STAR CONFERENCE JUNE 8-10, 2020

The 2020 Summer Technical Assistance Retreat (STAR) Conference is set for June 8-10, 2020 in Riverton. This conference is an information-packed professional development opportunity for school districts covering topics like the Grants Management System, Homeless Education, 21st Century Community Learning Centers (21CCLC), Federal Program updates, Consolidated Grants, School Safety, and more.

Regular STAR conference sessions will occur June 8–9. Post-conference sessions on June 10 will offer Homeless Education training and the annual 21CCLC meeting. The conference will be held at Central Wyoming College, 2660 Peck Ave, Riverton, WY 82501.

As of April 7, 2020, this will be a hybrid conference, assuming the restrictions on public gatherings of more than 10 people have been lifted due to the COVID-19 pandemic. Participants may attend in-person, or virtually. During the first week in May, the Wyoming Department of Education will determine if the conference will be completely virtual. Early Bird fees have been extended and registration is required to attend. Be sure to provide a valid email address for further communication regarding the conference.
