<sup>1</sup> In denying review, we observe that the sufficiency of the Employer's offer of proof is not before the Board at this juncture, insofar as the parties stipulated to a record that included the transcripts and exhibits from prior proceedings. Nevertheless, we encourage Regional Directors to consider whether it would be appropriate to use the offer-of-proof procedure specified in 29 C.F.R. § 102.66(c) in cases involving duplicative or cumulative litigation.
