several additional trends in housing instability. The population is converging toward metropolitan counties in Kansas. Kansans are aging: the 65-74-year-old cohort grew the fastest since 2010, necessitating attention to accessible options and supportive housing for a growing elderly population.

Relative to incomes, housing values are depressed in many rural areas – depressed housing values make new construction difficult when appraisals may be lower than the cost to build. Income growth was also not equally distributed throughout the state or between owners and renters. Inflation from 2010-2019 meant that while incomes rose in all areas of Kansas, actual real income growth occurred most prominently in metropolitan areas and in some micropolitan areas. Rural areas did not experience as much income growth, with the Southeast region of the state experiencing the lowest growth in incomes across the state.

Kansas renters are also more cost burdened relative to owners since 2010. Since then, the number of households that are cost burdened has increased. As a result, households are delaying homeownership. Additionally, the costs for other daily necessities such as transportation and childcare have increased, further limiting the economic buying power of renters in Kansas. Finally, low production of housing units prevents households from moving into the market. Many households with diverse incomes are competing for similarly priced units rather than having a choice in options that match their incomes or stage in life.

Section 7: Identify priority needs for qualifying populations:

Based on this information, the priority needs among the qualifying populations are affordable and supportive housing solutions. This includes, but is not limited to:

- Affordable and accessible housing
- Dedicated services and housing for unaccompanied minors, youth from all qualifying populations, and families
- Increased units for permanent supportive housing
- Domestic violence shelters
- Increased service investments in mental health, behavioral health, and medical support services, and
- Availability of eviction prevention and mediation services to prevent homelessness.

Section 8: Explain How the PJ Determined the Level of Need and Gaps

- 2021 HMIS Data from the Kansas Balance of State, Johnson County CoC, Topeka/Shawnee CoC, Wichita CoC, and Wyandotte County CoC
- Point-in-Time Count and Housing Inventory Count Data, 2020-2021 Kansas Statewide
- Comprehensive Housing Affordability Strategy Data, 2014-2018 Kansas Statewide
- HUD's [Public Housing Dashboard](#)
- Kansas Coalition Against Sexual and Domestic Violence's 2020 Kansas Statewide Data Initiative Report of Domestic Violence, Sexual Assault, and Stalking Services

- [2021 Kansas Statewide Housing Assessment](#)
- [Kansas Statewide Homeless Coalition](#)
- National Low Income Housing Coalition's 2021 [Out of Reach](#) and [Housing Needs](#) Reports
- Center on Budget and Policy Priorities' [2019 National and State Housing Fact Sheets & Data](#)
- National Alliance to End Homelessness's [State and CoC Dashboards](#), and
- United States Census Data including:
 - [2020 American Community Survey Demographic and Housing Estimates](#)
 - [Household Pulse Survey, Week 44 \(March 30-April 11\)](#)

HOME-ARP Activities

Section 1: Describe the method(s) that will be used for soliciting applications for funding and/or selecting developers, service providers, subrecipients and/or contractors:

KHRC will solicit applications from developers, service providers, and/or subrecipient organizations to administer eligible activities and/or develop shelter and housing. One or more RFPs will be issued. Each RFP will, at a minimum, specify eligible applicants, eligible activities, minimum and maximum funding amounts, application thresholds, and underwriting criteria, and will provide instructions on how to submit an application. In addition to soliciting applications through a HOME-ARP RFP, KHRC may provide HOME-ARP funding to applicants that have applied for LIHTC projects proposed in locations where an unmet need for Qualifying Populations was identified through the needs assessment.

Each RFP issued will be specific in describing the unmet needs identified through stakeholder consultations and data analysis by geographic region as applicable. Organizational capacity of applicants will be a primary element to be assessed through proposals as a way of determining where HOME-ARP funding should be awarded for nonprofit operating expenses and capacity building.

As an agency overseeing vast rural areas and several metro areas with varying needs, KHRC will review proposals to determine which best addresses localized unmet needs before deciding on specific projects to approve for funding. The level of organizational capacity will also be a factor in project selection. Applications will be evaluated according to criteria such as organizational or developer experience, capacity building, demonstrated effective grant management experience, services offered, housing need, project readiness, and leveraged resources, among other factors.

KHRC has reviewed other state and federal funding resources available to the agency that potentially can be used as leverage for maximizing its HOME-ARP investment. KHRC's goal of producing 20 affordable rental units serving Qualifying Populations is meant to foster the production of additional affordable units as HOME-ARP funds are combined with other resources (state funds, LIHTC, Housing Trust Funds, etc.). In addition, some PJs in Kansas may consider providing some of their HOME-ARP funds to finance a project that would also be requesting KHRC HOME-ARP funds.

2. Describe whether the PJ will administer eligible activities directly:

KHRC will not directly administer HOME-ARP activities beyond program administration and planning.

3. If any portion of the PJ's HOME-ARP administrative funds are provided to a subrecipient or contractor prior to HUD's acceptance of the HOME-ARP allocation plan because the subrecipient or contractor is responsible for the administration of the PJ's entire HOME-ARP grant, identify the subrecipient or contractor and describe its role and responsibilities in administering all of the PJ's HOME-ARP program:

No HOME-ARP administrative funds have been provided to a subrecipient or contractor prior to HUD's acceptance of the HOME-ARP allocation plan.

