**What can I do
today?**

This week it is.... Teddies

Tuesday

Teddy Bears sandwiches

- Make your teddy a jam sandwich to take on your picnic.
- Try spreading the jam all by yourself.
- Or you could make a teddy bear face sandwich.
- You can use peanut butter or choc spread for your bears face, bananas for their ears and choc buttons, blueberries or raisons for eyes and nose.
- You could use a bear shaped cutter to make your sandwich and put in your favourite filling.
- What do you think your teddy bear's favourite sandwich is?

Please check for children's allergens when preparing food
