## Summer Camps 2022

Welcome to STEM Academy, a three-week summer camp program for deaf and hard-of-hearing students in grades 9-12. STEM Academy is hosted by Alabama Institute for Deaf and Blind in partnership with National Technical Institute for the Deaf and University of Alabama at Huntsville. STEM Academy consists of exciting and engaging sleepover camp programs.

If any students plan to fly to the camp, the camper must be at least 15 years old at the time of camp. Otherwise, parents must bring their child to the camp.

### STEM in Agriculture

Huntsville, AL June 19 - 25, 2022

Explore how robotics are used in farming and learn through fun, hands-on labs about nutrition, soil science, biology, and coding! Build a robot that will plant, water, and maintain a good environment for crops!

Other activities will include various STEM-related projects.

### GenCyber

Huntsville, AL  
June 26 - July 2, 2022

Campers will explore potential careers in cybersecurity through hands-on experiences in programming, digital forensics, cryptography, networking, and online safety.

At the end of each day, enjoy various games and recreational activities provided by our excellent recreation team!

### Marine Lab

Key Largo, FL  
June 12 - 18, 2022

Campers discover the wonders of seagrass, mangrove, and coral reef ecology. Discussions on marine ecology, labs on invertebrate diversity, zooplankton and fish identification, and snorkeling are part of this immersive camp experience.

### Summer Transition Program

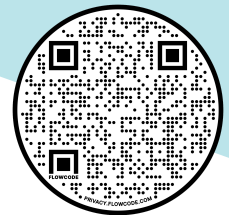

June 12 -  
July 2,  
2022  
Huntsville, AL

Prepare for the transition from high school to college!

- Improve your academic skills
- Develop your leadership skills
- Enhance your college readiness skills
- Meet new friends
- Experience life on a college campus

\*\*STP is only offered to students who are at least 15 years old AND in 10th-12th grade.