Table 7. Use of HOME-ARP Funding

	Funding Amount	Percent of the Grant	Statutory Limit
Supportive Services	\$ 5,732,412.50		
Acquisition and Development of Non-Congregate Shelters	\$ 2,292,965.00		
Tenant Based Rental Assistance (TBRA)	\$ 2,292,965.00		
Development of Affordable Rental Housing	\$ 6,878,895.00		
Non-Profit Operating	\$ 1,146,482.50	5 %	5%
Non-Profit Capacity Building	\$ 1,146,482.50	5 %	5%
Administration and Planning	\$ 3,439,447.50	15 %	15%
Total HOME ARP Allocation	\$ 22,929,650.00		

4. Describe how the PJ will distribute HOME-ARP funds in accordance with its priority needs identified in its needs assessment and gap analysis:

The HOME-ARP budget was driven by the priority needs identified as a result of extensive stakeholder consultation and data analysis. KHRC will distribute 30% of its HOME-ARP allocation for the development of affordable rental housing, including permanent supportive housing. An overall lack of affordable rental units was one of the most frequently identified unmet needs among stakeholders. Tight rental markets in metro areas with high rents make it extremely difficult for service providers to find units that are affordable and in decent condition for their clients. Another 25% of HOME-ARP funding will enable nonprofit organizations serving Qualifying Populations to provide supportive services with the objective of keeping them housed or assisting them with accessing affordable housing.

KHRC anticipates funding requests for non-congregate shelter development, allocating 10% of its HOME-ARP grant for this eligible activity. At this time, without more defined plans, including how potential applicants would finance the operations of such a facility, KHRC anticipates providing additional details in an amendment to its HOME-ARP Allocation Plan.

For TBRA activities, KHRC has allocated 10% of its HOME-ARP funds. Stakeholder consultations revealed a need for tenant rental assistance in some areas of the state where housing markets are less competitive and providers are able to find affordable units for clients. Providing TBRA in these situations would foster housing stability and lower cost burden for Qualifying Populations under 50% AMI.

As an opportunity to build capacity among provider organizations and assist with operational expenses related to HOME-ARP funded activities, KHRC will allocate 5% of its grant to nonprofit capacity building and 5% to nonprofit operating expenses. According to stakeholders, many of which are stretched thin with staffing, they have the expertise to provide new or additional services but need adequate funding to do this.

5. Describe how the characteristics of the shelter and housing inventory, service delivery system, and the needs identified in the gap analysis provided a rationale for the plan to fund eligible activities:

Based on stakeholder consultations and data analysis, KHRC identified priority needs among the Qualifying Populations are affordable and supportive housing solutions. This includes, but is not limited to:

- Affordable and accessible housing
- Dedicated services and housing for unaccompanied minors, youth from all qualifying populations, and families
- Increased units for permanent supportive housing
- Domestic violence shelters
- Increased service investments in mental health, behavioral health, and medical support services, and
- Availability of eviction prevention and mediation services to prevent homelessness.

HOME-ARP Production Housing Goals

1.Estimate the number of affordable rental housing units for qualifying populations that the PJ will produce or support with its HOME-ARP allocation:

KHRC estimates that it can support the development of 20 new rental housing units, depending on the financing structure of the developments. This goal was based on an estimated total development cost of \$275,000/unit. The amount allocated to new housing development also includes pre-funding of operational reserves for the Qualifying Populations to be assisted.

2.Describe the specific affordable rental housing production goal that the PJ hopes to achieve and describe how the production goal will address the PJ's priority needs:

Although a modest production goal, 20 new affordable rental units will further KHRC's mission to provide affordable housing. If spread across several project developments in different locations across the state, these units would provide housing for the most vulnerable Kansans in community-based settings meant to stabilize their housing situation and improve their quality of life. Additionally, the budget reflects the deep subsidy needed to provide affordable housing for at least 20 years to the lowest-income Qualifying Populations.

Preferences

1. Identify whether the PJ intends to give preference to one or more qualifying populations or a subpopulation within one or more qualifying populations for any eligible activity or project:

KHRC will determine if preferences will be established for an eligible activity on a project-by-project basis and will submit an amendment to its HOME-ARP Allocation Plan before committing funds.

2. If a preference was identified, explain how the use of a preference or method of prioritization will address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or subpopulation of qualifying population, consistent with the PJ's needs assessment and gap analysis:

Not applicable.

Referral Methods

1. Identify the referral methods that the PJ intends to use for its HOME-ARP projects and activities. PJs may use multiple referral methods in their HOME-ARP program.

(Optional):

KHRC will determine the referral methods, if any, for an eligible activity on a project-by-project basis and will submit an amendment to its HOME-ARP Allocation Plan before committing funds.

2. If the PJ intends to use the coordinated entry (CE) process established by the CoC, describe whether all qualifying populations eligible for a project or activity will be included in the CE process, or the method by which all qualifying populations eligible for the project or activity will be covered. (Optional):

Not applicable.

3. If the PJ intends to use the CE process established by the CoC, describe the method of prioritization to be used by the CE. (Optional):

Not applicable.

4. If the PJ intends to use both a CE process established by the CoC and another referral method for a project or activity, describe any method of prioritization between the two referral methods, if any. (Optional):

Not applicable.

Limitations in a HOME-ARP Rental Housing or NCS Project

1.Describe whether the PJ intends to limit eligibility for a HOME-ARP rental housing or NCS project to a particular qualifying population or specific subpopulation of a qualifying population identified in section IV.A of the Notice:

KHRC will determine the use of limitations, if any, for an eligible activity on a project-by-project basis and will submit an amendment to its HOME-ARP Allocation Plan before committing funds.

2.If a PJ intends to implement a limitation, explain why the use of a limitation is necessary to address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or subpopulation of qualifying population, consistent with the PJ's needs assessment and gap analysis:

Not applicable.

3.If a limitation was identified, describe how the PJ will address the unmet needs or gaps in benefits and services of the other qualifying populations that are not included in the limitation through the use of HOME-ARP funds (i.e., through another of the PJ's HOME-ARP projects or activities):

Not applicable.

HOME-ARP ALLOCATION PLAN

Round 1 Listening Sessions with Stakeholders
March 28-31 and April 4, 2022

**KANSAS
HOUSING**
RESOURCES CORPORATION

AGENDA

What is HOME-ARP?

Defining the Qualifying Populations

Eligible Activities

Unmet Needs of the Qualifying Populations

Wrap-up and Next Steps

THE HOME- AMERICAN RESCUE PROGRAM (ARP)

SEC. 3205. HOMELESSNESS ASSISTANCE AND SUPPORTIVE SERVICES PROGRAM.

Provides \$5 billion of supplemental HOME funds to assist individuals or households who are homeless, at risk of homelessness and other vulnerable populations by providing housing, rental assistance, supportive services, and non-congregate shelter

QUALIFYING POPULATIONS

Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act

At-risk of homelessness, as defined in section 401(1) of the McKinney-Vento Homeless Assistance Act

Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, as defined by the Secretary

In other populations where providing supportive services or assistance under section 212(a) of the Act (42 U.S.C. 12742(a)) would prevent the family's homelessness or would serve those with the greatest risk of housing instability

Veterans and families that include a veteran family member that meet one of the preceding criteria

an individual or family who lacks a fixed, regular, and adequate nighttime residence

an individual or family with a primary nighttime residence that is a public or private place not meant for human habitation, including a car, park, abandoned building, bus or train station, airport, or camping ground

an individual or family living in shelter designated to provide temporary living arrangements

an individual who resided in a shelter or place not meant for human habitation and who is exiting an institution where he or she temporarily resided

an individual or family who will imminently lose their housing, including housing they own, rent, or live in without paying rent, are sharing with others, and rooms in hotels or motels

HUD DEFINITION: HOMELESS

HUD DEFINITION: AT RISK OF HOMELESSNESS

Income at or below 30% AMI, lacks
sufficient resources to attain housing
stability, **AND**

Multiple Moves: Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for assistance

Doubled Up: Is living in the home of another because of economic hardship

Hotel/Motel: Lives in a hotel or motel and the cost is not paid for by charitable organizations or by federal, state, or local government programs for low-income individuals

Overcrowded Housing: Lives in a single room occupancy (SRO) or efficiency apartment unit where two or more persons reside or where there are more than one-and-a-half persons per room

Exiting Institution: Is exiting a publicly funded institution or system of care (e.g., jail, prison, psychiatric hospital, etc.);

FIVE ELIGIBLE ACTIVITIES

PRODUCTION
OR
PRESERVATION
OF AFFORDABLE
HOUSING

TENANT-BASED
RENTAL
ASSISTANCE
(TBRA)

SUPPORTIVE
SERVICES,
HOMELESS
PREVENTION
SERVICES, AND
HOUSING
COUNSELING

PURCHASE AND
DEVELOPMENT
OF NON-
CONGREGATE
SHELTER

NONPROFIT
OPERATING
AND CAPACITY
BUILDING

DISCUSSION

What are the unmet needs of
the Qualifying Populations?

NEXT STEPS

Take the online survey at: <https://www.surveymonkey.com/r/LHJC9QX>

Comments from these sessions and the survey will be considered when drafting the Allocation Plan

Round 2 Conversations are scheduled for April 25-28 and will focus on identifying eligible activities to address unmet needs of QPs

Recordings of these sessions will be uploaded to KHRC's HOME-ARP project webpage

A 15-day public comment period on the Draft Allocation Plan is tentatively scheduled for September

Submission of the HOME-ARP Allocation Plan to HUD is anticipated in late September/early October

Kansas Housing Resources Corporation

HOME-ARP Stakeholder Discussions

Join us to hear a summary of the unmet housing and supportive service needs identified for Kansas's HOME-ARP Allocation Plan. Stakeholders will be asked how these funds might address community housing needs and gaps in supportive services for the Qualifying Populations and their capacity to assist in the implementation of eligible activities.

For additional details about HOME-ARP, [view this video](#).

Stakeholder Session #1

June 28, 2022 | 10:00 - 11:30 AM CST

Meeting link: <https://meet.goto.com/453041613>

Join via phone: +1 (646) 749-3122

Access code: 453-041-613

Stakeholder Session #2

June 29, 2022 | 10:00 - 11:30 AM CST

Meeting link: <https://meet.goto.com/267993997>

Join via phone: +1 (786) 535-3211

Access code: 267-993-997

HOME-ARP ALLOCATION PLAN

Round 2 Conversation Sessions with Stakeholders
June 28-29, 2022

AGENDA

Review of HOME-ARP

Qualifying Populations

Needs Identified from Stakeholder Listening Sessions

Needs Assessment & Gaps Analysis

Eligible Activities and Things to Consider

Wrap-up and Next Steps

THE HOME- AMERICAN RESCUE PROGRAM (ARP)

SEC. 3205. HOMELESSNESS ASSISTANCE AND SUPPORTIVE SERVICES PROGRAM.

Provides \$5 billion of supplemental HOME funds to assist individuals or households who are homeless, at risk of homelessness and other vulnerable populations by providing housing, rental assistance, supportive services, and non-congregate shelter

KHRC will receive \$22,929,650

QUALIFYING POPULATIONS

Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act

At-risk of homelessness, as defined in section 401(1) of the McKinney-Vento Homeless Assistance Act

Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, as defined by the Secretary

In other populations where providing supportive services or assistance under section 212(a) of the Act ([42 U.S.C. 12742\(a\)](#)) would prevent the family's homelessness or would serve those with the greatest risk of housing instability

NEEDS IDENTIFIED FROM STAKEHOLDER LISTENING SESSIONS

STAKEHOLDER IDENTIFIED NEEDS

Inadequate housing at all price points, but especially affordable units that are accessible and organizations with capacity to develop

Permanent Supportive Housing

Tenant-based Rental Assistance with case management and risk mitigation fund for landlords

Non-congregate shelter

Housing for difficult-to-house: released offenders, sexual offenders

STAKEHOLDER IDENTIFIED NEEDS

Supportive services such as basic life skills training, financial counseling, housing navigators, eviction diversion, childcare, employment training, case management, rent/utility deposits

Transitional Housing for veterans, persons exiting institutions

Emergency Shelter housing in rural areas

Homeless prevention services

Increased capacity among service providers

NEEDS ASSESSMENT & GAP ANALYSIS OF QPS

DATA ANALYSIS: QUALIFYING POPULATIONS

20%

Of homeless remain in system for 6+ months; higher rates in Wyandotte County (38%) and Johnson County (31%)

147,000

Renter households paying more than 50% of income on rent

12,068

Households experienced homelessness during 2021 Point in Time

1,409

Individuals moved to temporary housing = greater risk to return to homelessness; highest in Wichita and Johnson County

21,070

Survivors served by Kansas Coalition Against Sexual & Domestic Violence in 2020 (19,815 were new survivors)

UNMET NEEDS: HOMELESS QP

4,131

Supportive housing beds for
adults with a disabling condition

2,254
+
2,660

Family shelter beds plus family
rapid rehousing beds

3,642

Rapid rehousing units for non-
family households

UNMET NEEDS: AT RISK OF HOMELESS QP

74,923

Persons behind on their housing payments from March 30-April 11, 2022

32,782

Persons who had no confidence in their ability to pay for housing in May 2022

18,207

Persons who thought they were "somewhat" or "very likely" to leave their home due to eviction or foreclosure

UNMET NEEDS: FLEEING OR ATTEMPTING TO FLEE QP

2,006

Total unmet requests for shelter by individuals fleeing domestic violence or survivors of domestic violence, sexual assault or stalking due to lack of shelter capacity

612

Individuals identified in HMIS who were fleeing domestic violence; only 18 rapid rehousing units were available

UNMET NEEDS: OTHER POPULATIONS REQUIRING SERVICES/HOUSING TO PREVENT HOMELESSNESS

443

Persons who likely qualify
(Balance of State, Johnson Co
and Wichita CoCs)

998

Persons with a disabling
condition and length of stays
longer than six months

9,701

Supportive housing units
estimated in pre-pandemic
Kansas by Corporation for
Supportive Housing

FIVE ELIGIBLE ACTIVITIES

PRODUCTION
OR
PRESERVATION
OF AFFORDABLE
HOUSING

TENANT-BASED
RENTAL
ASSISTANCE
(TBRA)

SUPPORTIVE
SERVICES,
HOMELESS
PREVENTION
SERVICES, AND
HOUSING
COUNSELING

PURCHASE AND
DEVELOPMENT
OF NON-
CONGREGATE
SHELTER

NONPROFIT
OPERATING
AND CAPACITY
BUILDING

DISCUSSION

Things to Consider when
Identifying HOME-ARP Eligible
Activities that Best Address
Housing Needs and Services

27

NEW RENTAL PRODUCTION (acquisition, construction or rehabilitation of rental housing units)

ELIGIBLE COSTS:

- Entire amount of eligible costs may be financed with HOME-ARP
- Occupants are eligible for HOME-ARP TBRA assistance
- Acquisition of vacant land or demolition is eligible if construction is expected to start within 12 months of commitment
- 100% of hard costs including site improvements, utility costs and connections, rehabilitation of laundry and/or community facilities within the same building as the HOME-ARP units
- Refinance existing debt secured by a HOME-ARP rental project
- Acquisition of improved or unimproved real property
- Related soft costs
- Relocation costs (specific)
- Certain costs related to payment of construction, bridge or guaranteed loans if HOME-ARP is part of original financing
- Operating costs assistance can be capitalized for: (1) ongoing operating costs for assistance OR (2) operating reserve during compliance period

IMPORTANT THINGS TO CONSIDER:

- The level and degree of developer capacity to undertake a complex project
- No more than 30% of total HOME-ARP assisted rental units may be occupied by Low Income (LI) households (distinct from Qualifying Population households) and rents cannot exceed the greater of Fair Market Rents or 30% of Adjusted Gross Income (i.e., HOME rents)
- Annual rent contributions required for all occupying households (QP and Low Income) during 15-year compliance period
- Not less than 70% of total HOME-ARP units can be QP households
- Repayment of HOME-ARP funds is required if a project is not completed within four years of commitment, not rented to eligible households within 12 months of project completion or terminated before completion, or not in compliance with HOME-ARP
- QP households remain eligible as tenants regardless if income increases during tenancy; rent must be calculated to income annually
- Minimum 15-year compliance period regardless of amount of HOME-ARP funding or term of Housing Assistance Payment contract, whichever is greater
- Master leasing is permitted

TENANT-BASED RENTAL ASSISTANCE

ELIGIBLE COSTS:

- Rental assistance, security deposit assistance and utility payments
- Utility deposits (only if rental assistance or security deposit is paid)
- A HOME-ARP sponsor organization may facilitate leasing of a HOME-ARP unit, make rental subsidy payments and pay security deposit on behalf of QP households

IMPORTANT THINGS TO CONSIDER:

- Households receiving HOME-ARP TBRA can port out without losing assistance
- PJ must determine rent reasonableness
- PJ determines maximum term and whether or not it's renewable—all funds must be spent by 2030
- If a PHA receives HOME-ARP for tenant-based rental assistance, then the PHA may need to revise its tenant preferences to include one or more of the QPs
- May be difficult in tight rental market and in a market with few participating landlords

NON-CONGREGATE SHELTER

ELIGIBLE COSTS:

- Improved or unimproved real property
- Demolition of existing structures to develop non-congregate shelter units
- Improvements to the project site including utilities, utility connections, laundry facilities, community facilities, on-site management, supportive service offices
- Reasonable and necessary related soft costs
- Capitalization of a replacement reserve to cover reasonable and necessary replacement costs of major systems

IMPORTANT THINGS TO CONSIDER:

- Cannot fund operating costs of the facility so other funding sources will need to be identified before the non-congregate shelter could be approved for HOME-ARP funds
- Can provide supportive services to individuals and households living in the non-congregate shelter
- Occupants cannot be charged rent or a fee and no lease is required
- Units can be converted to permanent housing after restricted use period
- Cannot use HOME-ARP to fund conversion of non-congregate shelter units to permanent or transitional housing (although conversion can occur with other sources of funds)
- Must operate according to Emergency Solutions Grant shelter guidelines

SUPPORTIVE SERVICES

ELIGIBLE COSTS:

- Limited to McKinney-Vento Supportive Services, Homelessness Prevention Services and Housing Counseling Services
- Under McKinney-Vento: childcare, basic education, employment assistance, job training, providing meals/groceries, securing housing, certain legal services, teaching critical life management skills, financial assistance such as rental application fees, security deposits, utility deposits, rental arrears and more
- Homelessness Prevention Services limited to regaining stability in current permanent housing or moving to other permanent housing to achieve stability
- Housing Counseling Services include only services provided by HUD-certified housing counselors and organizations, including costs associated with pre-purchase homebuying counseling

IMPORTANT THINGS TO CONSIDER:

- Supportive services have quarterly reporting requirements
- Cannot duplicate existing supportive services
- Consider how funding of supportive services would be continued after 2030
- Can be combined with other HOME-ARP activities
- What is the level of capacity within organizations to provide services?

NON-PROFIT OPERATING AND CAPACITY-BUILDING ASSISTANCE

ELIGIBLE COSTS:

- General operating costs
- Provision of capacity building assistance that will result in expansion or improvement in organization's ability to carry out an eligible HOME-ARP activity

IMPORTANT THINGS TO CONSIDER:

- Only available to nonprofit organizations that will carry-out other HOME-ARP activities
- Operating assistance cannot exceed the greater of 50% of general operating expenses of the organization for a year, or \$50,000
- Capacity building assistance may not exceed the greater of 50% of general operating expenses for a year, or \$50,000
- If an organization receives both, the aggregate amount cannot exceed the greater of 50% of the organization's total operating expenses or \$75,000

NEXT STEPS

Comments from these sessions will be considered when drafting the Allocation Plan

The online survey closes this Friday at noon

Recordings of these sessions will be uploaded to KHRC's HOME-ARP project webpage

A 15-day public comment period on the Draft Allocation Plan is tentatively scheduled for October

Submission of the HOME-ARP Allocation Plan to HUD is anticipated in late October/early November

17TH ANNUAL KANSAS HOUSING CONFERENCE

- August 30 – September 1, 2022
- Hybrid event – in-person at the Hyatt Regency Wichita or online
- [Register for the conference](#)

Kansas Housing Resource Corporation

HOME-ARP Stakeholder Discussion

As an organization dedicated to the protection of civil rights, KHRC is inviting you to participate in a 90-minute stakeholder consultation session on the HOME-ARP Program. This new program focuses on the housing and supportive needs of the homeless and those at risk for homelessness. Specifically, the purpose of this session is to learn from participants how individuals and families who are homeless or at risk for homelessness are being discriminated against in their attempts to find and keep housing.

What are their priority needs in the context of civil rights? What barriers do they encounter when applying for rental assistance? What has been your experience when investigating fair housing complaints?

Please join our discussion and provide insight into this issue as KHRC develops its plan for \$22,929,650 in new funding to meet the unmet housing and supportive service needs of these populations.

Civil Rights Stakeholder Consultation
September 15, 2022 | 1:00 - 2:30 PM

- Ability to respond timely to solicitation from agency and timely initiate consultation/design and project needs.
- Respondent must show proof of registration and or certification with the Kansas State Board of Technical Professions for applicable work classifications.
- 10 or more years of verifiable experience in licensed mechanical-electrical-plumbing engineering (15 or more preferred)

Proposals should include a PDF of the following: Statement of professional qualifications (similar to State of Kansas DCC Forms 050,052,054), and information regarding similar work experience. Include firm name, address, contact phone number, and email.

To be considered, proposals should be via email along with a transmittal to brett.blackburn@ks.gov. It is the proposer's responsibility to ensure proposals are received by the closing date and time. Delays in email delivery or any other means of transmittal shall not excuse late proposal submissions. Proposals received after the date and time noted below will not be considered. The PDF proposal submissions shall be delivered to the attention of brett.blackburn@ks.gov later than 5:00 p.m. on or before Friday, November 18, 2022.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Secretary

Doc. No. 050581

State of Kansas

Kansas Housing Resources Corporation

Notice of Hearing and Comment Period

The Kansas Housing Resources Corporation (KHRC) announces that a public hearing and public comment period will be held to obtain needs information for the 2021

Annual Action Plan American Rescue Plan Substantial Amendment. The Annual Action Plan is the State of Kansas's application and distribution plan for the U.S. Department of Housing and Urban Development (HUD), Office of Community Planning and Development (CPD) Block Grant Programs (HOME, ESG, CDBG, HTF, and HOPWA). Kansas received an additional funding allocation through the American Rescue Plan Act (ARPA) to be administered through the HOME Investment Partnerships Program (HOME) to perform activities that must primarily benefit qualifying individuals and families who are homeless, at risk of homelessness, or in other vulnerable populations. These funds are governed by HUD CPD Notice 21-10: Requirements for the Use of Funds in the HOME-American Rescue Plan Program issued September 13, 2021.

KHRC conducted an extensive stakeholder consultation process to identify unmet housing and service needs among qualifying individuals and families who are homeless, at risk of homelessness, or in other vulnerable populations. Based on this information, KHRC has identified the following priority needs:

- Affordable and accessible housing.
- Dedicated services and housing for unaccompanied minors/youth from all qualifying populations and families.
- Increased units for permanent supportive housing.
- Domestic violence shelters.
- Increased service investments in mental health, behavioral health, and medical support services.
- Availability of eviction prevention and mediation services to prevent homelessness.

The State of Kansas's HOME-ARP Allocation Plan proposes the following eligible activities and budget amounts:

Supportive services	\$5,732,412.50
Acquisition/development of non-congregate shelters	\$2,292,965
Tenant-based rental assistance	\$2,292,965
Development of affordable rental housing	\$6,878,895
Nonprofit operating	\$1,146,482.50
Nonprofit capacity building	\$1,146,482.50
Administration and planning	\$3,439,447.50
Total Allocation	\$22,929,650

A public hearing will be held for the purpose of obtaining public input from 10:00 a.m. to 11:30 a.m. (CDT) Tuesday, November 1, 2022. A draft of the Substantial Amendment, which includes the HOME-ARP Allocation Plan, will be available for public comment beginning at 12:00 p.m. (CDT) Tuesday, November 1, 2022 through 12:00 p.m. (CST) Wednesday, November 16, 2022. Oral and written comments will be accepted during the public hearing. Written comments can also be emailed to aphillips@kshousingcorp.org. To be considered, all oral and written comments must be received by KHRC no later than 12:00 p.m. (CST) Wednesday, November 16, 2022.

The public hearing at 10:00 a.m. (CDT) Tuesday, November 1 at 10:00am can be accessed via Zoom. Register in advance for this meeting at <https://us06web.zoom.us/j/zoom/register/tZYqfuupqzktGd2GmbYb8Q17h5A1cKrBNP7f>.

After registering, you will receive a confirmation email containing information about joining the meeting.

If you need a sign language interpreter, an assistive listening device, large print, Braille material, or other accommodation to attend this meeting, please notify KHRC at least one week prior to the meeting. Requests may be addressed to KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803 or by phone at 785-217-2001 or via the Kansas relay service.

The amended 2021 Annual Action Plan containing the HOME-ARP Allocation Plan will be available for review at <https://kshousingcorp.org/home-arp/>. Send written comments by email to aphillips@kshousingcorp.org no later than 12:00 p.m. (CST) Wednesday, November 16, 2022.

State of Kansas

Governor's Grants Program

Notice of Available Grant Funding

Grant funds are available from the Federal Sexual Assault Services Grant Program (SASP) for calendar year 2023. This grant program recognizes the need to place increased focus on sexual assault, rape, sex trafficking, and other severe forms of trafficking in persons who have also experienced sexual assault in order to address the lack of available direct intervention and related assistance services and the unique aspects of sexual assault trauma. Women and men of all ages, as well as children, can be victims of sexual assault. There is approximately \$559,000 available for grant awards. Available grant funds may be awarded to rape crisis centers and other nonprofit, nongovernmental organizations who are accredited by the Kansas Coalition Against Sexual and Domestic Violence or tribal programs for activities that provide rape and sexual assault services for the defined grant project purposes.

All grant applications must be submitted via the Governor's Grant Portal by 11:59 p.m. November 17, 2022. To quickly locate the grant in the Grant Portal, use "SASP" for the keyword in your search or access the 2023 SASP Solicitation at https://grants.ks.gov/docs/librariesprovider22/sasp/2023-sasp-solicitation.pdf?sfvrsn=f7d84ea4_2.

A pre-application webinar will be held at 1:00 p.m. Wednesday, November 2, 2022. The webinar may be accessed at <https://us06web.zoom.us/j/88647140418>.

Governor's Grant Program

Notice of Available Grant Funding

Grant funds are available from the Federal S.T.O.P. (Services*Training*Officers*Prosecutors) Violence Against Women Grant Program for calendar year 2023 to award approximately \$3 million to support communities in their efforts to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes

against women; develop and strengthen victim services in cases involving crimes against women; and promote a coordinated community response to victims of domestic violence, dating violence, sexual assault/rape, and stalking. Eligible applicants include units of state and local government; Native American Tribes; and nonprofit, community, or faith-based organizations, including underserved and culturally specific populations.

All grant applications must be submitted via the Governor's Grant Portal by 11:59 p.m., November 14, 2022. To quickly locate the grant in the Grant Portal, use "WOMEN" for the keyword in your search or access the 2023 VAWA Solicitation at https://grants.ks.gov/docs/librariesprovider22/vawa/2023-vawa-solicitation.pdf?sfvrsn=b4fe539a_2.

A pre-application webinar will be held at 9:00 a.m. Wednesday, November 2, 2022. The webinar may be accessed at <https://us06web.zoom.us/j/82989568098>.

Doc. No. 050574

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stege-

KHRC Website – HOME-ARP Current Announcements

[illegible]

HOME-ARP Public Hearing

KHRC has spent the last several months hosting listening sessions and gathering data in support of the development of KHRC's HOME-ARP Allocation Plan.

HOME-ARP is designed to serve individuals and families who are:

- Homeless
- At Risk of Homelessness
- Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking
- Other Populations
 - Other Families Requiring Services or Housing Assistance to Prevent Homelessness
 - At Greatest Risk of Housing Instability
- Veterans, and families that include a veteran family member, that meet the criteria for one of the qualifying populations described above are eligible to receive HOME-ARP assistance

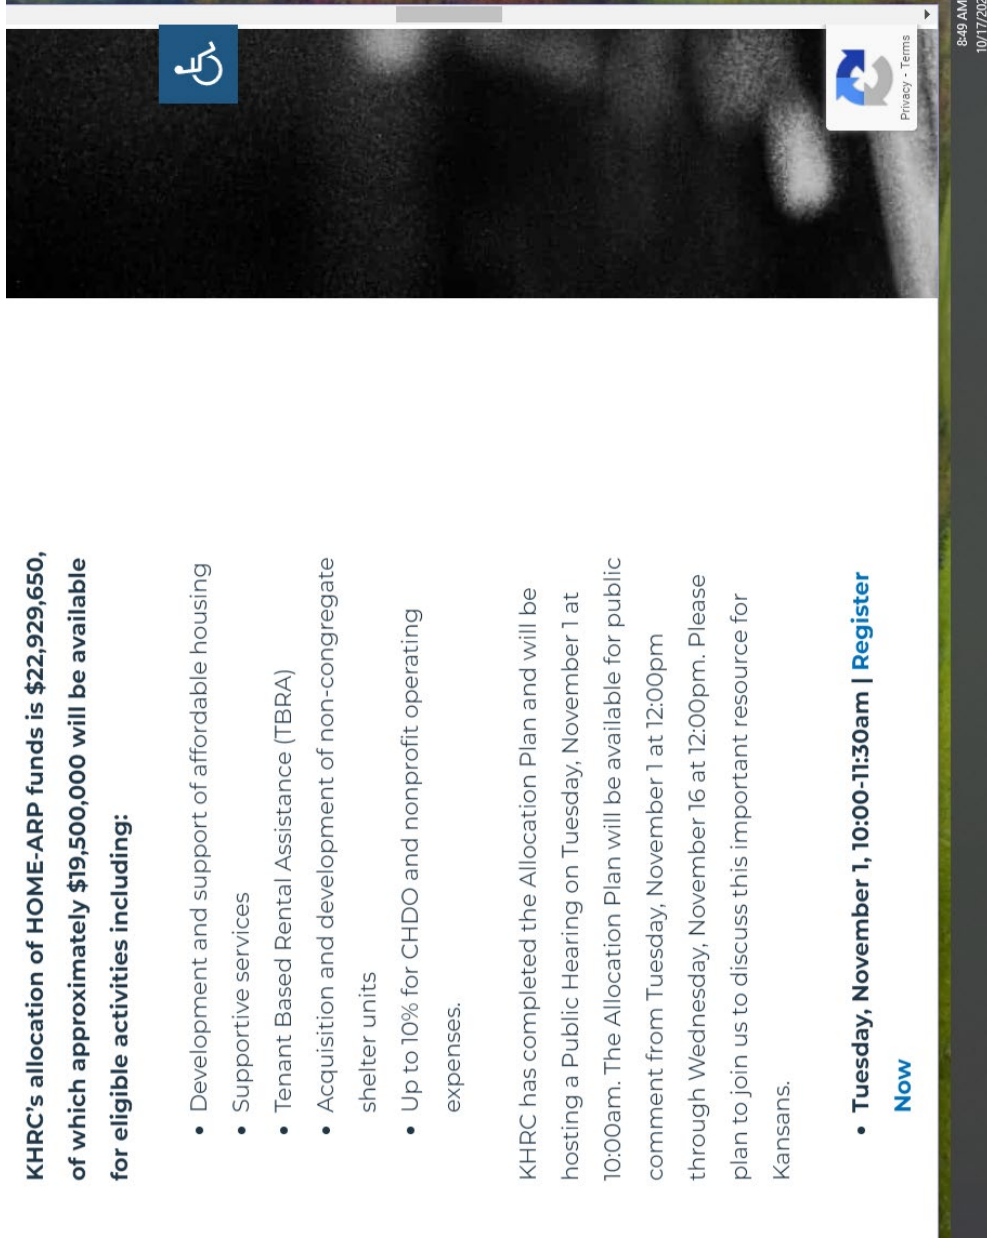

KHRC's allocation of HOME-ARP funds is \$22,929,650, of which approximately \$19,500,000 will be available for eligible activities including:

- Development and support of affordable housing
- Supportive services
- Tenant Based Rental Assistance (TBRA)
- Acquisition and development of non-congregate shelter units
- Up to 10% for CHDO and nonprofit operating expenses.

KHRC has completed the Allocation Plan and will be hosting a Public Hearing on Tuesday, November 1 at 10:00am. The Allocation Plan will be available for public comment from Tuesday, November 1 at 12:00pm through Wednesday, November 16 at 12:00pm. Please plan to join us to discuss this important resource for Kansans.

- **Tuesday, November 1, 10:00-11:30am | [Register Now](#)**

KHRC has spent the last several months hosting listening sessions and gathering data in support of the development of KHRC's HOME-ARP Allocation Plan. HOME-ARP is designed to serve individuals and families who are:

- KHRC's allocation of HOME-ARP funds is \$22,929,650, of which approximately \$19,500,000 will be available for eligible activities including:

- KHRC has completed the Allocation Plan and will be hosting a Public Hearing on Tuesday, November 1 at 10:00am. The Allocation Plan will be available for public comment from Tuesday, November 1 at 12:00pm through Wednesday, November 16 at 12:00pm. Source: 2021 Housing Inventory Count Reports; 2020 Point-in-Time Count Reports (most recent for the unsheltered count)

* In 2021, HUD gave communities the option to cancel or modify the unsheltered survey portion of their counts based on the potential risk of COVID-19 transmission associated with conducting an in-person survey. Therefore, unsheltered homelessness data was taken from 2020 Point-in-Time Counts.

** Current Gaps are calculated through the following method: Current Gap = (Sum of Units/Beds for Emergency Shelter, Transitional Housing, Permanent Supportive Housing, and Other Permanent Housing) - (Sum of Unsheltered and Sheltered Population)

*** The Lawrence PJ is included within the Kansas Balance of State. Disaggregated data from PIT and HIC reports were unable to be located. Therefore, the Lawrence County & Non-Entitlement Communities table represent estimates for 2 participating jurisdictions.

Appendix F: Emergency Shelter and Permanent Supportive Housing Inventory by County

The following data was geocoded based on HUD Housing Inventory Counts (HIC). Due to the geocoding process, these numbers may not align with the HIC by Continuum of Care. The undetermined county category includes facilities where the address was not disclosed in the data and instances where the address could not be accurately geocoded.

County	Year-Round Shelter Beds	Seasonal Beds	Number of Emergency Shelters	Permanent Supportive Housing Beds
Allen	12	0	1	0
Barton	15	0	1	0
Butler	10	10	2	0
Cherokee	0	0	0	6
Crawford	83	0	2	0
Douglas	30	106	4	0
Ellis	14	0	1	0
Finney	46	0	2	0
Ford	16	0	2	0
Harvey	23	0	2	10
Johnson	86	33	7	21
Lawrence	452	0	3	78
Leavenworth ¹	36	0	1	151
Lyon	19	0	2	0
Montgomery	44	0	1	0
Reno	39	0	2	0
Riley	82	0	3	65
